| Executive Summary: | <ul style="list-style-type: none"> To seek Cabinet approval for appointments to Outside Bodies following the change in Administration at the Annual Meeting held on 20th May, 2019. |

Recommendations

1. That Members be appointed or nominated to serve on the Bodies listed at Appendix A to the report until the local government elections in 2022.
2. That, where legally possible, attendance at meetings of organisations to which a Member has been nominated or appointed by the Council be classed as an approved duty for which travelling and subsistence allowances are payable, in accordance with the Council's scheme.

Reason for Recommendations

1&2 To ensure continuity of representations by the Council on Outside Bodies.

1. Background

- 1.1 Historically, the Council has appointed / nominated representatives to sit on a large number of Outside Bodies / Joint Committees.

2. Key Issues for Consideration

- 2.1 Following the change of the Council's Administration at the Annual Meeting on 20th May, 2019 the Cabinet are requested to consider the appointments to Outside Bodies as attached at Appendix A. Cabinet will note that a number of Outside Body appointments as indicated on the Appendix have been appointed under the use of the Managing Director's Emergency Powers due to the fact that meetings of the organisations had been scheduled prior to the Cabinet meeting on 17th June, 2019.
- 2.2 It is proposed that all such appointments should run for the life of the Council i.e. until the local government elections in 2022. This would obviously be subject to the agreement of the relevant body to which Members have been appointed.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1 Appointments of Members to Outside Bodies allows for planned integration, involvement and collaboration opportunities and transparency.

4. Resources and Legal Considerations

Financial

- 4.1 There are no specific implications arising from the report.

Employment

- 4.2 There are no specific implications arising from the report.

Legal (Including Equalities)

- 4.3** There are no specific implications arising from the report. Responsibility for the appointment of Members / Officers to Outside Bodies, and the revocation of any such appointment, rests with the Cabinet.

5. Background Papers

None.
