## Budget news

2025 / 2026

### What is Council Tax?

Council Tax is a tax on your property, but also considers who lives in the property. The property part is based on the value of the property. The personal part looks at how many people over 18 live there and can offer discounts in certain situations.

### Where does my Council Tax go?

Council tax makes up **one-third** of the Council's annual budget.

The rest of the budget comes from a grant from Welsh Government, which includes a portion of the business rates collected across Wales.

**The 2025/26 budget is 332 million.**

This figure represents the net expenditure, meaning it includes both the costs of services and the money made from charges for some services.

The budget is split across many services with social care and schools having the largest allocation (71% of the overall budget).

**3%** on Waste & Recycling

**2%** on Highways

**1%** on Democratic services

<b>TOTAL</b>	<b>£46,620</b>	<b>£57,372</b>

Of the £76 million in reserves at the start of 2024/25:

- £4 million is for council tenants as part of the housing revenue accounts.
- £5 million is ring fenced for schools.
- £15 million retained to manage risk in case of emergency.

**The remaining £52 million would only cover Council operations for 9 weeks.**

# The Capital Programme

A council's capital programme outlines the council's long-term investment in major projects, such as the construction or renovation of buildings, infrastructure improvements, or purchasing large assets.

The programme details how the council will allocate resources over a set period (often several years) to fund these capital projects, which are usually designed to improve the community or provide essential services.
