

Appendix C

Town and Community Councils - Resurfacing requests 2018	Comments	Plan Ref No.
Barry Town Council		
Currently nothing received		
Colwinston		
Twmpath Lane - in particular from Twmpath Grange down to the Village boundary sign	Included under Resurfacing Works - score 170	88
Junction coming from Crack Hill right down past the school, which has deteriorated dramatically since the Redrow Development	Included under Resurfacing Works - score 160	91
Road from the Village down to Llysworney - from Rose Cottage to Llysworney via Hilton - this road has collapsed	Included under Resurfacing Works - score 155	96
Cowbridge with Llanblethian Town Council		
(Cowbridge / Aberthin) A4222 between Aberthin and the crossroads at the top of Cowbridge High Street (Traffic Lights)	Included under Resurfacing Works - score 305	11
(Llanblethian) Church Road Llanblethian from the Cross Inn down to the Church	Included under Resurfacing Works - score 260	43
(Cowbridge) Eastgate from the traffic lights down to the Town Hall	Included under Resurfacing Works - score 170	89
(Llanblethian) Broadway from junction with Windmill Lane to junction with Castle Hill	Included under Resurfacing Works - score 160	92
(Cowbridge) Church Street from High Street to and including the South Gate arch	Included under Resurfacing Works - score 135	102

(Llanblethian) Love Lane	Included under Resurfacing Works - score 135	103
(Llanblethian) Factory Road	Included under Resurfacing Works - score 130	106
(Cowbridge) High Street up Westgate (junction of Llantwit Major Road)	Included under Resurfacing Works - score 240	51
(Cowbridge / Llanblethian) Large pothole at the junction of Constitution Hill with Love Lane	Pothole defect repaired	n/a
Dinas Powys		
A4055 (Cardiff Road)	Included under Resurfacing Works - score 345 - on hold potential gas utility works	3
Plas Essyllt Through to Castle Drive	Included on Micro-asphalt works list	141
Pen-y-Turnpike (mainly falls under Michaelston / Leckwith)	Included under Resurfacing Works - score 300	18
Ewenny		
Stony Lane - there are several visually impaired residents living there so it is imperative that this road is well surfaced	Included under Resurfacing Works - score 105	112
Wick Road (From the Village Stores to Beech Court Farm) - this is a very well used road and there is a play area on this road. It is also on the National Cycle Network	Included under Resurfacing Works - score 185	83
Abbey Road (from bottom Lodge to the Church) - there are water issues here which the Council is aware of which have affected the road surface. This road leads to a historic monument and is used by a large number of visitors. The road also leads to the Parish Church which holds regular services	Condition assessed and not considered priority under current Plan	n/a

The road to Ogmores by Sea (B4524) by Ewenny Cross - this is a well used major route. There is also a residential care home off this road	Included under Resurfacing Works - score 270	39
The junction of Wick Road onto Ewenny Road up to the Bridgend Boundary (B4265) - this is a very well used busy road	Included under Resurfacing Works - score 185	83
Resurfacing of the verge from the Pavillion to the A48	Outside scope of resurfacing plan	n/a
Llancarfan		
See letter dated 27/02/2018 to Mike Clogg advising of highway issues	Refers to various highway issues to be responded separately	Refer 30 & 47
Llandough		
Llandough Hill - The condition of the road is very poor, it is a public transport route and is well used as a means of gaining access to and leaving the community of Llandough. The traffic calming road hump on the hill has partly disintegrated and could be dealt with as part of the resurfacing	Included under Resurfacing Works - score 195; road hump to be inspected and repaired	73
Llandow		
The road at the entrance to village of Llandow, if approaching from Rectory Cross which runs parallel to Paes-y-Fro	Included under Resurfacing Works - score 210	70
The road from Moor's Head Farm, Sigingstone to its junction with the B4270 Llantwit Major Road	Included under Resurfacing Works - score 190	77
The road from Llysworney Village which leaves the B4268 and proceeds in an easterly direction via Crossways to its junction with the B4270 near the Cross Inn / Lane to Llanfrynach	Included under Resurfacing Works - score 215	64
Llanfair		
Currently nothing received		

Llangan		
The road from the former Ruthin Chapel which leads to St Mary Hill Church - complaints about this road had been made for a number of years. The distress and issues this road causes for funerals and weddings as well as normal Church attendance is extensive	Included under Resurfacing Works - score 220	59
Road between Llangan and Treoes - snow has damaged this road and it is the main through route	Included under Resurfacing Works - score 220	60
Unnamed road from A48 at Crack Hill to Llangan - in parts the whole edge of the road has sunk by about 40 FMS. This is getting worse as lorries deliver and collect from Pheasant Acre nursery and land in the area is being used by farmers from Brocastle who bring machinery this way	To be inspected separately and any remedial works identified as appropriate.	n/a
Llanmaes		
(Map 1 Attached to letter) - Road leading North East out of the village from Pensarn Bungalow towards St Mary Church	Included under Resurfacing Works - score 215	63
(Map 2 Attached to letter) - Road leading East out of the village from Mill Cottage to Millands Park	Included under Resurfacing Works - score 215; consider works programme for NAR	65
Llantwit Major Town Council		
East Street, leading from Durrell Street, around the Strand and along to the Cenotaph at the Square	Included under Resurfacing Works - score 225	56
The road leading to West Gate Entrance, MOD St Athan and the majority of the roads in the Bird Estate (West Camp)	Condition assessed and not considered priority under current Plan	n/a
The Eglwys Brewis Road from the B4265 junction	Included under Resurfacing Works - score 295	26

Michaelston Le Pit and Leckwith		
Woodlands Lane, Leckwith. It is heavily potholed with some subsidence	Included under Resurfacing Works - score 190	78
The top end of the road into Michaelston le Pit from Pen-y-Turnpike Road between Pen-y-Turnpike and the car park	Included under Resurfacing Works - score 290	29
Note further letter of 16/04/2018 advising that absolute priority be given to re-surfacing of length of Pen-y-Turnpike Road running from Dinas Powys to Leckwith Road.	Included under Resurfacing Works - score 300	18
Penarth Town Council		
Stanwell Road	Included under Resurfacing Works - score 340; footway work to be coordinated	6
Plymouth Road	Included under Resurfacing Works - score 295	22
Cornerswell Road	Included on Micro-asphalt works list	124
Pendoylan		
The road up Pengelli Hill to Ty Fry Farm	Included under Resurfacing Works - score 355; potential conflict with housing development	2
The road from Clawdd Coch to Tyn-y-Plancau	Included under Resurfacing Works - score 295	27
Pontsarn Lane	Included under Resurfacing Works - score 200	71

Penllyn		
Ystradowen area - Resurfacing of the entrance to Badgers Brook estate via St. Owains Cr. From the A4222	Included under Resurfacing Works - score 160	94
Ystradowen area - Sandy Lane up to Highgrove. The road past Highgrove falls into Welsh St. Donat's CC	Included under Resurfacing Works - score 160	93
Llansannor, Newton area - There is significant flooding due to drains not being in order, the raising of the road surface over that area by say 100mm might assist in alleviating the problem	Not a resurfacing issue	n/a
Peterston-Super-Ely		
Chapel Lane	Included under Resurfacing Works - score 235	52
Pendoylan Road (Main road through the village from St Brides Super Ely to Gwern y Steeple)	Works previously undertaken to this route	n/a
Groesfaen Road	Included under Resurfacing Works - score 235	53
St Athan		
Currently nothing received		
St. Brides Major		
The road through Ogmores by Sea	Included under Resurfacing Works - score 175	87
The road between Watermill and the Pelican with severe potholes within that area, causing damage to vehicles	Included under Resurfacing Works - score 270	39

St. Donats		
The road between Marcross to Monknash	Included under Resurfacing Works - score 255	45
The road from the Llantwit Major / Wick Road to Splott Farm on both sides of the road	Included under Surface Dressing Works	157
The road between the junction of the Llantwit Road to end of Water Street via Monkton	Included under Resurfacing Works - score 295	21
St. Georges and St. Brides-Super-Ely		
Heol St-y-Nyll which becomes impassable to residents on numerous occasions	Included under Resurfacing Works - score 195	74
St. George's Super Ely main road - especially the section from the railway crossing to the Church	Included under Resurfacing Works - score 215	66
St. Nicholas and Bonvilston		
Currently nothing received		
Sully and Lavernock		
Cog Rd from junction with South Rd to Swanbridge Rd	Included under Resurfacing Works - score 160	90
Swanbridge Rd from junction with South Rd to Cog Rd	Included under Resurfacing Works - score 240	48
Lavernock Rd from South Rd to junction with Westbourne Rd	Included under Resurfacing Works - score 250	46

Wenvoe		
Old Port road - From Grange Close to bottom of Tarrws Lane	Included under Resurfacing Works - score 160	95
Tarrws Lane	Included under Resurfacing Works - score 160	95
Walston Road	Included under Resurfacing Works - score 160	95
St. Lythans Road from Beili Farm (Councillor Bird) to the Humpback Bridge	Included under Resurfacing Works - score 220	61
Wick		
Currently nothing received		
Iltydd Ward Members (Barry)		
Pontypridd Road	Included under Resurfacing Works - score 185	84
Port Road West	Included under Resurfacing Works - score 325; on hold potential Welsh Water utility issues	7
Jenner Road	Condition assessed and not considered priority under current Plan	n/a
Dudley Place	Included under Resurfacing Works - score 295	28
