COURSE OUTLINE

Woodwork

You will learn how to use hand tools and power tools safely for basic DIY and carpentry skills.

You will be taught how to design, measure and assemble some simple projects such as toolboxes and storage boxes using the correct joints and tools. More experienced learners will be able to try some more challenging projects.

Accredited by Agored Cymru. You will be awarded learning credits and a certificate.

5 Weeks
2 hours per week

Your tutor will advise you on the next step and what further courses and training you will need to achieve your goals.

Contact the Centre on the number below to reserve a place on the next available course.
