

The **Play to Go** menu has been created by **Vale Play Development Team** in order to **support communities** to develop **sustainable play provision** in the Vale of Glamorgan.

The **Takeaway Play Menu** illustrates the wide range of **play equipment** which is available **to hire**.

Although there is **no charge** for this equipment, any **donations** will be **gratefully received**. Any **funds raised** will be used to further **support community play**, and contribute to **extending** the range of **equipment** available.

Please take a look at the menu and contact our team to place your order!

If you are a **business** or **profitable organisation** and would like to **hire equipment** or **hire our services**, please see our **Play Events Menu**

IMPORTANT INFORMATION

The equipment on this list is not exhaustive and **items may vary** from those listed.

Please **book well in advance** to avoid disappointment as we have a **limited supply** of equipment.

Anyone hiring equipment is required to complete a **Loan of Equipment Form** prior to the equipment being released for use, this includes agreement to our **Terms and Conditions of Loan / Use**.
