Agenda Item No. 18 (i)

THE VALE OF GLAMORGAN COUNCIL

CABINET: 19<sup>TH</sup> JULY, 2021

REFERENCE FROM DEMOCRATIC SERVICES COMMITTEE: 12<sup>TH</sup> JULY, 2021

#### REVIEW OF THE MEMBER DEVELOPMENT STRATEGY (HDS) -

The purpose of the report was to seek the Committee's views on the refreshed Elected Member Development Strategy, as attached at Appendix A to the report and that subject to the Committee's views to endorse the refreshed Strategy to allow it to be referred to Cabinet for approval and adoption. The Council had had a Strategy in place for a number of years with the last review of the Strategy being undertaken in 2016. A planned refresh of the Strategy had been programmed for 2020, but due to the global pandemic and related challenges faced by the Democratic Services team the work to deliver the review was delayed.

The Head of Democratic Services in presenting the report advised that the Strategy set out the approach that the Council took regarding the development and support of its Elected Members. The refresh of the Strategy also included the views of the WLGA on its content with the comment being received that the Strategy "is comprehensive, covers most of the areas needed is particularly strong on making sure training is driven by Members' needs, more in depth than many seen."

The review identified that for the most part, the previous Strategy was still fit for purpose with the following main themes continuing to be relevant:

- a commitment to support the development needs of all Elected Members in order to assist them in carrying out the roles which they undertake during their term of office
- a process for identifying the local and national, collective and individual development needs of all Members; and
- the provision of a personal review process which was available to all Members and which would enable them to review and identify their personal development needs.

The refreshed Strategy also included updated information relating to essential (mandatory) and desirable (non-mandatory) training that covered learning areas aimed at supporting Elected Members undertaking their diverse roles. The revised Strategy also now linked to the recently updated WLGA Competency Framework for Elected Members in addition to revised Member role descriptions which had also

been updated to reflect changes in terms of duties, expectations and behaviours as a direct result of the introduction of the Local Government and Elections (Wales) Act 2021.

Other changes to the Strategy related to reference to the All Wales Learning Academy.

In considering the report Members commended the Head of Democratic Services on a comprehensive and interesting document. During the discussion reference was made to how challenging and inappropriate behaviour could be assessed. In response the Head of Service advised that there were a number of routes including the use of the Council's Local Dispute Resolution Procedure. Councillor N Thomas commented that in his experience a discussion with the Monitoring Officer had been most helpful before considering the escalation of a matter further and advised Members to consider this approach in the first instance.

Rules of debate training was suggested by Councillor Wilson to be an area that should be regarded as mandatory training by all Elected Members in order for Members to be fully aware of the relevant protocols, how business and the general conduct of meetings is/should be conducted. This view was accepted by the Committee

In referring to Members safety in undertaking their duties Councillor Wilson also referred to equipment that could be made available by the Council e.g. the use of body cameras. The Committee considered this point however, the Chairman considered that the use of body cameras raised a number of practical issues in relation to the use such devices, permissions, and holding personal information. The Chairman in his view, considered it would be more appropriate for a personal safety policy be developed to support Members that could provide advice and assistance from the Council when carrying out their duties.

Having considered the report and having regard to the comments made at the meeting it was subsequently,

RESOLVED –

(1) T H A T the topics contained within the table attached at Appendix B to the report be endorsed with an amendment that Rules of Debate training be included as mandatory training.

(2) T H A T that the development of a personal safety policy specifically for Elected Members be presented to the Committee and Cabinet for consideration/ adoption in due course.

(3) T H A T the inclusion of the WLGA Competency Framework (Appendix C to the report) and the revised model role descriptions for Members set out in Appendix D to the report, as part of the refresh of the Council's Member Development Strategy be endorsed.

(4) T H A T the refreshed Member Development Strategy subject to Resolutions 1, 2 and 3 above be endorsed and referred to Cabinet for consideration and approval.

Reasons for decisions

(1) In acknowledgement of essential and recommended learning subject areas to be included in the Council's Strategy.

(2) Having regard to the personal safety of Elected Members.

(3) In acknowledgement that the Framework recognised best practice and reflected the WLGA model role descriptions and themes for a proposed Induction Programme for new and returning Members and took account of the Local Government and Elections (Wales) Act 2021.

## **Recommendations**

- 1.** The Committee is requested to consider the topics contained within the table attached at Appendix B and endorse the content, including the learning areas which are considered essential (mandatory) or recommended (non-essential) and that this be included as part of the refresh of the Member Development Strategy.
- 2.** The Committee is requested to endorse the inclusion of the WLGA Competency Framework (Appendix C) and the revised model role descriptions for Members set out in Appendix D as part of the refresh of the Council's Member Development Strategy.
- 3.** Subject to Recommendations (1) and (2) above, the Committee is requested to endorse the refreshed Member Development Strategy and refer the same to Cabinet for consideration and approval.

## **Reasons for Recommendations**

- 1.** In acknowledgement of essential and recommended learning subject areas to be included in the Council's Strategy.
- 2.** In acknowledgement that the Framework recognises best practice and reflects the WLGA model role descriptions and themes for a proposed Induction Programme for new and returning Members and takes account of the Local Government and Elections (Wales) Act 2021.
- 3.** To seek Cabinet's approval of the refreshed Strategy.

## **1. Background**

- 1.1** The Local Government (Wales) Measure 2011 requires Local Authorities to secure the provision of reasonable training and development opportunities for its Members. The Measure does not define what constitutes reasonable training and development. However, Welsh Government guidance recommends that Local Authorities provide opportunities for what is essential for a Member to perform their role effectively.
- 1.2** The Council has had in place for a number of years a Member Development Strategy which has been periodically reviewed and refreshed to ensure it keeps up to date with legislative changes and best practice.

## **2. Key Issues for Consideration**

- 2.1** The refreshed Strategy is attached at Appendix A and now includes updated information relating to essential (mandatory) and desirable (non-mandatory) that cover learning areas which are aimed at supporting elected Members undertaking their diverse roles.
- 2.2** It is proposed that the table of learning topics attached at Appendix B now forms part of the refreshed Strategy. Previously, this information has been approved in

conjunction with the draft Member Induction Programme prior to each local government elections. The inclusion of the learning topics within the Strategy, will ensure that the appropriate status is given to these learning areas, legitimise the requirement for Members to participate in learning and development and embed this principle within future learning programmes.

- 2.3** The Committee is therefore requested to consider the topics contained within the table and endorse the content, including the learning areas which are considered essential (mandatory) or recommended (non-essential). Learning topics have been updated based on the most recent understanding of the new areas of expected knowledge requirements of the Local Government and Elections (Wales) Act 2021 in relation to the Member role. These themes are intended to be included in the new Induction Programme post the 2022 local government elections e.g. minor additional recommended learning for Members i.e. training in multi-location meetings (Remote Attendance), Socio Economic Duty and Personal Safety and Self-Care. A draft protocol on the latter will be the subject of a further report to a future meeting of the Committee for its consideration, comment and endorsement.
- 2.4** A separate report on the Induction Programme for new / returning Members post the above elections in May 2022 is an item later in the agenda for consideration and endorsement.
- 2.5** Absent from the current iteration of the Strategy is reference to the All Wales Learning Academy. Members may recall that the induction process for Members following the last Local Government elections in 2017 contained information relating to the All Wales Learning Academy which is an e-learning platform. This learning platform enables Members to participate in learning direct from home or a remote location. This is especially relevant given the current challenges faced because of the Pandemic. Reference to the All Wales Learning Academy including, instructions for creating individual Learning@Wales account and both a link to the portal and the account set-up guide will be available on the 'Member Development Resources Page' of MemberNet under the 'E-learning Training Topics' section.
- 2.6** In addition to the above inclusions, it is recommended that the recently revised WLGA Member Competency Framework attached at Appendix C (and any future revisions made by the WLGA) also forms part of the refreshed Strategy taking into account its link with providing support and training for Members.
- 2.7** The Framework has been revised in partnership between the WLGA and Heads of Democratic Services from across Wales. Details have been updated to include those changes introduced by the Local Government and Elections (Wales) Act 2021. These new elements will have implications in terms of skills and knowledge now considered required by Members are detailed in the highlighted sections of the Framework. Some of these topic areas are referenced in paragraph 2.3 of this report. It is also intended to reflect these new skills and knowledge in revised role descriptions for Governance and Audit Members, Group Leaders and Chairs of Standards Committees. Attached at Appendix D are the finalised versions of the model role descriptions for Members. Members are requested to note that

these descriptions are designed to be used in conjunction with the Framework and will be provided to all Members on their election post May, 2022. The Committee is therefore requested to endorse the inclusion of the WLGA Competency Framework and the role descriptions in the Council's Strategy.

- 2.8** The last aspect of the refresh to the Strategy relates to ICT support for Members. This section has been updated to reflect developments in ICT infrastructure invested by the Council since the Strategy was last reviewed in 2016. New and/or returning elected Members and Co - opted Members post the next local government elections will be offered a Council a laptop and mobile phone devices (as in 2017) in order to assist them with undertaking their varied roles. What is now under development is "Bring Your Own Device" (BYOD) for mobile phones. This is currently being piloted and proposed to be offered as an alternative to using Council supplied mobile phones pending the outcome of the pilot.

### **3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?**

- 3.1** The Well-being of Future Generations (Wales) Act sets out a duty for the Council to ensure the Sustainable Development Principle underpins all the work undertaken by the Authority, requiring us to demonstrate how decisions are formulated, taken and scrutinised via five ways of working. The Act underpins the Council's Corporate Plan. The approach to developing this Strategy will in turn link to the development of future member development arrangements taking account of the Act and the Council's well - being objectives.

### **4. Resources and Legal Considerations**

#### **Financial**

- 4.1** The Future Member Development provision will continue to comprise a mixture of delivery which, whilst largely delivered internally, will also include external facilitators where considered appropriate and beneficial. Any expenditure incurred on external facilitators will be met from within the existing budget.

#### **Employment**

- 4.2** The main implication will be in terms of officer time.

#### **Legal (Including Equalities)**

- 4.3** Arrangements for Member Training and development provision is a requirement set out in the Local Government Act 2000, Local Government Measure (Wales) 2011.

# THE VALE OF GLAMORGAN COUNCIL

## MEMBER DEVELOPMENT STRATEGY

\*\*\*\*\*

### Foreword

The Vale of Glamorgan Council has an obligation to ensure that it supports effective elected Member working to provide and improve corporate governance, local democracy and local services. This is within a climate of continuing major challenges brought about by budgetary pressures and the need to make significant associated financial savings. Alongside this we need to ensure that important local services continue to be delivered as efficiently and effectively as possible.

The Council is committed to providing the vital democratic arrangements and support services to ensure that Members are able to effectively fulfil the requirements of their office and develop a culture where learning and development are "the norm". We have a track record of delivering regular Member Development sessions and such an approach will continue. As in previous years the Council's position has not changed playing a pivotal role in ensuring essential services reach every member of our society. Public expectations of the Council, its elected Members and officers are high. There is ever-increasing interest in the way in which decisions are taken and how these decisions are scrutinised.

The Council and with the full support of elected colleagues, the Managing Director and Corporate Management Team, is committed to ensuring that the Council provides the best development opportunities for Members to enable them to fulfil the expectations of the electorate.

This updated Strategy seeks to reaffirm the principles by which future Member Development will be determined and delivered and we believe that this Strategy will assist Members in providing strong leadership for both the Council and improving services for our communities over the coming years.

## **MEMBER DEVELOPMENT STRATEGY**

### **Introduction**

The Council has a strong track record for continuously improving services which means particularly Elected Members have had to embrace, and adapt to, many different roles and responsibilities. The Wales Programme for Improvement places a responsibility on the Council to maintain continuous improvement in service delivery, emphasising the need to develop new and innovative ways of working to improve service outcomes. Therefore, all Members have a key role in the process of challenging established patterns of service delivery.

Operating in a constantly changing environment with reducing budgets whilst also taking on new responsibilities requires Elected Members, Co-opted Members and a workforce that is flexible and responsive to change which will result in new and challenging roles. Various statutory responsibilities are placed on the Council to promote the economic, social and environmental wellbeing of the community and to lead, collaborate and co-ordinate the preparation of a number of key Strategies in partnership with the Council's public, private, voluntary and community sector partners. In embracing these challenges, the Council must continue to develop its Members so that they:

- are responsive to change and able to prioritise;
- maximise the use of all available resources;
- can challenge the Council and other organisations fairly and identify best practise;
- are focused on maximising the outcomes provided by public services within the challenging climate of diminishing financial resources; and
- are influential and effective community leaders.

\*\*\*\*\*

### **The Current Context**

This Strategy has been developed in the context of ongoing changes in Local Government and with a view to enabling Elected Members and Co-opted Members to meet the challenges and opportunities presented to them, both through legislative changes and drivers in the County Council's organisation, the way it delivers services and the way it works with its communities, partners and stakeholders. The Strategy seeks to reaffirm the principles that will govern the Council's approach to Member Development and to set out in broad terms how the aims and objectives of Member Development will be met.

To provide the context in which this Strategy sits, the document begins by setting out the Council's Vision and Values. It then explains the overall objectives of Member Development within that context, before setting out the role of the Democratic Services Committee and supporting officers. Finally, the Strategy outlines the structure for Member Development.

\*\*\*\*\*

## The Council's Vision

In developing the Council's new Corporate Plan for 2020 – 2025, we revisited the values and vision and decided they were still valid however through extensive engagement and consultation we have developed four new well-being objectives. Therefore, the vision of the Council is communicated in the Corporate Plan as follows:

### **“Delivering Strong Communities with a Bright Future”**

Our values are also unchanged in terms of what the Council expects of its managers and staff in relation to how they do their work and how they will be treated:

- **Ambitious** - Forward thinking, embracing new ways of working and investing in our future;
- **Open** – Open to different ideas and being accountable for the decisions we take;
- **Together** – Working together as a team that engages with our customers and partners, respects diversity and is committed to quality services; and
- **Proud** – proud of the Vale of Glamorgan: proud to serve our communities and to be part of the Vale of Glamorgan Council.

These have been embedded across the organisation and have been instrumental in ensuring that the Council has achieved the commitments in the previous Corporate Plan. They have also made a significant difference to the culture of the organisation and how we all work together. We will continue to build on these strong foundations to successfully deliver our new Plan for 2020-25.

Elected Members and Co-opted Members will continue to play a vital role in the delivery of the Council's vision. As such, it is essential that all Members possess the correct skills and knowledge. Residents and communities expect them to be able to work for them across a range of subjects, using skills and expertise that match the increasingly complex nature of those topics.

Good quality Member Development arrangements enhance Members' ability to do this by:

- developing Members' knowledge of issues or legislation.
- developing Members' awareness of local and national issues.
- developing Members' skills and capabilities across a range of areas, including personal development, leadership skills, communication skills and ICT competencies.
- developing Members' understanding of key issues, for example community.
- developing Members' awareness of equalities and diversity issues
- giving Members the opportunity to network with each other, other Authorities, other partners, and the community.

The Strategy has been reviewed and consultation undertaken with the WLGA as to whether it is still fit for purpose and subsequently taken a view that many aspects are still considered to be relevant in providing a clear framework for Member Development, existing initiatives and practices, all of which are designed to enhance the Council's support for, and development of its Elected Members/ Co – opted Members.

As and when legislative requirements change the way the Council is required to work including, its Elected Members, these changes will be taken into account when planning future Member Development programmes to ensure that Elected Members/ Co - opted Member are enabled to undertake their various roles.

\*\*\*\*\*

## **Member Learning and Development Strategy – Aims and Objectives**

The Local Government (Wales) Measure 2011 requires Local Authorities to secure the provision of reasonable training and development opportunities for its Members. The Measure does not define what constitutes reasonable training and development. However, Welsh Government guidance recommends that Local Authorities provide opportunities for what is essential for a Member to perform their role effectively.

Member Development refers to any development activities or training programmes specifically designed to improve the knowledge, skills and abilities of elected Members in their varied roles.

This Strategy aims to equip Members with the skills and knowledge they need in their current (as set out in their role descriptions) and future roles. To ensure that this Strategy meets the needs of Members and the Council, activities will be properly planned, resourced, monitored and evaluated.

The Strategy's main objectives are:

- To provide a comprehensive induction process for new Members during their first six months in office, with "refresher" sessions offered to Members who are re-elected.
- To achieve a clear and shared understanding of the various Member roles.
- To support Senior Salary post holders to improve their performance aided by annual Personal Support and Development reviews.
- To provide an ongoing role, skills, and knowledge programme of development opportunities for all Member.
- To provide support tailored to the needs of Members based on individual training needs analysis; and
- To monitor the impact of the Strategy and use feedback to improve over time and celebrate success.

The Council will provide Elected Members and Co-opted Members with flexible and responsive training and development that is based on individual and organisational needs. This should in turn maximise the effectiveness of all Members in their various roles to ensure that the Vale of Glamorgan Council will be regarded as a leader in the provision of support to elected Members.

Every Member (other than an Executive Leader – see \*\* below) will be offered the opportunity to have their training and development needs reviewed by the Head of Democratic Services on an annual basis by way of a Personal Development Interview.

One of the issues often raised is how often an Elected Member / Co-opted Member should attend a training / refresher training session. Clearly, this is mainly down to what the Councillor / Co-opted

Member to believe that they require or perhaps the frequency would stem from the Councillors Personal Development Review.

The Democratic Services Committee has determined that those Members in receipt of a Senior Salary will be **expected** to have such an interview and that specific levels of all Member training are to be considered as Essential (Mandatory). Set out at Appendix B is the Member Learning and Training Programme. A significant proportion of this programme will be delivered post each local government elections as part of the Council Elected Member/ Co-opted Member induction Programme. This will be supplemented with additional learning sessions, briefings, some of which will flow from the personal development review process.

Member learning and development provided by the Council will adopt and reflect the principles of the Welsh Local Government Associations Elected Member Competency Framework and any subsequent revisions to it. The Framework is attached at Appendix C. This is with the objective of attaining consistency in provision of learning and development to Members' and Co-opted Members across Wales. To compliment the Framework the WLGA have developed revised versions of model role descriptions attached at Appendix D.

Essential Training involves training associated with Members' and Co-opted Members statutory responsibilities e.g. membership requirements of certain Committees such as Planning, Licensing, Audit and Governance Committees etc. and generic themed training to ensure that all Members have the necessary knowledge and skills to enable them to operate within the Council's Code of Conduct, have an understanding of the Council's Constitution, undertake common essential duties and, where appropriate, discharge regulatory or personnel related Committee functions.

A good Council will often need to identify some key areas of training as top priorities for learning. Such a move will assist the Council in being a top performing Council. By not being proactive and setting some of these training events as essential can potentially lead to complacency. Elected Members and Co-opted Members have an important role to play as the eyes and ears of their locality; training can assist them in that vital role.

In addition to the above, the Council has historically taken a proactive view by recommending targeted development at specific roles such as Chairing Skills for Committee Chairmen, Scrutiny Training for Scrutiny Committee Members and Committee Questioning Skills. Members and Co-opted Members of committees will also receive specific knowledge building and development briefing sessions on the changes to legislation as and when these arise.

In response to Members calls to facilitate knowledge building / development through more innovative ways the Council will continue to deliver Member Expo events centred around key organisational challenges. This type of event will continue to be delivered as part of the future Member Development Programmes.

Requested Training topics can also be incorporated into the ongoing Member Development Programme when identified by individual Members as part of the Councillor training needs analysis survey undertaken periodically.

In addition to more formal learning arrangements, Elected Members will be encouraged to utilise E Learning opportunities. The All Wales Academy is the national e-learning site for all Local Authorities

in Wales providing local government staff and councillors with 24/7 access to training materials. Elected Members will be provided with instructions for creating their individual Learning@Wales account and both a link to the portal and the account set-up guide. Information and guidance on how to enrol will be made available on the 'Member Development Resources Page' of MemberNet under the 'E-learning Training Topics' section.

(\*\* Section 7 of the Measure does not apply to the Executive Leader. However, the Local Government Measure guidance acknowledges that there may, of course, be occasions where the Leader wishes to receive training or development and there is no suggestion that, by excluding them from the provisions of the Measure, they should not be able to receive training, nor, indeed, an annual review or an interview).

\*\*\*\*\*

### Implementing the Strategy

It is fundamental to its success that all Members take a leading role in its delivery and willingly participate with the requirements of the Strategy.

**The Member Development Champion** (the Chairman of the Democratic Services Committee) and the Democratic Services Committee in consultation with the Head of Democratic Services will oversee the implementation of this Strategy and agree and review training and development activities for Elected Members and Co-opted Members by:

- Ensuring that Member Development continues to be part of the overall mainstream organisational activity.
- Providing advice on Members' Support Services, particularly Member Development.
- Co-ordinating the Member Development Programme.
- Promoting Member Development throughout the organisation, including identification of joint Member and officer activities.
- Working collaboratively with Directors and Heads of Service and with other partners in the identification and delivery of activities.
- Monitoring progress against the Strategy's objectives and the implementation of Members' training, support and development more widely; and
- Monitoring the requirement for each Member to be asked to complete an evaluation form after each course or training event.
- Providing all Members access to E- Learning topics via the All Wales Learning Academy and the Council's own iDev learning portal (where applicable).

All Member training and development activities provided because of this Strategy will:

- Be secured from appropriate training providers or facilitators from within or outside the Authority.
- Respond to the needs of Members for method and style of delivery; and

- Be provided taking in to account the principles of the Council’s Equality of Opportunity Policy and be arranged at convenient times and locations.

**All Members should:**

- Identify their own development needs and proactively seek out development opportunities to meet them.
- Attend the mandatory induction programme post Local Government Elections and any subsequent By Election and follow-up refresher training and development in core areas, for example Code of Conduct, Finance, Planning, Licensing and Equalities and Diversity.
- Help others to develop through informal mentoring, sharing of learning and so encourage the development of a culture whereby learning and development is regarded as a component of the ongoing success of the Council.

Members should have regard to the Various Member Role Descriptions and Person Specifications which have been agreed by the Council and which can be found at:

[https://www.valeofglamorgan.gov.uk/Documents/ Committee%20Reports/Committee%20Information/Constitution/June-2018/Section-24.pdf](https://www.valeofglamorgan.gov.uk/Documents/Committee%20Reports/Committee%20Information/Constitution/June-2018/Section-24.pdf)

**Political Group Leaders** will have a particular responsibility to ensure that their Group Members engage fully in the Member Development process especially with all mandatory training elements; recognising shortcomings and proactively seeking out training opportunities. They will also ensure that any Members within their respective group who are in receipt of a Senior Salary undertake an annual review of their development / training requirements.

The Local Government and Elections Act also places new responsibilities on Political Group Leaders with a new duty to promote and maintain high standards of conduct by Group Members in accordance with the Local Government and Elections (Wales) Act 2021.

**Strategic Directors and Heads of Service will be required to:**

- Identify key strategic activities that require Member Development.
- Provide briefings to Elected Members and Co-opted Members on key areas of service delivery and development and on emerging themes and Council priorities. This is particularly relevant in regard to statutory work programme for the Cabinet Members and separately, Scrutiny Committee work programmes
- Issue Members with an evaluation form for any Member Development session held within their respective service area and results shared with the Head of Democratic Services to inform future Member Development programme planning; and
- Inform Democratic Services of such activities who will maintain a central record for audit purposes.

### **The Head of Democratic Services will:**

- Oversee that Personal Development and Review interviews are undertaken in respect of all Members who are in receipt of a Senior Salary.
- Afford all non-Senior Salary Members the opportunity of undertaking an annual Personal Development Review interview.
- Identify Member Development requirements and draw up and facilitate / deliver a Member Development Programme accordingly and
- Keep under review the Member Development Strategy and ongoing Member Development Programme, including periodic reports to the Democratic Services Committee.

\*\*\*\*\*

### **Member Development Programme**

Activities will be developed and delivered through the following channels:

- An Induction Programme for new Members and Co-opted Members;
- Specific sessions on core areas for all Members following Council elections and subsequently, as appropriate in the light of any major changes (e.g. as the result of significant new legislation);
- Informal Mentoring opportunities are offered for newly Elected Members within each respective political group;
- Personal support for Members in developing their individual action plan and identifying priorities for their development; and
- Member Development Programme of knowledge and skills development activities.

\*\*\*\*\*

### **Core Principles**

The following principles will govern the Council's approach to Member Development:

- In order for Member Development to meet the needs of Members/ Co-opted Members, the process needs to be approved, championed, owned and led by Members themselves.
- Member Development must be considered as a continuous and evolving process.
- The Strategy will be informed by the offering / undertaking of annual Personal Development Interviews for all Members and the production of associated Training Needs Analyses.
- All newly elected Members/ Co-opted Members will be properly inducted into the Council and their roles.
- All Elected Members and Co-opted Members will have the opportunity to benefit from Information Communications Technology (ICT) to assist them in their role and development.

- The provision of training and development will balance the needs of the Council itself, its stated corporate priorities and the individual and group needs of Elected Members and Co-opted Members.
- The learning programme will consider individual and group needs and all Members' preferred learning styles and where appropriate utilise E-learning modules; and
- Where possible, active consideration will be given to the delivery of training on a collaborative regional basis.

All Council buildings broadcast the corporate wi-fi computer network (Lupus) and physical data outlets are located throughout the buildings to enable a wired connection to the computer network if required via their corporately supplied laptops. All Members can access the Council's network from their homes and anywhere where they can connect to the mobile phone network (4G/5G). The training offered will mainly be focussed on how to effectively and efficiently use the Office 365 suite of software applications such as Outlook to manage emails and calendar appointments, Teams to participate in video conferencing and instant messaging, and InTune which provides the Office 365 suite of products on the mobile phone provided.

Bring your own device (BYOD) for mobile phones is currently being piloted, where colleagues are testing access to their emails, calendars and Teams on their personal mobile phones. This will be offered to Members as an alternative to using Council supplied mobile phones pending the outcome of the pilot.

ICT provision for Members will be reviewed on a regular basis and particularly before a new intake of Members following an election.

## **A Development Framework for Councillors in Wales 2021**

This framework outlines the knowledge and behaviours required by Councillors in Unitary Councils in Wales.

It has been developed by Councillors and officers working with the WLGA.

It will be useful for Councils when providing support and training for members and for Councillors to identify their priorities for continuing personal and professional development.

It is not intended to be exhaustive or prescriptive, it can also be locally adapted to reflect the priorities of different Councils. The competencies described reflect those that Councillors will develop within the role rather than those required to stand for office.

The Framework fits with the *Wales Charter for Member Support and Development*. The Charter provides Councils with a structure for local self-assessment and provision of member development, this framework provides a suggested content for that development.

The framework also fits with the WLGA model role descriptions and the induction curriculum for new members. It takes account of legislative requirements for members including those set out in the Local Government (Wales) measure 2011 and the Local Government and Elections (Wales) Act 2021.

### **Using the Framework**

The Framework includes a range of generic competencies required by all Councillors and separate sections for specific roles on the Council.

For each theme, the framework sets out the information that Councillors need to know, understand, and be able to do (knowledge and skills), together with examples of how they should act (behaviours).

## Background

This is a set of generic role descriptions and person specifications for elected members. They are applicable in any authority and are made available as suggestions rather than prescription.

The role descriptions set out the responsibilities and functions of the role of the elected member. The person specifications describe the qualities and skills required of the member in the role and can help when considering personal development.

Where members undertake more than one role it is anticipated that role descriptions would be combined. For example: Overview and Scrutiny committee chairs would be expected to undertake the role of, Elected member, Overview and Scrutiny Member and Overview and Scrutiny Chair.

These role descriptions are designed to be used alongside the Welsh [Member Development \(Competency\) Framework](#) which describes the skills knowledge and behaviours required of Councillors

This document has been produced collaboratively by the Welsh local Government Association, working with members and officers from all the authorities in Wales. It takes account of all the UK and Wales legislation affecting the role of members, including, most recently, the Local Government and elections (Wales) Act 2021.

## **Member Champion Purpose and Role**

### **What are Member Champions?**

Member Champions exist to provide a voice for traditionally underrepresented groups, or issues which need to be kept at the forefront of council business although they may not be the responsibility of any individual or committee.

Member Champions, (sometimes called lead members) are elected members who in addition to their other council responsibilities make sure that the issue or group that they are championing are taken into account when council policy is being developed and decisions are made. Members act as champions in areas such as children, homelessness, equalities, older people, young people, scrutiny, member support and development, health improvement and anti-poverty. There is a statutory role for a lead member of children's and young people's services with a responsibility for over-seeing the arrangements made under sections 25 and 26 of the 2004 Children Act.

Guidance on undertaking the role with regard to the subject knowledge that members need is sometimes available from the outside bodies associated with the issue being championed for example the toolkit for older peoples' champions from the LGA. Otherwise they will be reliant on their authority for guidance in the subject they lead on and also their role as lead member in this area.

### **What do they do?**

Typically, the lead member will:

- Make sure that their area of interest is taken into account when developing policy or making decisions
- Ask questions about performance and resourcing for the area
- Raise the profile of the area and make the authority aware of good practice.
- Engage with external bodies who work in the area
- Engage with other officers and members in relation to the role.
- Engage with community groups with an interest/stake in the area ☑ Report action to the council

### **How does their role fit within the corporate structure?**

This will vary according to the area/issue that is being championed and how the authority functions. There is potential for confusion and overlap between the role of the member champion and those of the relevant executive member or overview and scrutiny members. The champion role itself could be undertaken by either the relevant executive member or a non executive member.

It is therefore important that members and officers work together to agree roles and action for the area being championed and that there are mechanisms for lead members to report on their activities. It is helpful for the authority to draft a protocol which sets out what powers champions have and do not have, such as whether or not they are able to make decisions on behalf of the authority. Similarly, the appointment of champions varies between authorities, and includes appointments being made by full council meetings or by the leader.

### **The Role Description**

It is difficult to create a role description that fits with the different roles expected of champions and how they operate in the different authorities' structures. The following is a generic model which will require local adaptation, particularly to reflect the difference that may exist between a statutory role, one undertaken by an executive member and a non-executive lead.
