COURSE OUTLINE

Grown your own Fruit and Veg

On this course you will learn how to plant, nurture and grow your very own fruit, herbs and vegetables.

You will learn the techniques of planting and propagating seeds, planting out and caring for plants, dealing with pests and insects and companions planting.

Students on the course will be able to take part in an exciting new project to develop a new garden and vegetable plot at Palmerston Centre in 2021.

Accredited by Agored Cymru. You will be awarded learning credits and a certificate.

10 Weeks
2 hours per week

Your tutor will advise you on the next step and what further courses and training you will need to achieve your goals.

Contact the Centre on the number below to reserve a place on the next available course.
