

|  |  |
|--|--|
| Meeting of:  | <b>Cabinet</b>   |
| Date of Meeting:   | <b>Monday, 11 April 2022</b>   |
| Relevant Scrutiny Committee:   | All Scrutiny Committees  |
| Report Title:  | Annual Delivery Plan Monitoring Report: Quarter 3 Performance 2021/22  |
| Purpose of Report:   | To present quarter 3 performance results for the period 1st April 2021 to 31st December 2021 in delivering our 2021/22 Annual Delivery Plan commitments as aligned to our Corporate Plan Well-being Objectives.  |
| Report Owner:  | Executive Leader and Cabinet Member for Performance & Resources  |
| Responsible Officer:   | Rob Thomas, Chief Executive  |
| Elected Member and Officer Consultation:   | <p>Q3 performance information contained within the report is based on quarterly returns provided by service directorates to the Performance Team which is reviewed by DMTs and relevant Directors. Consultation has also been undertaken with the Senior Leadership Team.</p> <p>The performance report applies to the whole authority. Quarterly performance reports covering the Corporate Plan Well-being Objectives will be considered by all Scrutiny Committees and Cabinet.</p> |
| Policy Framework:  | This is a matter for Executive decision by Cabinet.  |
| <p>Executive Summary:</p> <ul style="list-style-type: none"> <li>The performance report presents our progress at quarter 3 (1st April to 31st December 2021) towards achieving our Annual Delivery Plan (2021/22) commitments as aligned to our Corporate Plan Well-being Objectives.</li> <li>We have made positive progress in delivering our in-year commitments in relation to our Annual Delivery Plan (2021/22). This performance has contributed to an overall GREEN status for the Plan at Quarter 3 (Q3).</li> <li>All 4 Corporate Plan Well-being Objectives were attributed a Green performance status at Q3 to reflect the progress made to date. This is positive given the ongoing challenges arising from the pandemic.</li> <li>91% (288 out of 317) of planned activities outlined in our Annual Delivery Plan have been attributed a Green performance reflecting the positive progress made during the quarter, 2% (8) an amber status and 7% (21) of planned activities were attributed a Red status.</li> </ul> |  |

- Of the 21 actions attributed a Red performance status during the quarter, 38% (8) were directly as a result of service reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic. In relation to these areas, where appropriate, work is now recommencing as part of our recovery plans and strategy. This Coronavirus recovery update forms part of quarterly performance reporting to ensure members maintain an oversight of the recovery issues impacting on the work of their respective Committees. From this perspective, members are requested to note the progress to date in relation to Coronavirus recovery.
- Of the 43 quarterly performance measures aligned to our Corporate Plan Well-being Objectives, data was reported for 41 measures where a performance status was applicable. 56% (23) measures were attributed a Green performance Status, 5% (2), Amber status and 39% (16), Red status. Data was unavailable for 2 quarterly measures due to reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic. A performance status was not applicable for 107 measures including a number of annual indicators (89) and those establishing baseline performance for the year (18).
- In relation to the 16 measures attributed a Red performance status during the quarter, the impact of COVID-19 has contributed to 25% (4) missing target.
- The report seeks Cabinet's consideration of Q3 performance results and the proposed remedial actions to address areas of identified underperformance.
- The 5 Scrutiny Committees have reviewed quarter 3 performance reports between 8th and 17th March 2022 and upon consideration, have noted the performance results and progress to date in relation to the Annual Delivery Plan 2021/22 and Coronavirus recovery. The Corporate Performance & Resources Committee also highlighted a number of issues for Cabinet's consideration (para 2.22, page 7).
- This report seeks Cabinet's consideration of the views and recommendations of Scrutiny Committees in relation to Q3 performance and approval of identified remedial actions as the basis to address areas of underperformance and to tackle the key challenges identified.
- In addition, Cabinet is requested to note overall service performance results to date and progress made towards achieving the priorities in our Annual Delivery Plan 2021/22 and in relation to Coronavirus recovery.

## **Recommendations**

1. That Cabinet consider performance results and progress towards achieving the Annual Delivery Plan 2021/22 commitments as aligned to our Corporate Plan Well-being Objectives as presented in this report and appendices.
2. That Cabinet consider the views and recommendations of all Scrutiny Committees in relation to Q3 performance results and approve identified remedial actions as a basis to address areas of underperformance and to tackle the key challenges identified.
3. That Cabinet note the progress being made through our recovery strategy in response to the ongoing Coronavirus pandemic.

## **Reasons for Recommendations**

1. To ensure the Council clearly demonstrates the progress being made towards achieving its commitments in the Annual Delivery Plan 2021/22 aimed at making a positive difference to the lives of Vale of Glamorgan citizens.
2. To ensure the Council is effectively assessing its performance in line with the requirement to meet our performance requirements as outlined in the Local Government & Elections (Wales) Act 2021 and reflecting the requirement of the Well-being of Future Generations (Wales) Act 2015 that it maximises its contribution to achieving the well-being goals for Wales.
3. To ensure Cabinet Members maintain an oversight of the recovery issues impacting on the work of the Council and their respective Scrutiny Committees.

## **1. Background**

- 1.1 The Council's Performance Management Framework is the mechanism through which our key priorities and targets are monitored and realised in order to secure continuous improvement and meet our performance requirements.
- 1.2 As part of the review of its Performance Management Framework, the Council has adopted a Corporate Plan (2020-25) which reflects the requirements of the Well-being of Future Generations (Wales) Act 2015 and identifies 4 Well-being Objectives for the Council. We have also refined our performance reporting and monitoring approach to enable us to meet our new duties under the Local Government & Elections (Wales) Act which came into effect from 1st April 2021.
- 1.3 Our performance framework is aligned to our Corporate Plan to enable us to track our progress on well-being objectives (keep our performance under review) and demonstrate how the steps we intend to take will contribute to achieving multiple well-being objectives and in turn the national goals.
- 1.4 In line with these performance arrangements, on a quarterly basis, Cabinet and all Scrutiny Committees will consider a single report that provides a high-level overview of our performance for each Well-being Objective including highlighting areas of improvement that may require greater scrutiny by members. This approach will enable Cabinet and Scrutiny Committees to look at the

achievement of the Corporate Plan holistically, from the perspective of their Committee's remit. In addition, it will enable Cabinet and Scrutiny Committees to flex their work programme to reflect any emerging performance issues that may require more intensive consideration.

- 1.5** Work will continue to further develop and enhance our performance monitoring and reporting arrangements in line with our duties as outlined in the WCFG (Wales) Act and the LG&E (Wales) Act with reference to the wider local government agenda. These discussions will continue to consider the best way to present information to elected members to facilitate scrutiny and identify and explore areas of interest.
- 1.6** [Appendix A](#) outlines our performance for the period 1st April to 31st December 2021 against our Annual Delivery Plan commitments for 2021/22. The quarterly performance report presents the reader with a more accessible view of performance in relation to our annual commitments and demonstrates the progress we are making towards achieving our Corporate Plan Well-being Objectives.
- 1.7** **Section 1:** States the overall RAG (performance) status attributed to the Annual Delivery Plan reflecting the progress made in delivering our priorities as aligned to our 4 Corporate Plan Well-being Objectives. It also provides an explanation of the performance terms used within the report. The performance report uses the traffic light system, that is, a Red, Amber or Green (RAG) status and a Direction of Travel (DOT) to aid performance analysis. Progress is reported for all key performance indicators and actions by allocating a RAG performance status.
- 1.8** **Sections 2 - 5:** Provides an overview of progress for each of the 4 Corporate Plan Well-being Objectives including:
- **Performance Snapshot:** Provides an overview for each Well-being Objective, describing the status of Corporate Plan actions and performance indicators. A RAG status is attributed to actions and measures under each Well-being Objective to reflect overall progress to date and contributes to the overall RAG status for the Well-being Objective.
  - **Performance Exceptions:** Provides key highlights of our achievements and areas we need to improve in relation to our Annual Delivery Plan activities as aligned to the Corporate Plan Well-being Objective.
  - **Appendices:** A hyperlink is provided from each section linking to the following Appendices.
  - [Appendix 1:](#) Provides, by Well-being Objective, detailed information relating to the Service Plan actions which have contributed to Corporate Plan commitments contained in the annual Delivery Plan 2021/22.
  - [Appendix 2:](#) Provides detailed performance indicator information linked to each Well-being Objective which show for our planned activities, how well we are performing. It must be noted that any annually reported performance indicators will be reported at end of year when data becomes available. In addition, new performance indicators that have been introduced in 2021 as part of the Council's revised Performance Management Framework will not have data available until end of year as this year will be used to establish baseline performance. A Not Available

(N/A) status will be attributed to all such measures with commentary provided confirming this status. We will continue to develop our key measures within each Well-being Objective to ensure these most accurately reflect our Corporate Plan Well-being Objectives. This appendix includes information for each action/indicator to indicate which Scrutiny Committee's remit it aligns with.

- 1.9 Section 6:** Provides links to five presentations covering all Scrutiny Committees. These explore the cross-cutting aspects of service activity related to our Corporate Plan Well-being Objectives as aligned to the scope of each respective Scrutiny Committee. The presentations identify the key achievements and challenges as aligned to the remit of each committee and also provide members with an update on Coronavirus recovery. The section also provides links to various corporate health reports, such as the Insight tracker for regulatory recommendations, absence and finance information etc, to help members maintain an oversight of issues that may impact on the work of the Council and their respective Scrutiny Committees.

## **2. Key Issues for Consideration**

- 2.1** We have assessed progress in relation to our planned activities as outlined in our Annual Delivery Plan for 2021/22 and used local performance data where available. Over the past year, our statutory statistical obligations from the Welsh Government and the Welsh Local Government's Public Accountability Measures have been suspended indefinitely to enable us to focus on our response to COVID-19 pandemic. However, we are endeavouring to collect performance indicator information to support our performance reporting where possible, although this will still not be possible in all service areas.
- 2.2** We have made positive progress in delivering our in-year commitments in relation to our Annual Delivery Plan (2021/22). This performance has contributed to an overall **GREEN** status for the Plan at quarter 3 (Q3).
- 2.3** All 4 Corporate Plan Well-being Objectives were attributed a Green performance status at Q3 to reflect the progress made to date. This is positive given the ongoing challenges arising from the pandemic.
- 2.4** 91% (288 out of 317) of planned activities outlined in our Annual Delivery Plan have been attributed a Green performance reflecting the positive progress made during the quarter, 2% (8) an amber status and 7% (21) of planned activities were attributed a Red status.
- 2.5** Of the 21 actions attributed a Red performance status during the quarter, 38% (8) were directly as a result of service reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic. In relation to these areas, where appropriate, work is now recommencing as part of our recovery plans and strategy. Progress in relation to Coronavirus recovery is being reported to members in the presentation accompanying this performance report at Scrutiny Committee and focuses on highlighting issues pertinent to the Committee's remit. This Coronavirus recovery update forms part of quarterly performance reporting to ensure members maintain an oversight of the recovery issues impacting on the work of their respective Committees. From this

perspective, members are requested to note the progress to date in relation to Coronavirus recovery.

- 2.6** Of the 43 quarterly performance measures aligned to our Corporate Plan Well-being Objectives, data was reported for 41 measures where a performance status was applicable. 56% (23) measures were attributed a Green performance Status, 5% (2), Amber status and 39% (16), Red status. Data was unavailable for 2 quarterly measures due to reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic. A performance status was not applicable for 107 measures including a number of annual indicators (89) and those establishing baseline performance for the year (18).
- 2.7** In relation to the 16 measures attributed a Red performance status during the quarter, the impact of COVID-19 has contributed to 25% (4) missing target.
- 2.8** A detailed report outlining the progress made this quarter towards achieving our Annual Delivery Plan commitments is provided at [Appendix A](#).
- 2.9** [Appendix B](#) provides a summary of the key achievements and challenges as aligned to the remit of the Scrutiny Committees and also provides members with an update on Coronavirus recovery. For ease of scrutiny, performance exceptions, that is, all actions or PIs that have been attributed a Red status are presented at [Appendix C](#) including a direction of travel and commentary on the performance.

#### **Performance Summary by Scrutiny Committee Remit**

- 2.10** In relation to the planned activities within the remit of the **Healthy Living & Social Care Scrutiny Committee**, 89% (93 out of 104) were attributed a Green performance status and 3% (3) and Amber status and 8(8%) a Red status. Of the 8 attributed a Red performance status, the impact of COVID-19 was identified as a contributory factor in the reported slippage for 3 actions. Of the 7 quarterly measures reported, 71% (5) were attributed a Green performance status, and 29% (2) attributed Red status. In relation to the 2 measures attributed a Red status, the impact of COVID-19 has contributed to missing the target for 2 of the measures.
- 2.11** In relation to the planned activities within the remit of the **Homes & Safe Communities Scrutiny Committee**, 97% (36 out of 37) were attributed a Green performance status and 1(3%) a Red status. Of the 7 quarterly measures reported, 56% (5) were attributed a Green performance status and 22% (2) Amber status, and 22% (2) Red status. In relation to the 2 measures attributed a Red status, the impact of COVID-19 has contributed to missing the target for 1 of the measures.
- 2.12** In relation to the planned activities within the remit of the **Learning & Culture Scrutiny Committee**, 85% (45 out of 53) were attributed a Green performance status, 13% (7) an Amber status and 2% (1) were attributed a Red status. Of the 1 attributed a Red performance status, the impact of COVID-19 was identified as a contributory factor in the reported slippage for the actions. Of the 8 quarterly measures reported, 50% (4) were attributed a Green performance status and 50% (4) were attributed Red status. In relation to the 4 measures attributed a Red status, the impact of COVID-19 has contributed to missing the target for 3 of the measures.

- 2.13** In relation to the planned activities within the remit of **Environment & Regeneration Scrutiny Committee**, 92% (94 out of 102) were attributed a Green performance status, 2% (2) Amber status and 6% (6) Red status. Of the 5 attributed a Red performance status, the impact of COVID-19 was identified as a contributory factor in the reported slippage for 1 action. Of the 7 quarterly measures reported, 71% (5) were attributed a Green performance status, and 29% (2) Red status. In relation to the 2 measures attributed a Red status, the impact of COVID-19 has contributed to missing the target for 0 of the measures.
- 2.14** In relation to the planned activities within the remit of the **Corporate Performance & Resources Scrutiny Committee**, 89% (126 out of 142) were attributed a Green performance status, 1% (2) Amber status and 10% (14) Red status. Of the 14 attributed a Red performance status, the impact of COVID-19 was identified as a contributory factor in the reported slippage for 5 actions. Of the 12 quarterly measures reported, 42% (5) were attributed a Green performance status and 58% (7) Red status. In relation to the 7 measures attributed a Red status, the impact of COVID-19 has contributed to missing the target for 0 of the measures.
- 2.15** The report seeks Cabinet's consideration of the views and recommendations of Scrutiny Committees in relation to Q3 performance and the remedial actions to be taken to address areas of underperformance and to tackle the key challenges identified.
- 2.16** In addition, Cabinet is requested to review overall service performance results to date and progress made towards achieving the priorities in our Annual Delivery Plan 2021/22.

### **Summary of Scrutiny Committee Recommendations**

- 2.17** Quarter 3 performance in relation to the Annual Delivery Plan for 2021/22 has been discussed at all 5 Scrutiny Committees between 8th and 17th March 2022 and is now being presented to Cabinet for approval. The outcome of Scrutiny Committees discussions is detailed below:
- 2.18** The Healthy Living and Social Care Scrutiny Committee (8th March 2022) noted quarter 3 performance results and progress to date.
- 2.19** The Homes and Safe Communities Scrutiny Committee (9th March 2022) noted quarter 3 performance results and progress to date.
- 2.20** The Learning and Culture Scrutiny Committee (10th March 2022) noted quarter 3 performance results and progress to date.
- 2.21** The Environment & Regeneration Scrutiny Committee (15th March 2022) noted quarter 3 performance results and progress to date.
- 2.22** The Corporate Performance & Resources Scrutiny Committee (17th March 2022) noted quarter 3 performance results and progress to date. The Committee also highlighted for Cabinet's consideration the following:
- The need to review some of the performance measures and results provided within the Annual Delivery Plan, which, although counting as small-scale successes and positive results in their own right, were perhaps only partial improvements and did not provide the full context and background to these measures.
  - That further information/updates be provided on the following areas:

- Recruitment for Shared Regulatory Services (SRS). It was explained there were challenges around recruitment, but measures were in place to mitigate these and improve recruitment opportunities. Further details to be provided to the Committee when available.
- On progress made by the new CLA (Children Looked After) Manager on opportunities to involve, engage and communicate with all children, young people and families that use the Council's service (including those with protected characteristics). Further details to be requested from Children and Young People Services.
- The review of building / street names and monuments. A further update would be provided on the work undertaken for this, and to look at convening a meeting of the review panel for this purpose.
- The potential need for a fourth round of vaccination due to rising levels of COVID-19. Further details would be provided to the Committee when available

### **3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?**

- 3.1** Performance Management is an intrinsic part of corporate governance and integrated business planning which underpins the delivery of the Council's Corporate Plan and its Well-being Objectives and associated annual commitments in its Annual Delivery Plan 2021/22. Our Corporate Plan has been structured around the Well-being of Future Generations (Wales) Act 2015, through the development of four Well-being Objectives. By aligning our Well-being Outcomes in the Corporate Plan with the Well-being Goals of the Act, this will enable us to better evidence our contribution to the Goals.
- 3.2** Performance reporting is an important vehicle for showing our progress, not only in terms of impacts across the national well-being goals through achievement of our well-being objectives but also in terms of the changes and improvements made in our approach to integrated planning.
- 3.3** The five ways of working are a key consideration in our corporate Performance Management Framework ensuring that we continue to focus on working differently and in an inclusive way to challenge why, what and how we respond to our key performance challenges.

## **4. Resources and Legal Considerations**

### **Financial**

- 4.1** There are no additional budgetary implications arising from this report, although underperformance in some areas may have a negative impact on external assessments of the Council and could put certain funding opportunities at risk.

### **Employment**

- 4.2** There are no direct workforce related implications associated with this report. However, there are a number of issues contained within the performance report

that if not effectively managed have the potential to impact on our staff establishment and performance overall. This may in turn impact adversely on achievement of key outcomes associated with the Corporate Plan.

#### **Legal (Including Equalities)**

- 4.3** The Local Government & Elections (Wales) Act 2021 requires that the Council keep its performance under review and consult and report on its performance in order to secure continuous improvement and meet its performance requirements.
- 4.4** The Well-being of Future Generations (Wales) Act 2015 requires the Council to set and publish annual Well-being Objectives that maximise its contribution to achieving the Well-being goals for Wales and report its progress in meeting these.

# VALE of GLAMORGAN COUNCIL ANNUAL DELIVERY PLAN MONITORING REPORT

Quarter 3 Performance: 1 April - 31 December 2021

Working  
Together  
for a Brighter  
Future

## 1.0 Performance Summary Annual Delivery Plan 2021/22

**Our overall RAG status for the Annual Delivery Plan is GREEN**

### Our Well-being Objective Summary Status

Presented below is a summary of our performance in relation to each of the Well-being Objectives outlined in our Corporate Plan. Against each of the Well-being Objectives an overall RAG Status and Direction of Travel is given, as well as an overall RAG status and Direction of Travel for the Annual Delivery Plan as a whole. The Direction of Travel provides an indication of the direction of performance when compared with a previous quarter. For instance, where our RAG status (performance) has improved it is indicated by , where our RAG status has remained the same compared with previous quarter it is shown by  and where our RAG Status has declined it is represented with .

| Overall Actions      | RAG   | Direction of Travel   |
|----------------------|---|---|
| Objective 1          |    |    |
| Objective 2          |    |    |
| Objective 3          |    |    |
| Objective 4          |  |  |
| Annual Delivery Plan |  |  |

| Overall PI's         | RAG   | Direction of Travel   |
|----------------------|---|---|
| Objective 1          |    |    |
| Objective 2          |    |    |
| Objective 3          |    |    |
| Objective 4          |  |  |
| Annual Delivery Plan |  |  |

| Overall Objective    | RAG   | Direction of Travel   |
|----------------------|---|---|
| Objective 1          |    |    |
| Objective 2          |    |    |
| Objective 3          |    |    |
| Objective 4          |  |  |
| Annual Delivery Plan |  |  |

### Performance Key

| Measures (RAG)   | Direction of travel (DOT)   | Actions (RAG)   | Overall (RAG) status Well-being Objective  |
|--|---|---|--|
| <b>Green:</b> Performance is on or above target        |  : Performance has improved on the same quarter last year          | <b>Green:</b> Action completed or on track to be completed in full by due date.   | <b>Green:</b> Indicates that we are well on track to deliver the key outcomes relating to the Well-being Objective as set out in the Corporate Plan.   |
| <b>Amber:</b> Performance is within 10% of target      |  : Performance has remained the same as the same quarter last year | <b>Amber:</b> Minor delay but action is being taken to bring action back on track.  | <b>Amber:</b> Indicates that at this stage, we are on target to deliver the Well-being Objective, but some aspects need to be addressed in order to ensure we remain on track to fully achieve the Well-being Objective. |
| <b>Red:</b> Performance missed target by more than 10% |  : Performance has declined compared to the same quarter last year | <b>Red:</b> Action has slipped with limited progress made and an explanation must be provided including any planned remedial action(s) and where appropriate a revised completion date. | <b>Red:</b> Indicates that at this stage, we are not on target to deliver key outcomes relating to the Well-being Objective as set out in the Corporate Plan.  |

## 2.0 Well-being Objective 1: To work with and for our communities

Our overall RAG status for 'Working with and for our communities' is **AMBER**

### 2.1 Performance snapshot

The report highlights our progress at quarter 3 in delivering the Annual Delivery Plan (ADP) activities aligned to our Corporate Plan commitments that contribute to Well-being Objective 1 for the period 2021/22. There are 24 ADP actions aligned to the 7 Corporate Plan commitments within Well-being Objective 1, 'To work with and for our communities'. In total, 134 service plan actions across a number of council services contribute to the delivery of these ADP priorities.

|   |   |   |     |       |  |  |   |     |       |
|---|---|---|-----|-------|--|--|---|-----|-------|
| <b>ACTIONS</b><br>Our performance against Annual Delivery Plan actions gives us an overall <b>GREEN</b> RAG status for this Well-being Objective. |   |   |     |       | <b>PERFORMANCE MEASURES</b><br>Our performance against key measures gives us an overall <b>RED</b> RAG Status against this Well-being Objective. |  |   |     |       |
| <b>Service Plan Actions</b><br><b>Well-being Objective 1: To work with and for our communities</b>  |   |   |     |       | <b>Performance Measures</b><br><b>Well-being Objective 1: To work with and for our communities</b>   |  |   |     |       |
|    |  |  | N/A | Total |   |  |  | N/A | Total |
|   |   |   | 2   | 134   |  |  |   | 25  | 40    |

Of the 15 actions contributing to the Well-being Objective, where limited progress has been reported during the quarter and therefore attributed a Red performance status, 6 (40%) was as a result of service reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic.

| Actions and Measures Contributing to this Well-being Objective |          | Number attributed 'Red' Performance status |          | Reasons for Red status: COVID-19 |          | Reasons for Red status: Other/ Non-COVID |          |
|--|----------|--|----------|----------------------------------|----------|--|----------|
| Actions  | Measures | Actions                                    | Measures | Actions                          | Measures | Actions                                  | Measures |
| 134  | 40       | 15   | 9        | 6                                | 0        | 9  | 9        |

### 2.2 Performance Exceptions

Below are key highlights of our achievements and areas where we need to improve in relation to our ADP activities aligned to this Well-being Objective for 2021/22.

### 2.2.1 What have we done well?

We recognise that we are reliant on online technology now more than ever and are committed to improving how we involve, engage and communicate with residents and business digitally/online. During quarter 3 for example, we have continued to further develop the content management system called Evolutive, to help facilitate efficient regional working particularly in the area of local business support and economic development. Fortnightly newsletters continue to be sent to a growing list of businesses across all sectors (662 have signed-up to date), along with regular emails to specific groups to highlight further training and funding opportunities.

Engagement with residents continues to rise with the total numbers of subscribers to Vale Connect increasing to 83,346 exceeding our annual target of 60,000 of subscribers. Alongside this, our social media platforms Twitter and Facebook, continue to actively engage residents, enabling them to keep up to date with important COVID-19 and other news, events, road closures, recycling or grass collection updates, new services and offerings. Our Twitter page has already achieved our annual target of 9,000 impressions (people seeing our tweets/posts) with an average of 9,600 impressions during the quarter 3 period.

We are continuing to tackle digital exclusion through our involvement with the [Get The Vale Online partnership](#). The pandemic has shown that connectivity is essential, more than ever before, for the Council, Vale citizens and businesses and has played a key role in our response by enabling us to connect virtually with friends, family and colleagues and access services e.g. arrange household bills, order online food shopping, apply for jobs etc. The Get the Vale online new 'One Stop Shop' website which includes information on services and schemes across the Vale that provide devices to residents along with the criteria people must meet to access the schemes. The webpage also includes significant information on some of the key resources and support organisations that residents can contact for extra support in getting online and these are being widely publicised.

During the quarter, we have continued to promote the support available under the Armed Forces Covenant, through relevant advice and support to all members of the Armed Forces Community in relation to a number of different services including housing, council tax, benefits, education, employment, leisure and many more. For example, during quarter 3, discussions in relation to the proposed extension of the Leisure Management contract have included a commitment to the Armed Forces Covenant. To enable us to further understand the needs of the Armed Forces community and maximise the use of resources, our multi-agency Armed Forces Covenant Forum continue to meet and discuss these topics.

Staff well-being and resilience continues to be a key priority for the Council and this message is being reinforced with various well-being initiatives aimed at assisting our staff to work at home and in different ways for example, investing in development and well-being initiatives through our Well-being Champions, also well-being activities such as Yoga, mindfulness, Hump Day Head Space, online nutrition and finance workshops, 365-counselling support via Care First, as well as organised outdoor woodland well-being sessions, all of which promote work-life balance, health and well-being.

### 2.2.2 Areas for future focus & improvement

Progress the refurbishment of CIV building. COVID-19 and BREXIT related challenges have resulted in there being significant delays in the completion of the C1V refurbishment project. A structural survey identified issues with the roof structure which deemed it unable to support the plant machinery needed to implement the original design of air-cooling solution, as a result a new solution has had to be designed. In addition, there has been an increase in resource and materials costs which has required a review of the project budget. We continue to work toward resolving these matters in the upcoming quarter.

Numbers of Adult Welsh learners has fallen across Wales over the past year, and this performance is mirrored in the Vale of Glamorgan. Currently there are 387 adult Welsh learners against our target of 437. Despite the fall, we have continued to provide a series of taster events and engagement activities throughout this quarter. We will continue to promote and engage with residents to promote uptake.

Sickness absence amongst Vale employees has worsened from 6.12 (FTE) days reported in Q3 last year to 8.33 (FTE) this year. Long term absence days lost continues to be notably higher than in the previous year 6.35 days compared to 4.86 in quarter 3 2020/21. Discussions are ongoing with the Strategic Leadership Team to look into the reasons for the higher absence levels and identify remedial actions where possible. Our performance in relation to voluntary employee turnover has also fallen from 4.18% in quarter 3 last year to 6.05% for this quarter. There is further potential risk that the number of voluntary leavers will continue to increase as the Council moves out of the pandemic.

Our financial position is set to become even more challenging given the emerging impacts of the COVID-19 pandemic. Like all local authorities across the country, the Vale has been at the forefront of the response to the coronavirus pandemic which has put pressure on our finances. Supporting communities and keeping vital services running has never been more critical but this has led to high increases in demand and necessary unforeseen expenditure for the Council. At the same time, we are facing significant and immediate reductions in income which is likely to impact on our ability to fully meet the agreed 2021/22 budget and proposed savings. While the financial emergency support packages provided by both Westminster and the Welsh Government have helped us to respond, we know that this support is likely to only be available in the short term, potentially contributing to a significant increase in funding shortfall and impacting on the financial resilience of the Council.

**Appendix 1:** Provides, by Well-being Objective, detailed information relating to the Service Plan actions which have contributed to Corporate Plan commitments outlined in our Annual Delivery Plan 2021/22.

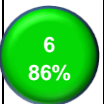

**Appendix 2:** Provides detailed performance indicator information linked to each Well-being Objective which show for our planned activities, how well we are performing. It must be noted that any annually reported performance indicators will be reported at end of year when data becomes available. In addition, new performance indicators that have been introduced in 2021 aligned to the new Corporate Plan will not have data available until end of year as this year will be used to establish baseline performance. A Not Available (N/A) status will be attributed to all such measures with commentary provided confirming this status. We will continue to develop our key measures within each Well-being Objective to ensure these most accurately reflect our Corporate Plan.

### 3.0 Well-being Objective 2: To support learning, employment and sustainable economic growth

Our overall RAG status for ‘Supporting learning, employment and sustainable growth’ is **GREEN**

#### 3.1 Performance snapshot

The report highlights our progress at quarter 3 in delivering the Annual Delivery Plan (ADP) activities aligned to our Corporate Plan commitments that contribute to Well-being Objective 2 for the period 2021/22. There are 20 ADP actions aligned to the 8 Corporate Plan commitments within Well-being Objective 2, ‘To support learning, employment and sustainable economic growth’. In total, 37 service plan actions across a number of council services contribute to the delivery of these ADP priorities.

#### 3.2 Performance Exceptions

Below are key highlights of our achievements and areas where we need to improve in relation to our ADP activities aligned to this Well-being Objective for 2021/22.

### 3.2.1 What have we done well?

We have continued to provide support for childcare settings post COVID-19 for example, under the Childcare and Play grant we continue to offer a small grant scheme to support sustainability, new childcare provisions and additional childcare places. To date a total of 16 have received a COVID recovery grant. 52 childcare settings have received funding to replace worn/broken toy and play equipment. 3 new Childcare Offer units have been completed including Vale Play based at Llanfair Primary school, Meithrin based at Ysgol Dewi Sant both due to open January 2022, with Gladstone Bach to follow shortly. 29 out of 30 ICT equipment grant applications have been successful.

All of our current projects in relation to delivering 21st Century Schools Programme improvements (Band B) including the expansion of Ysgol Y Deri, work on new school buildings across the Vale, expansion of primary school capacity in Cowbridge and development of a Centre of Learning and Well-being are currently on track. Some of our key milestones include Pencoedtre High School's new build which opened January 2022, the Whitmore High School Specialist Resource Base was established in September 2021, the Centre for Learning & Well-being planning application approved November 2021. The handover date for the newly built South Point Primary, is scheduled for February 2022.

Initially our One Stop Shop advice service was via telephone only in line with COVID-19 restrictions, but we have been able to physically open this facility (in accordance with restrictions) to deliver a full range of housing related support, advice and assistance regarding any issues our residents have. We have supported and delivered successful outcomes in a range of areas including tenancy support, access to employment, mental health, homelessness and budgeting, benefits, grants advice and support which has made a positive impact on residents lives.

We have also continued to support victims of illegal money lending to access debt advice and rebuild their finances. The Wales Illegal Money Lending Unit is dealing with a surge of new cases arising from the financial difficulties some found themselves in as a result of the pandemic and associated lockdowns. Working in partnership, we continue to investigate illegal lenders and provide support to victims, along with the delivery of training to partner agencies.

We continue to support service users, predominantly the long-term unemployed and young people not in employment, education or training to help them into employment. We have had a positive start to the year in engaging people as part of the Communities for Work (C4W) programme, with 16 (106%) of people engaged against the target of 15, an improvement against last year's figure of 23 (153%). The percentage of Communities for Work plus (C4W+) people engaged against target has also continued to increase to 73 (182.5%) in comparison to 48 (120%) last year. Referrals have increased significantly this quarter due to outreach sessions taking place in the Job Centre.

During the Quarter we have successfully secured over £800,000 for our active travel initiatives. We will continue to focus on improving our existing walking and cycling routes, whilst evaluating the feasibility of creating new routes in the rural Vale. Funding will go towards, a new toucan crossing near the Walston Castle in Wenvoe, installing dropped kerbs, seating and murals. Penarth will benefit from an additional two OVObike docking stations and we will work on creating 5 new active travel routes, including Cowbridge to Ystradowen and Culverhouse Cross to St Nicholas. More information about how the funding will benefit Vale communities can be found on our [website](#).

A third empty shop front on Holton Road, Barry has undergone transformation at the hands of local artists as part of a project aimed at improving the appearance of empty buildings. Five young artists involved with the project worked alongside professional graffiti artists to transform the shop front and participate in workshops at the 'Hurts So Good' unit in Windmill Park Industrial Estate. The project was funded by the Welsh Government Transforming Towns programme and was delivered in partnership with the Council, with similar future works in the pipeline. In addition to the shop's artwork, recent improvements to Barry shopping streets include the installation of new planters and banners. Barry-themed cycle racks have also been installed around the Town Centre to make active travel more accessible.

### 3.2.2 Areas for future focus & improvement

We need to ensure appropriate provision is available to meet the bespoke needs of increasing numbers of children and young people presenting with acute anxiety and other social, emotional and mental health needs. We recognise that there is an urgent need for all our schools to work within an evidence based, psychologically informed framework that incorporates an understanding of Developmental Trauma, Adverse Childhood Experiences, Attachment and the neuroscience of mental health and ill health and have already made significant progress in this area during the pandemic. Our trauma informed Engagement Service and our provision for foundation phase children with social emotional and mental health needs, a first in Wales, continues to work with schools and our partners to expand the trauma informed approach across the Vale of Glamorgan and support our most vulnerable learners.

Progress work to ensure that all children and young people re-engage and catch-up on learning lost during the lockdowns and self-isolation to ensure they are not further disadvantaged. Whilst some funds have been allocated by Welsh Government to support learning recovery, the sheer scale of what needs to be achieved in the short to medium term will require significant and sustained investment over a number of years. School budgets were already under significant pressure and the impact of COVID-19 has further exacerbated the situation. Progressing with radical curriculum reforms against this backdrop will continue to be challenging for all involved.

We continue to see increasing demand for Additional Learning Needs (ALN) provision and increasing customer expectations which continue to place additional pressure on both central education resources and on individual schools' budgets. The Additional Learning Needs and Education Tribunal Act places increased duties on the local authority which impacts on the teams to deliver services in line with these expectations. COVID-19 has impacted adversely on implementation of the ALN Act and work in this area continues to progress through a phased approach in order to provide more time to prepare for the full impact of the Act. This is a particularly complex area of change and the phased approach in the implementation of the Act will be needed.

There is clear evidence that COVID-19 has impacted on young people in terms of positive education destinations especially, Year 13 (18-year-olds). The number of NEET young people for the 2019/10 academic year doubled compared to the previous year from 1.5% to 3%. This is an area where we are increasing support. We are also focusing our efforts on identifying those pupils listed as 'unknown' in terms of positive destination outcomes and are working collaboratively to reduce these numbers. Cessation of the ESF grant funding at the end of December 2022 is likely to impact on some of our key initiatives aimed at reducing NEET levels and we are working to ensure there are appropriate exit strategies and forward plans in place for these initiatives.

**[Appendix 1:](#)** Provides, by Well-being Objective, detailed information relating to the Service Plan actions which have contributed to Corporate Plan commitments outlined in our Annual Delivery Plan 2021/22.

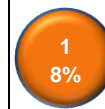

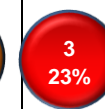

**[Appendix 2:](#)** Provides detailed performance indicator information linked to each Well-being Objective which show for our planned activities, how well we are performing. It must be noted that any annually reported performance indicators will be reported at end of year when data becomes available. In addition, new performance indicators that have been introduced in 2021 aligned to the new Corporate Plan will not have data available until end of year as this year will be used to establish baseline performance. A Not Available (N/A) status will be attributed to all such measures with commentary provided confirming this status. We will continue to develop our key measures within each Well-being Objective to ensure these most accurately reflect our Corporate Plan.

#### 4.0 Well-being Objective 3: To support people at home and in their community

Our overall RAG status for ‘Supporting people at home and in their community’ IS **GREEN**

#### 4.1 Performance snapshot

The report highlights our progress at quarter 3 in delivering the Annual Delivery Plan (ADP) activities aligned to our Corporate Plan commitments that contribute to Well-being Objective 3 for the period 2021/22. There are 37 ADP actions aligned to the 12 Corporate Plan commitments within Well-being Objective 3, ‘To support people at home and in their community’. In total, 100 service plan actions across a number of council services contribute to the delivery of these ADP priorities.

| <b>ACTIONS</b>  |   |   |     |       | <b>PERFORMANCE MEASURES</b>   |  |   |     |       |
|---|---|---|-----|-------|---|--|---|-----|-------|

| 100  | 47       | 3  | 3        | 1                                | 2        | 2  | 1        |

#### 4.2 Performance Exceptions

Below are key highlights of our achievements and areas where we need to improve in relation to our ADP activities aligned to this Well-being Objective for 2021/22.

#### 4.2.1 What have we done well?

An innovative business model has allowed The Big Fresh Catering Company, which provides food for schools and events, to operate as a commercial entity, returning all profits to schools and the business itself. So far £255,000 has been reinvested directly to our schools; £60,000 towards school and community projects, £88,000 to buy better quality ingredients, £135,000 spent on maintaining equipment and £5,000 allocated to the sponsorship of pupil groups such as football teams. The company has also established commercial operations, including a café and licensed bar at Penarth Pier Pavilion and an online business delivering grazing platters, afternoon teas and ploughman’s lunches.

During quarter 3 Cabinet approved plans to further develop 31 units of Council housing on the development that already holds 11 properties, including 5 for disabled residents in Clos Holm View development in Barry. The additional plans include 8 one-bedroom apartments, 18 two-bedroom houses, 3 three-bed houses and 2 three-bedroom adapted bungalows. The development of these houses will help to address the significant demand for Council housing in the Vale of Glamorgan, with currently roughly 6,000 on the waiting list. We are continuing to explore potential new sites across Barry for further developments to address the current needs for Council Housing.

We continue to contribute to the regional arrangements for Test, Trace, Protect (TTP) as one of the most significant mechanisms available to prevent the onward spread of the virus. These arrangements draw together colleagues from various partner organisations, including Shared Regulatory Services, Public Health, Communications HR and Social Services. The Council leads the communications workstream for TTP on behalf of the partnership and this work has informed the communications associated with the mass vaccination programme, with the Council working alongside the UHB to promote the importance of vaccination to residents across the Vale of Glamorgan. To further support this work, we opened a temporary Covid-19 testing centre in Llantwit Major (18 October) which operated 7 days a week for 31 days providing an increase in testing capacity for citizens of Cardiff and the Vale.

During quarter 3, our Shared Regulatory Service launched an innovative new podcast [Ask the Regulator](#) with the aim of communicating information and advice on all regulatory matters and engaging with regulators, businesses and members of the

public. Working together with a local radio station, Bro Radio we have produced 5 episodes, delivering information in relation to allergens and food hygiene, new legislation, health and safety, safeguarding and consumer protection.

The increase in people needing a care home has risen since the start of the pandemic and we are seeing a national shortage of care workers. The Vale of Glamorgan, like the rest of the UK is experiencing unprecedented demand for health and social services and urgent action has been needed to address these issues. During quarter 3, we launched a fast track programme to recruit and train care workers in the Vale. Our Fast Track to Care programme has been designed especially for recruits with little or no experience and aims to get care workers 'job ready' in 2 weeks. The scheme will recruit and train staff for more than 20 care providers operating in the Vale, as well as for roles with the Vale of Glamorgan Council with the first intake beginning training in January. Upon completion, Fast Track to Care graduates will be matched with vacancies in the Vale that best suit them, many of which will offer immediate start dates.

Following a 4-week consultation and a £100,000 investment, children can now explore the new Belle Vue play area in Penarth, redeveloped as part of our commitment to improve play areas in the Vale and encourage children to be active outdoors. The park has been transformed into a modern space with new equipment, designed for a range of ages, from toddlers to 12-year-olds. The new apparatus includes climbing units, swings and a dragon centrepiece, all inspired by the theme of nature and dragons which the community informed us they wanted. The play area also accommodates children with additional needs, with inclusive equipment and sensory features such as a cradle swing and sensory panels.

A new 100m<sup>2</sup> tepee has been erected at Rhws Primary School providing children with an exciting new, outdoor learning space in which to have lessons. Working together with the community, the school has also improved other spaces for the children including the Rhws Rangers outdoor area which was vandalised during the year. Further projects are underway, including a Nurture Pod and a Nutrition Pod, creating a well-being 'village' for pupils.

We invested £30,000 into Colcot Sports Centre, Barry to improve changing facilities and ensure that football matches could continue throughout the winter season. A new boiler was installed, and we have made arrangements to ensure 24-hour

emergency maintenance cover is available so that any issues are immediately resolved.

During December, our Children's Services team helped coordinate a gift run with local businesses to support children and young people in the Vale of Glamorgan. The Big Wrap, Tangent, Cowbridge United Free Church, Barry Town Football Club and CJCH Solicitors donated around 1,000 gifts to the cause. The presents were bagged, tagged and distributed to homes across the Vale by our Flying Start team. Schemes such as this help relieve the pressure on families, ensuring that children and young people who were unlikely to receive presents at Christmas were supported on Christmas Day.

Our Anti-Social Behaviour (ASB) team worked through 416 ASB incidents during quarter 3. The quarter 3 figures show a further reduction in nuisance and personal incidents (1063 in Q3 2020/21) indicating the reducing impact of COVID-19 on ASB and community cohesion as individuals and organisations continue to move further into the recovery phases of the pandemic.

100% of domestic abuse victims reported that they felt safer in their homes as a result of target hardening (safety measures implemented in homes). This is a further improvement when compared to the 96% satisfaction during quarter 2.

#### 4.2.2 What do we need to improve?

The pandemic has continued to affect the completion of child assessments with 47.1% being completed on time against a target of 85%. This also represents a decline in performance when compared with the previous year's quarter 3 performance of (70%). Social workers have continued to respond to priority needs of children and their families during the period of involvement, albeit without completed assessments.

Sustaining and improving participation levels in physical activity at a time of diminishing resources continues to be a challenge. The COVID-19 pandemic has been a particularly challenging time with all direct delivery programmes ceasing and clubs/leisure centres across the county being closed. This led to the need to rethink how we deliver our services during this time, with more focus being placed on promoting family-based activities and utilising online platforms to promote these

opportunities. Moving forward, for quite some time to come, sport and physical activity will look very different. We are working with our partners to plan what the future will look like and how residents can safely return to physical activity.

Homelessness is a growing national challenge and a significant challenge for the Vale, and despite our continued commitment, only 42.59% of households were successfully prevented from becoming homeless this quarter (against a target of 70%). The publication of Welsh Government's Guidance to local authorities during the COVID-19 pandemic, placed a duty on the Authority to provide everyone with temporary accommodation, posing a major challenge over the past year and beyond. There is a need to find innovative rehousing solutions, as there are currently roughly 6,000 housing applicants on the Vale of Glamorgan Housing Register. It took on average 20 working days to let an empty property against a target of 19.57 days, reflecting a deterioration in performance from last year in the same period (19 days). Capacity issues with the sub-contractors have caused delays in the turnaround of empty properties and we are currently working to ensure that performance is brought back on track by quarter 4.

**[Appendix 1:](#)** Provides, by Well-being Objective, detailed information relating to the Service Plan actions which have contributed to Corporate Plan commitments outlined in our Annual Delivery Plan 2021/22

**[Appendix 2:](#)** Provides detailed performance indicator information linked to each Well-being Objective which show for our planned activities, how well we are performing. It must be noted that any annually reported performance indicators will be reported at end of year when data becomes available. In addition, new performance indicators that have been introduced in 2021 aligned to the new Corporate Plan will not have data available until end of year as this year will be used to establish baseline performance. A Not Available (N/A) status will be attributed to all such measures with commentary provided confirming this status. We will continue to develop our key measures within each Well-being Objective to ensure these most accurately reflect our Corporate Plan.

## Well-being Objective 4: To respect, enhance and enjoy our environment

Our overall RAG status for 'To respect, enhance and enjoy our environment' is **GREEN**

### 5.1 Performance snapshot

The report highlights our progress at quarter 3 in delivering the Annual Delivery Plan (ADP) activities aligned to our Corporate Plan commitments that contribute to Well-being Objective 4 for the period 2021/22. There are 20 ADP actions aligned to the 8 Corporate Plan commitments within Well-being Objective 4, 'To respect, enhance and enjoy our environment'. In total, 50 service plan actions across a number of council services contribute to the delivery of these ADP priorities.

| <b>ACTIONS</b>  |   |   |     |       | <b>PERFORMANCE MEASURES</b>   |  |   |     |       |
|---|---|---|-----|-------|---|--|---|-----|-------|

| 50   | 22       | 4  | 3        | 0                                | 1        | 4  | 2        |

### 5.2 Performance Exceptions

Below are key highlights of our achievements and areas where we need to improve in relation to our ADP activities aligned to this Well-being Objective for 2021/22.

### 5.2.1 What have we done well?

The Project Zero Board has met twice and has discussed in detail the implementation of the Project Zero [climate change challenge plan](#), with work now underway to deliver the key actions outlined to help us reach our goal of net-zero carbon emissions by 2030. This work builds on our good track record of delivering environmental improvements. Following the [declaration of a nature emergency](#) work has also continued on developing an action plan for Nature recovery, along with a draft Tree Strategy which currently being consulted on.

We continue to deliver the statutory planning function in order to protect, preserve and where possible enhance our natural and built environment and cultural heritage. For example, during quarter 3, 349 planning applications were determined and 330 approved (95% of decisions). Of the approved applications, 7 related to Listed Building Consents (LBCs), 35 were tree applications, 22 TCA's (Work to trees in a conservation area) and 15 TPO's (Work to trees covered by a Tree Preservation Order). No new Tree Preservation Orders have been confirmed. 93 planning enforcement cases were also resolved during the quarter.

Out of the 349 approved planning applications the following decisions related to decisions within planning designations: 31 were approved in a Special Landscape Area (SLA) but it was considered that none of the proposed developments would have a detrimental impact upon the SLAs by nature of their design and scale; 4 applications were approved in Green Wedges but neither approval impacted upon the openness of the green wedge or the other reasons for their designation; 8 applications were approved within the Glamorgan Heritage Coast.

A key council priority, work is progressing in identifying and responding to food poverty challenges within our communities, with a focus on empowering communities and community led approaches. The Penarth Food Pod has recently been expanded with further funding for an additional building on site, staff have worked to organise volunteers and promote more engagement. The “pay as you can” Food Pod pantry is proving to be very popular and provides support and assistance to our residents.

Our Neighbourhood Services Team continues to successfully remove reported fly tipping within the target timescale. During quarter 3, we cleared fly-tipping within an average of 1.09 days, exceeding our target of 2 days, 74 incidents were cleared in 81 days. We will continue to work with our communities to ensure that the local environment is clean, attractive and well managed for all residents and visitors.

We continue to excel with our [Green Flag Awards](#), as all our parks have retained their Green Flag Status, making us one of the best performing authorities in Wales. Award winning country parks consist of Cosmeston and Porthkerry country park, Romilly Park, Alexandra Park and Windsor Gardens, Barry Island Seafront and Friars Point, Belle Vue Park, Central Park, The Knap Gardens, Victoria Park and Gladstone Park. 15 sites also received Community Awards, including Barry Community Garden, Bee Loud Glade, Birchgrove Woodlands and many more. To increase biodiversity within our environment we are modifying our cutting regimes, reducing our annual bedding and replacing with more biodiverse perennial displays, and we continue to be pesticide free in our parks. Additional trees have been planted within our Green Flag parks and open spaces during the quarter and will continue into the following quarters. We also retained our Blue Flag status at Penarth Marina and Southerndown beach plus receiving seaside awards for Barry Island, Jacksons Bay and Cold Knap.

The Vale Local Nature Partnership and the Vale of Glamorgan Council are thrilled to report that two new populations of the Carrot Mining Bee have been discovered at Porthkerry and Cosmeston Lakes country parks. The discoveries were made by a local entomologist while conducting invertebrate surveys for the Local Nature Partnership. The Vale of Glamorgan is the only county in Wales to record sightings of this scarce bee species and the discovery demonstrates the importance of recent conservation and “rewilding” work undertaken to enhance and maintain biodiversity in both parks.

## 5.2.2 Areas for future focus & improvement

We recognise that the temporary halt to normal life and successive lockdowns is neither sustainable nor enough to stop climate change and we have a lot of work to do if we are to reduce our carbon emissions to net zero before the Welsh Government's target of 2030. We will need to make representations to the Welsh and UK Government's, to provide the necessary powers, resources, and technical support to local authorities in Wales to help us successfully meet the target. We will also need to continue to work with partners across the region to develop and implement best practice methods that can deliver carbon reductions and help limit global warming. We will continue to engage with stakeholders including Councillors, residents, young people, businesses and other relevant parties to explore ways to maximise local benefits of our planned response via Project Zero in other sectors such as employment, health, agriculture, transport and the economy.

Revise the Local Flood Risk Management Strategy in response to the updated National Flood and Coastal Erosion Risk Management Strategy, subject to guidance from Welsh Government. We also need to develop a Strategy to promote the use and retrofit of Sustainable Drainage Systems (SUD) including an assessment of the benefits of producing new supplementary planning guidance regarding the use of SUDs to mitigate flood risk.

Although we continue to exceed the statutory recycling target for 2020/21 of 70% set by Welsh Government, we need to reduce further the levels of contamination in working towards achieving zero waste. By 2025, we will need to have significantly reduced our waste and aim to manage any waste that is produced in a way that makes the most of our valuable resources. We will continue to engage with and support residents to make these changes as easily as possible.

Whilst there have been delays during the year in terms of producing our Waste Management Strategy, we have completed our Business Plan and the 10-year Waste Management Strategy 2022-2032 is due to be presented to Cabinet in March 2022 (quarter 4) for final approval.

During quarter 3, recruiting HGV drivers was an issue experienced across the country in a variety of services with many councils experiencing difficulties in meeting their weekly collections as a result of shortages in experienced staff. For

the Vale specifically, garden waste / Christmas trees collections were drastically affected due to this type of collection not being a statutory service, resulting in many Christmas trees not being recycled. These issues have caused us to look at new ways of ensuring service continuity for the future, for example we have recently created driver/loader posts to increase resilience within the service. Going forward, we will be working to upskill our existing loaders by training them to become LGV drivers and take on a dual role and are committed to upskilling 6 loaders in 2022 and a further six in 2023. Although, they will continue to work as loaders on a routine basis this will give us the flexibility to utilise resources when we are short of LGV drivers.

**Appendix 1:** Provides, by Well-being Objective, detailed information relating to the Service Plan actions which have contributed to Corporate Plan commitments outlined in our Annual Delivery Plan 2021/22

**Appendix 2:** Provides detailed performance indicator information linked to each Well-being Objective which show for our planned activities, how well we are performing. It must be noted that any annually reported performance indicators will be reported at end of year when data becomes available. In addition, new performance indicators that have been introduced in 2021 aligned to the new Corporate Plan will not have data available until end of year as this year will be used to establish baseline performance. A Not Available (N/A) status will be attributed to all such measures with commentary provided confirming this status. We will continue to develop our key measures within each Well-being Objective to ensure these most accurately reflect our Corporate Plan.

# WHAT HAVE WE ACHIEVED?

## Objective 1: Work with and for our communities:

- Average daily reach figures for our social media platform Twitter, show that we are successfully engaging residents across the Vale. We exceed our target of 9,000 impressions during the quarter with an average of 9,600 people seeing our tweets.
- Vale Connect subscribers increased further to 83,346
- Well-being Champions arranged and took part in a series of monthly Woodland Well-being sessions at Porthkerry Park, providing an opportunity for staff to get out in the fresh air, enjoy nature and lend a helping hand at our parks and gardens.
- Eich Lle / Your Space project is currently underway bringing together a strategy for office accommodation which will support staff and new ways of working (also links to WBO4)
- 88.44% of customer enquiries to C1V were resolved at first contact.
- 105% of ICT service desk calls/tickets were resolved within agreed timescales. An improvement on 95% in the same period last year.
- Our dedicated Veterans Advice Service continues to support service leavers and to work with veterans groups to promote the Councils commitments.

## Objective 3: Support people at home and in their community:

- We have continued to support the delivery of the mass testing and vaccination programme across the Vale particularly in our schools and care settings. Lateral Flow tests have been circulated to all frontline staff with encouragement to test twice weekly.
- The Cycle to Work scheme operated during Q3 was accessed by 54 staff.

## Objective 2: Support learning, employment and sustainable economic growth:

- The Money Advice team to continue to deal with a high case load, providing support and advice to residents in relation to financial pressures.
- The council's 'Vale Heroes' project team continue to introduce new initiatives to ensure customers can access the advice and information required to support customers with their Housing Needs.
- Enhancement work as well as all resurfacing along Penarth Esplanade have been successfully completed, making the most of a valued asset.

## Objective 4: Respect, enhance and enjoy our environment:

- The Project Zero Board discussed in detail the implementation of the [Climate Change Challenge Plan 2021-2030](#). A communications plan has been developed and the issues around resources and training have been explored as key areas that will underpin the work of the Board.
- We have identified 10 Salix projects which have been approved and due to be implemented over the next 18 months. These projects will save 63.5 tonnes CO2e/pa.

# PERFORMANCE SNAPSHOT:

## CORPORATE PERFORMANCE & RESOURCES SCRUTINY COMMITTEE

# AREAS FOR FUTURE FOCUS AND IMPROVEMENT

- Objective 1: Work with and for our communities:**
- Progress the redevelopment of the Council’s website.
  - Develop effective measures of accessibility and user experience for the council website and widely publicise these to web content managers.
  - Increase the number of adult Welsh learners.
  - It is anticipated that not all financial savings will be achieved this year, given ongoing service challenges.
  - Complete the C1V refurbishment project.
  - The number of working days per FTE employee, lost due to sickness absence has increased to 8.33 days from 6.12 last year at Q3. Reasons for this are currently being reviewed by the Senior Leadership Team.
  - Voluntary staff turnover has increased to 6.05% compared to 4.18% last year at Q3.
  - Progress work to develop and implement an Engagement Strategy to increase diversity within the Council's workforce, including the Council's Apprenticeship and KickStart Schemes.
  - Progress engagement work with children, young people and families(including those with protected characteristics) to help identify and inform service developments.

- Objective 3: Support people at home and in their community:**
- Undertake stakeholder engagement to inform a review of future service modelling in social care.

- Objective 2: Support learning, employment and sustainable economic growth:**
- We need to work collaboratively to encourage, support and increase volunteering opportunities which support council services and deliver a range of regeneration, rights of way and country parks projects.
  - We recognise that there is more work to do to tackle decarbonisation of school assets, improve air quality around our schools and raise awareness of young people in relation to the climate and nature emergencies.
  - Progress work to develop a new strategy for, and the platforms required to deliver, a new approach to supporting staff development and well-being.

- Objective 4: Respect, enhance and enjoy our environment:**
- Develop a Strategy to promote the use and retrofit of Sustainable Drainage Systems (SUD).
  - Revise the Local Flood Risk Management Strategy delayed pending guidance from Welsh Government.
  - Progress the next iteration of the Biodiversity Forward Plan in line with the recent nature emergency declaration.

# CORONAVIRUS RECOVERY UPDATE

- Council approved proposals for a Senior Leadership Team restructure as the basis for consultation to reflect learnings following the COVID-19 pandemic.
- Eich Lle / Your Space project formally launched to plan future office space to support staff and new ways of working. Work progressing well and provisional proposals in place for engagement across the organisation in the Spring 2022, alongside engagement work on working practices around time recording and hybrid working.
- Established and supported a flexible model of remote working which has improved efficiency, reduced travel thereby reducing our carbon footprint. This will be reviewed as we emerge from Alert Level 2 and return to Alert level 0 on 28 January 2022.
- Extended opening hours at Civic Offices Reception and have resumed no-appointment access in accordance with required restrictions. The moving to alert level 2 post-Christmas did impact on availability of staff and there was a need to reflect the WG working from home message in the latter part of quarter 3 and heading into quarter 4.
- Continued to work with the Cardiff & Vale Health Board to use Vale premises at the Colcot Sports Centre as a COVID-19 Testing Centre and the mass immunisation centre at Holm View and entered into Licence agreement with Department of H&SC to open a temporary COVID-19 test site in Llantwit Major. For a period prior to Christmas, the Council worked with the Health Board to provide access to the Town Hall car park in Cowbridge for a 'booster bus' enabling vaccinations to be delivered from this location. In addition, continued to participate and feed into discussions across the South Wales Local Resilience Forum to formulate a response to COVID-19 and to mitigate risks under the Civil Contingency legislation, as well as partnership working across all public services across Cardiff and Vale. Examples also include partnership around TTP and the JET (Joint Enforcement teams).
- Working collaboratively to develop a new strategy for, and the platforms required to deliver, a new approach to supporting colleagues' development and well-being.
- Progressed the Reshaping programme of transformational change to pursue recovery strategy priorities. Alongside this, work to develop and engage on the Annual Delivery Plan for 2022/23 was undertaken, reflecting and embedding the Council's strategic priorities for recovery from the pandemic and the new challenges identified as a result.

# WHAT HAVE WE ACHIEVED?

## Objective 1: Work with and for our communities:

- Installing PV (solar) panels at Cowbridge Leisure Centre, one of a number of initiatives within Leisure Centres aimed at reducing energy use, contributing to the climate change agenda and achieving further savings.
- Secured over £1million as part of the UK government Community Renewal fund and working with partners to deliver projects by the summer.
- Further developed Evolutive to facilitate local business support and economic development. Currently 662 businesses across all sectors have signed up and receive fortnightly newsletters highlighting opportunities.
- Work continues with volunteers on a range of projects including tree planting in our Country Parks, with Staff have contributing to this as part of corporate well-being initiatives.

## Objective 3: Support people at home and in their community:

- Continued to support residents experiencing food insecurity whilst reducing food waste through schemes across the Vale such as The Penarth Food Pod, Llantwit CF61 Food Share and the Big Bwcs Bwyd in Barry.
- Another 5 schools have signed up to the Walk Once a Week (WOW) project aimed at reducing congestion and increasing active travel.
- Successfully secured over £800,000 for our active travel initiatives which will be used for a new toucan crossing near the Walston Castle in Wenvoe, installing dropped kerbs, new seating and murals.
- Funding secured to operate the Greenlinks service up to March 2023.

## Objective 2: Support learning, employment and sustainable economic growth:

- The Council has identified and approved 10 Salix decarbonisation projects due to be implemented over the next 18 months. These projects will save 63.5 tonnes CO<sub>2</sub>e/pa.
- Trialling Fuel Stretcher in 2 Primary Schools to optimise heating and reduce energy consumption.
- Working with The Carbon Trust to on plans to retrofit 3 Primary Schools to achieve net-zero (operational) carbon.
- 7500+ visitors attended the Cosmeston Halloween event, helping promote the site as a family destination.
- Several small town centre events such as Santa's Post Box in Barry and Cowbridge were held over the Christmas period which increased footfall in our town centres.
- Appointed consultants to help shape the Councils vision for growth for Barry and develop a bid for the UK levelling up and Shared Prosperity Funds.

## Objective 4: Respect, enhance and enjoy our environment:

- Completed the main road LED Street Lighting Replacement programme with the use of SALIX finance.
- Trialling 2 electric refuse vehicles with a view to developing a more environmentally sustainable fleet.
- Awarded 10 Green Flag awards for our parks and open spaces. Blue flags were also awarded for Penarth Marina and Southerndown with seaside awards for Barry Island, Jacksons Bay and Cold Knap.
- Cleared 74 incidents of fly tipping in 81 days, an average response time of 1.09 days against a target 2 of days.
- We remain on track to achieve the national recycling rate target (2024/25) of 70%.

# PERFORMANCE SNAPSHOT:

# AREAS FOR FUTURE FOCUS AND IMPROVEMENT

## Objective 1: Work with and for our communities:

- As we move towards recovery and more of our operations begin to restart, we will need to safely manage the return of staff (unable to undertake their duties at home) back to the workplace.
- Continue to support the review of building/street names and monuments.
- Progress work to secure a replacement programme for Creative Rural Communities and to develop an external funding, community development and innovation team to support community based regeneration.

## Objective 3: Support people at home and in their community:

- Deliver a Travel training programme to help support the independence of young people with disabilities, increasing use of active travel options including public transport and reducing the long-term financial costs to statutory services.
- Review the Disabled facilities grants system to better integrate with both housing and social services to deliver a better service to the community.

## Objective 2: Support learning, employment and sustainable economic growth:

- We recognise that there is more work to do to tackle decarbonisation of school assets, improve air quality around our schools and raise awareness of young people in relation to the climate and nature emergencies.
- Work with partners including the Cardiff Capital Region, Welsh Government and landowners to further develop new and existing sustainable transport provision including cycle, bus and rail links.
- Working with Consultants to develop a Masterplan for Barry focusing on key areas such as the town centre, the waterfront (and links between the two) as well as priority commercial areas for investment.

## Objective 4: Respect, enhance and enjoy our environment:

- Develop a Strategy to promote the use and retrofit of Sustainable Drainage Systems (SUD).
- Revise the Local Flood Risk Management Strategy delayed pending guidance from Welsh Government.
- Progress work to develop a more environmentally sustainable fleet including the use of hybrid, alternatively fuelled and electric vehicles.
- Progress work to deliver near zero carbon, or at a minimum A rated new Council homes and utilise Optimised Retrofit Programmes that include Modern Methods of Construction and off-site manufacturing to meet carbon reduction targets.
- Developing a Green Infrastructure Strategy for consultation in summer 2022.

# CORONAVIRUS RECOVERY UPDATE

- This quarter there has been an introduction of Lateral Flow Testing before starting work/shifts which is helping prevent the potential spread of Covid-19 amongst our office staff and workforce.
- Staff continue to organise PPE and control measures in the workplace and most collection crews are operating with 3 in a cab but with the use of face coverings.
- Recycling receptacles are no longer delivered directly to residents and we have reverted back to having collection points at Libraries for self-collection.
- Recycling rates remain positive despite the pandemic and the first 3 quarters of 2021/22 indicate that the 70% (2025 statutory target) is being maintained.
- Following approval of planning application, the Reuse Shop has been delivered and positioned on site. There will be approximately 3 months of civil works for connecting utilities and constructing the car park before the shop can be opened to the public.
- Construction on the Resource Recovery Facility commenced in July. The Pandemic has impacted on the construction timetable specifically the availability of materials and the site has an operational date of approximately September 2022.
- School transport has continued during Q3 with risk assessments updated and new measures implemented where required. However, we are facing challenges due to a lack of available transport providers with some services being 'double run' (one vehicle taking two journeys) resulting in pupils arriving to school late and leaving early. In addition, operators are requesting price uplifts due to increased fuel and staff costs and reduction in revenue due to the pandemic.
- The Council's cleaning service continues to provide viricidal cleaning services to all the Council's buildings and Schools which subscribe to the service. Bio-misting is also provided to buildings and areas where outbreaks are reported.
- We have worked collaboratively with local businesses to ensure they can trade in a COVID-19 safe environment and are adhering to the WG regulations. Enforcement presence in place to monitor non-compliance.
- Pedestrian safety control has now been removed given Wales is now at alert level zero and public expected to take more personal ownership.
- Further rounds of discretionary Economic Resilience Fund (ERF) funding have been in operation, targeting specific business sectors that have seen a fall in turnover.
- Funding has been secured to operate the Greenlinks service up to March 2023. Greenlinks is operating its usual services with necessary risk assessment in place depending on the Welsh Government alert level.

# CORONAVIRUS RECOVERY UPDATE

- Highway works have continued throughout the lockdowns as have active travel and public transport schemes. This has included design preparation and site works relating to Penarth Esplanade, Llantwit Major, St Brides Major, Ogmore by Sea and carparks (new machines and improvements), new bus timetable information, additional cycling facilities, resurfacing and surface remedial works.
- A series of Town Centre events took place across the Vale with a view to driving footfall and spend in each town. These events were funded via Welsh Government and the Council's corporate events budget.
- Community centres and leisure centres remain fully open, with safeguards in place.
- The Council's Dock Offices reopened to the public in October enabling face-to-face advice sessions relating to planning and building control matters, complementing the current support provided digitally and at the telephone.
- Regeneration and finance teams prepared for the administration of the December restrictions emergency business funding on behalf of Welsh Government.
- The Fleet/Garage department continues to run as it has done during the pandemic. However, delays in vehicle deliveries and parts are occurring. At present it is not clear if this is due to the pandemic or Brexit.
- The Council is working with Consultants to Develop a Growth Plan for Barry which will include spatial and economic plans. The focus will be on the recovery of Town Centres as we emerge from the Pandemic and the creation of quality jobs. Much of this work aligns closely to the UK government Levelling Up agenda and The Welsh Government's approach to Transforming Towns.

# WHAT HAVE WE ACHIEVED?

## Objective 1: Work with and for our communities

- Digital platforms are now central to our operating model, complementing face-to-face interactions with children, young people and families, and engagement remains positive.
- We have fulfilled our pledge to rehouse Syrian families via the UKRS scheme and are working with partners to ensure a comprehensive package of support is in place for new arrivals.
- Continued to deliver initiatives to get tenants online such as tablet loan schemes and digital training.
- Work continues to progress on the Llantwit Major food poverty pilot project with phase 1 now complete.

## Objective 2: Support learning, employment and sustainable economic growth

- During Q3, 175% of young people were engaged (against target) through the Inspire to Work scheme aimed at supporting young people aged 16-24 who are not in education, employment or training.
- Continued to support those experiencing barriers to employment and training opportunities through our Communities for Work (C4W) schemes. Despite increased referrals, we have successfully engaged 106% of C4W people against target and 183% of C4W+ people against target.

## Objective 3: Support People at home and in their community

- We continue to support victims of domestic abuse; during Q3, 100% of victims reported feeling safer after we introduced additional safety measures in their homes.
- Work has progressed on the delivery of 23 new homes at Hayes Road, Barry with handover expected March 2022. Planning for 14 new over 55's Council apartments in Penarth has progressed with a site start date of March 2022. Planning permission was also obtained for 53 new Council homes at Hayeswood Road, Barry and further permission obtained for 12 new apartments in Colcot.
- An investigation by SRS led to a successful prosecution in which the perpetrator was fined £1,400 and told to pay costs of £10,600 in compensation to the victim after his actions affected the sale price of a mobile caravan at a St. Athans Caravan Park.

## Objective 4: Respect, enhance and enjoy our environment

- Delivery of the Optimised Retrofit Project is enabling properties with low performing heating systems to be upgraded and improved for energy performance, also helping to reduce fuel poverty.
- We have continued to support residents experiencing food insecurity whilst reducing food waste through schemes across the Vale such as The Penarth Food Pod, Llantwit CF61 Food Share and the Big Bwcs Bwyd in Barry.
- Environmental schemes continue with completion of the Fair Oaks parking scheme during quarter 3. We are now consulting with residents at Buttrills, Barry ahead of the next phase of environmental improvements.

# AREAS FOR FUTURE FOCUS AND IMPROVEMENT

## Objective 1: Work with and for our communities

- Continue to develop a recruitment strategy together with retention initiatives to address skill gaps within the Shared Regulatory Service.
- Explore and enhance opportunities for how we involve, engage and communicate with children, young people and families that use our service (including those with protected characteristics).
- Progress engagement work with children, young people and families (including those with protected characteristics) to help identify and inform service developments.

## Objective 2: Support learning, employment and sustainable economic growth

- Britain exiting the European Union in January 2020, continues to present challenges in funding for a number of initiatives such as Families First, Inspire to Achieve and Inspire to Work.
- Increase performance in relation to the percentage of young people engaged via the Inspire to Achieve scheme.

## Objective 3: Support people at home and in their community

- Progress has slipped in relation to the implementation of the Older Person Accommodation with Care, Care Ready and Support Strategy to meet the needs of older people. This action is likely to carry forward in 2022/23.
- There were no new accessible/adapted homes delivered in Q3 due to delays with sites coming forward.
- The percentage of households successfully prevented from becoming homeless. (42.59% against a target of 70%)

## Objective 4: Respect, enhance and enjoy our environment

- Deliver near zero carbon, or at a minimum A rated new Council homes and utilise Optimised Retrofit Programmes that include Modern Methods of Construction and off-site manufacturing to meet carbon reduction targets. Work delayed until March 2022.

# CORONAVIRUS RECOVERY UPDATE

- Bed and breakfast accommodation continues to be provided for homeless persons in accordance with Welsh Government's Covid-19 Homelessness Plan. 126 hotel rooms are now block booked until 31st March 2022, 106 currently occupied but this changes daily. All clients placed in hotels are allocated key support workers and have access to twice weekly face to face support sessions at the hotel from Pobl. So far, over 729 people have been provided with bed and breakfast accommodation since March 2020.
- Two successful bids were made for capital and revenue funding to develop 11 units of modular housing on the Court Road amenity site as self-contained temporary accommodation for homeless clients to move on from bed and breakfast rooms in hotels. The scheme was handed over on 2nd August 2021, with all units furnished and occupied the same week. A second scheme is being developed to create a complex need supported accommodation scheme for the most vulnerable clients in bed and breakfast (to move into until they acquire the skills for independent living).
- Alternative options are being explored to expand the supply of temporary accommodation including a former garage site in Colcot, Barry and also a former Bed and Breakfast hotel on Port Road East, Barry.
- Work with tenants to provide advice and support is ongoing, enabling them to better manage their finances and the early effects of Universal Credit.
- During quarter 3, the Community Safety Team worked through 416 incidents of ASB across Cardiff and the Vale. This is a reduction from 1063 in the same quarter last year demonstrating a significant reduction from the breaches of COVID taking place in the previous year. 64/416 cases during quarter 3 year were classed as environmental ASB, 264/416 were classed as nuisance ASB and 88/416 were classed as personal ASB.
- Our mobile CCTV cameras have proved to be a valuable asset in reducing ASB in hot spot areas, or where ASB has continued it has assisted officers to identify those responsible.
- The Council's cleaning service has resumed normal cleaning operations in all contracted sites and continues to provide a proactive response to areas where known contamination outbreaks or concerns have been identified, Bio-misting is also provided to buildings and areas where outbreaks are reported.
- SRS continue to lead on the Track, Trace, Protect project for all three Authorities.

# CORONAVIRUS RECOVERY UPDATE

- Responsive Repairs are now providing a full service to all Council Public buildings and housing stock although a significant increase in demand for service has been observed in recent months which has increased workloads.
- The Council's improvement programme has focused on energy efficiency measures and external works to ensure our homes remain wind, water-tight and warm.
- A Tenant profiling exercise has commenced so that services can be better targeted to meet the needs of each individual tenant particularly those adversely affected during the pandemic.
- The Accommodation Solutions Service continues to work in partnership with Health and Social Services colleagues to minimise bed blocking and reduce the need for hospitalisation. They have resumed a limited face to face service within the hospital settings.
- Arrangements have been suitably risk assessed to ensure duties are carried out safely in accordance with Children and Young People Services COVID-19 risk management arrangements and Government guidance. Children, young people and their families continue to be supported in person and virtually in accordance with their needs. Following the award of additional funding from Welsh Government, several new projects have been implemented within the Families First service to address gaps in provision and reduce pressure on existing services. Projects include; an additional mentoring service for children; a project to support children who have experienced domestic abuse; a family support project focussed on those experiencing domestic abuse and the delivery of a course focussed on families receiving late diagnoses of ASD. These projects, together with staff increases in our parenting and youth wellbeing teams will directly impact on current waiting lists, allowing us to engage with and support more people in the Vale of Glamorgan.

# WHAT HAVE WE ACHIEVED?

## Objective 1: Work with and for our communities:

- Maximising use of digital platforms to complement our face-to-face interactions with children, young people, adults and their families, and engagement remains positive.
- Maintaining the resources and information available via Dewis, which continues to support our residents well-being.
- Investigated further opportunities to improve provision and access to care and support via digital means, in particular Telecare, enabling the service to grow and take advantage of the changing technology.
- Funding secured and preparatory work completed in readiness for the implementation of digital medication within our residential care homes, commencing with a pilot in Ty Dyfan in February 2022.
- Our flexible remote working models to support safe and secure home working have improved efficiency and reduced travel thereby reducing our carbon footprint. (This also contributes to Well-being Objective 4, to respect, enhance and enjoy our environment.)
- Continued to support children looked after and those leaving care, where EUSS scheme application is applicable, funding has been applied for and applications are currently being processed.
- Continued to undertake a review of our assets to enable Adult Services to respond to our changing accommodation requirements in order to meet future service needs.

## Objective 3: Support people at home and in their community:

- Supported the delivery of the mass testing and vaccination programme, majority of staff have received both vaccinations along with Lateral Flow Devices circulated to all frontline staff with encouragement to test twice weekly.
- During Q3 SRS colleagues followed up 833 cases of COVID-19 in the care sector in the Cardiff and Vale Healthboard area to identify any work-related close contacts and ensure infection prevention and control measures were being correctly and robustly implemented.
- Exceeded our target of 40%, with 49.09% of NERS clients completing the exercise programme, improving their wellbeing.
- The Cycle to Work Scheme ran during Q3 and was accessed by 54 of our staff, contributing to employee well-being and the Move More, Eat Well Plan.
- The WOW (Walk once a week to school) project has seen an additional 5 schools sign up increasing participation in line with our active travel agenda. Schemes continue to be developed to improve walking, cycling and public transport infrastructure.
- Positive progress has been made in partnership with the Health Board and VOG Customer Services to develop a sustainable and integrated model for a single point of access to Well-being Matters Services.
- Continuing to work in partnership to safeguard the vulnerable to ensure that children are protected from harmful substances and products. During Qtr 3 the service received 20 Intelligence reports regarding underage sales which resulted in 15 interventions being carried out where the businesses concerned received advice relating to underage sales and warned about future conduct.

# AREAS FOR FUTURE FOCUS AND IMPROVEMENT

## Objective 1: Work with and for our communities:

- Support work with our partners to achieve Age Friendly status for the Vale.
- Progress the review of adult services involving service users to enable us to meet our changing accommodation requirements.
- Further enhance our website to enable greater customer integration including electronic referrals, intelligence information sharing, self-assessments for Telecare, minor adaptations/OT equipment and real-time access to service user records.
- Undertake stakeholder engagement to inform a review of future service modelling.
- Explore the use of technology to support payment for certain services, issue with WCCIS has not enabled this to progress.
- Explore and enhance opportunities for how we involve, engage and communicate with all children, young people and families that use our service (including those with protected characteristics).
- Review our 'letters of understanding' in line with the corporate approach to volunteering.

## Objective 3: Support People at home and in their community:

- Develop new models of joint working with the Health Board with a particular focus on sustainable integrated services.
- Improve the number of new accessible/adapted homes delivered.
- Improve performance in relation to assessments completed for children within statutory timescales and similarly, and for adult care plans reviewed within statutory timescales.
- Challenges in recruiting and retaining social workers in key areas is impacting our capacity to meet higher levels of demand.
- Continue work to bring together all aspects of leisure and physical activity under the umbrella of the Vale Leisure Strategy, using this as a vehicle to maximise opportunities and our resources to increase physical activity and participation rates across the Vale.
- Implement a succession and growth plan to increase resilience of our Approved Mental Health Practitioner Service, which remains fragile.
- Continue to encourage healthy lifestyles by delivering the actions set out within the Communicable Disease and Health Service Plan, Health and Safety Enforcement Service Plan and Food and Feed Law Service Plan.
- Implement the Older Person Accommodation with Care, Care Ready and Support Strategy to meet the needs of older people.

# CORONAVIRUS RECOVERY UPDATE

- Remodelled the delivery of services in response to the additional restrictions implemented as a result of the Omicron variant, including increased home working and changes to residential care visiting arrangements.
- Maintained blended approaches to service delivery to continue to support service users and their families.
- Maintained the membership of the cross Directorate Vulnerable Children Tactical Group, should we need to regroup.
- Identified additional resourcing requirements in Children and Young People Services and progressed recruitment workstreams.
- Maintained arrangements to support the receipt of contacts into Children and Young People Services, which remain consistently higher than pre Covid levels, and associated decision making.
- Continued dynamic risk assessments to support face to face service delivery, and assessments.
- Continued to support the well-being of our workforce through promotion of the importance of self-care and promoted well-being activities.
- Supported and completed the booster vaccination of frontline social care staff.
- Supported the required changes to financial support to the care sector.
- Maintained a reablement model of care to support step up/step down and supported the wider domiciliary care pressures by absorbing some capacity from the care market using VCRS as an interim measure to deliver care to those most in need.
- Dynamic risk assessment process continues to remain in place to manage allocation of domiciliary packages.
- Recruitment drive for the social care sector and the commencement of a Fast Track to Care process to encourage people to move into the social care market.
- Utilised Recovery monies to increase social work capacity in Adults Services and aligned them to pressure points to support discharges from hospital and in meeting the complexity of demand at our single point of access/Intake and Assessment.
- Passported money to the third sector to continue to strengthen community groups to assist us with our recovery and preventative services.

# CORONAVIRUS RECOVERY UPDATE

- Utilised Recovery monies to increase resilience and capacity with the domiciliary and residential care sector. To enable the retention of highly skilled staff to continue to meet the care and support needs of individuals.
- Responded to the increasing demands for the placement of children looked after, maximising available in-house and external resources, alongside the use of creative accommodation solutions, completing risk assessments as required.
- Increased resources available to service users and professionals on Dewis.
- Reinstated all day services to individuals, ensuring compliance offering reduced numbers of attendees and ensuring consistency of care to minimise risk of transmission.
- Produced Active Travel plans to encourage and support sustainable changes to children, young people and adults travel patterns as part of the response to our Climate Change Emergency declaration.
- Continued flexible remote working models to support safe and secure home working which have improved efficiency, reduced travel thereby reducing our carbon footprint.
- Implemented the Social Services Reshaping transformation programme to support the service to make changes as a result of the ongoing impact of the pandemic and other external factors.

# WHAT HAVE WE ACHIEVED?

## Objective 1: Work with and for our communities:

- Continue to deliver ICT infrastructure improvements in schools with 81 large format/front of classroom displays installed, with a further 16 to be installed.
- Provided local youth services for young people aged 11-25 to support their well-being, reintroducing indoor and face to face provisions alongside online opportunities to enhance access. The Youth service retained its Bronze Quality award in recognition of its quality provision.
- Our outreach provision has supported inclusion in all education settings ensuring that learning experiences meet pupil needs and support their well-being.
- Continued to work with schools to ensure that pupils are happy, safe and free from discrimination. During Quarter 2, ESTYN published '[We don't tell our teachers](#)' report on peer-on-peer sexual harassment and we are working with schools to take forward the recommendations.

## Objective 3: Support People at home and in their community:

- Delivered the Winter of Well-being programme, providing activities for those most affected by COVID to improve well-being.
- Promoted our libraries as community and well-being hubs. Increased the diversity of leisure, art and cultural learning opportunities available including digital opportunities. 390 activities ran with 3596 attendees.
- Provided pupils with a choice of healthy balanced meals and promoted the Move More Eat Well Plan via the Health Schools Team through initiatives e.g. 'Eat them to defeat them' campaign.
- Involved our residents and other key stakeholders in identifying best options to deliver a sustainable Arts Service for the Vale.
- Supported arts and culture through hundreds of events to increase participation. The work to bring the Penarth pavilion back into use is a good example of success to date.

## Objective 2: Support learning, employment and sustainable economic growth:

- Continue to deliver 21st Century Schools Programme improvements- Pencoedre High School new build will open in January 2022, South Point Primary new build is on track for school start date in February 2022, Ysgol Sant Baruc planned construction to start on 24<sup>th</sup> January 2022.
- Significant As part of the digitisation project, Library volunteers have passed 3,000 digitised and catalogued photographs providing good presence on the website.
- 3 new Childcare Offer units are completed, Gladstone Bach, Vale Play based at Llanfair Primary school and Meithrin based at Ysgol Dewi Sant are due to open to Childcare Offer children shortly.
- The enhanced school and community based counselling service continues to provide a vital service, having secured 3 primary school therapists and an additional 2 Play therapists.

## Objective 4: Respect, enhance and enjoy our environment:

- Good progress in developing school projects with low or net zero carbon in-use as part of the 21st Century school's programme.
- Walk Once a Week (WOW) project continues to thrive with a further 5 schools signing up with the intention of reducing congestion and increase walking rates / active travel.
- Low and net zero carbon projects as part of the School Investment and the 21st Century Schools Programme remain on track, K2N data continues to be returned for operational school building, Whitmore High School data shows the building is meeting its hot water usage target.
- Increased school ecology resources to support schools with enhancing outdoor areas for nature and play as part of supporting development of a Green Infrastructure Strategy.

| NON-COVID Related reasons    | 1/4 (25%)  |

# AREAS FOR FUTURE FOCUS AND IMPROVEMENT

## Objective 1: Work with and for our communities:

- Whilst there has been an increase in the number of adult Welsh learners, COVID-19 has significantly contributed to the reduction in numbers in regards to face to face learning.
- Progress work to develop and implement a regional approach to increase ALN provision to Welsh medium schools.
- Ensure we meet the needs of our digitally excluded pupils as we progress with the new school attendance arrangements.
- Engage more with children, young people and their families and our partners to meet their needs for specialist services and placements.
- Progress work in partnership with the PSB to achieve Age Friendly status for the Vale.

## Objective 3: Support people at home and in their community:

- Increase diversity and opportunities for community participation in leisure, art and cultural learning online.
- Respond to the outcome of the consultation on the Council's Arts Strategy.
- Build on the cohesive approach taken in supporting our vulnerable children and families e.g. via the Vulnerable Children Tactical Group, Engagement, and the Attendance Well-being & Engagement Teams.
- Proactively active promote travel options to improve children and young people's well-being (including those with disabilities) and help build independence.
- Ongoing issues with supply chains have caused delays in shipping devices ordered with Hwb funding.

## Objective 2: Support learning, employment and sustainable economic growth:

- Ensure appropriate provision to meet the bespoke needs of increasing numbers of children and young people presenting with acute anxiety and other social, emotional and mental health needs.
- Continue to work in partnership to ensure that all children and young people re-engage and catch-up on learning lost during the lockdowns to ensure they are not further disadvantaged.
- Work via the AWE and EWS teams to reduce further the number of pupils with low attendance.
- Work in partnership to ensure positive education destinations. Number of NEET young people at the end of Year 13 during Q3 is 2.3% against our target of 1.50%
- Whilst we are on track with our programme of school improvements, programmes are continuing to be affected by supply chain issues and availability of materials as a result of COVID-19 and Brexit.

## Objective 4: Respect, enhance and enjoy our environment:

- Progress work to implement active travel plans and improve air quality around schools.
- Maximise the contribution made through the education estate as part of the development of a Green Infrastructure Strategy.
- Progress work via the SIOB Decarbonisation Sub-Group to respond effectively to the Council's climate emergency.
- Increase the number of visits (digitally/online) to public libraries during the year. At Q3 the number of visits to the libraries during the year per 1,000 population is 666.8, well below the of 1560.

# CORONAVIRUS RECOVERY UPDATE

- A successful bid for WG grant funding was awarded to a cluster of the most deprived Barry schools to provide additional educational and wellbeing sessions for children outside of the usual school day.
- Grants continue to be available to support the on-going challenges faced by childcare settings. To date 16 settings have received a COVID-19 recovery grant and 52 childcare settings have received funding to replace worn/broken toys & play equipment.
- All 3 new Childcare Offer (CCO) units are completed. Gladstone Bach is currently out for Tender – closing 12 January 2022, Vale Play based on Llanfair Primary school is due to open to Childcare Offer children in January 2022 and Meithrin based on Ysgol Dewi Sant is due to open January 2022.
- To date, 25 CCO COVID capital grant applications have been received. 16 grants have been agreed, 9 are currently waiting to be discussed at a panel meeting in January 2022. To date, 30 ICT equipment grant applications have been received and 29 applications have been successful.
- Produced Active Travel plans to encourage and support sustainable changes to children, young people and adults travel patterns as part of the response to our Climate Change Emergency declaration.
- The number of Vale of Glamorgan young people not in education, employment or training (NEET) is at a record low. Contributory factors have been the success of the ESF Inspire to Achieve (I2A) and Inspire to Work (I2W) programmes and effective partnership arrangements, particularly with Careers Wales.
- Regional work through the Local Authority (LAs) Cluster Employment and Skills group was successful in securing the largest Community Renewal Fund Grant in Wales (CELT – Connect, Listen & Transform). This CELT work has started in the Vale with over 50 partnership organisations contacted and 10 people about to sign up to the programme. Regional workshops have also taken place to explore other key themes for development within a future Shared Prosperity Fund bid (SPF guidance is due in the next few months).

# CORONAVIRUS RECOVERY UPDATE

- A bespoke Dedicated Safeguarding Governor training package has been devised jointly between Cardiff and Vale Education teams and will be rolled out to all Dedicated Safeguarding Governors (DSG) during Spring 2022.
- The school and community based counselling service continues to provide a vital service and grant funding has been utilised to enhance the service. We have secured 3 primary school therapists and commissioned 2 more Play therapists. The pre-counselling support project Bounce Back has been commissioned to run across two secondary schools during the spring term.
- Bespoke Engagement Service INSET, and micro training are helping to reinforce and embed Trauma and Mental Health Informed (TMH-I) practice and further develop staff knowledge and confidence in relation to individual schools' pupil population. 30 specialist staff will undertake Trauma Informed School Reflective Practice Supervision training in March 2022. This will build capacity for Reflective Supervision and Group Mentoring to support the wellbeing of education staff and build their skills in supporting others linked to the key TMH-I models.

| PB/A002: Commence the redevelopment of the Council's website.  | 50%        | ↑                   | A new Web Editor is now in post and a comprehensive review of the Council's website is currently underway   | Non-Covid Related   |
| PB/A003: Develop effective measures of accessibility and user experience for the council website and make these available to all those with a responsibility for developing and producing content for the website. | 50%        | ↑                   | A new Web Editor is now in post and a comprehensive review of the Council's website, including how its performance is monitored and evaluated, is currently underway  | Non-Covid Related   |
| PB/A005: Complete the C1V refurbishment project.   | 30%        | ↔                   | A structural survey of the roof identified that it was not strong enough to support the plant and machinery needed to implement the original design of air cooling solution. A new solution has had to be designed. In addition, as a result of the Covid Pandemic there is an anticipated increase in resource and materials costs has required a review of the project budget. These matters remain unresolved.   | Covid Related       |
| AS/A001: Undertake stakeholder engagement to inform a review of future service modelling.  | 50%        | ↑                   | A model of strength-based and outcome focused assessment and care management is being developed utilising existing best practice from around the UK and adapting to inform Adult Services in the Vale of Glamorgan. It is clear that Adult Services practitioners already work in a manner that respects and strengths of individuals and seek to help people to achieve their personal outcomes. the next stage of this work is to undertake stakeholder engagement exercise to fine tune the service modelling. | Non-Covid Related   |
| CS/A002: Explore and enhance opportunities for how we involve, engage and communicate with all children, young people and families that use our service (including those with protected characteristics).          | 50%        | ↔                   | This is still on hold as further restrictions have been imposed in recent weeks. However, the CLA manager is now in post so consideration to this action will be prioritised to see if any progress can be made at this time.   | Covid Related       |
| FS/A006: Migrate the Service's Oracle financial systems into Oracle Cloud to maximise application capacity and reduce software/ infrastructure maintenance costs.  | 50%        | ↔                   | The financial modules are due to go live in April 2022  | Non-Covid Related   |
| RMS/A004: Explore the use of technology to support payment for certain services. (e.g. WCCIS Financial Module development)   | 50%        | ↔                   | Agreement has been given that this action will not be completed until next financial year due to the performance issues of WCCIS following the upgrade.   | Non-Covid Related   |

| PB/A016: Support the review of building/ street names and monuments.  | 40%        | ↔                   | The review panel has met once during the quarter. However, work to refocus this activity will be undertaken in the final quarter of the year.   | Non-Covid Related   |
| HR/A004: Develop an Engagement Strategy to increase diversity within the Council's workforce, including the Council's Apprenticeship and KickStart Schemes.                   | 50%        | ↑                   | Further work has been undertaken during Q3 to review the application process for some of the hard to fill roles, to enable applicants to complete forms more effectively.<br><br>Work will also be undertaken as per the annual reporting cycle to produce data on staffing equalities information as part of our Public Sector Equality Duty, and this will be reported during Q4.<br><br>Further work will also commence in Q4 to improve further online access and advertising of jobs which will help support the 16-24 age population."  | Non-Covid Related   |
| CS/A005: Progress engagement work with children, young people and families (including those with protected characteristics) to help identify and inform service developments. | 50%        | ↔                   | This is still on hold as further restrictions have been imposed in recent weeks. However, the CLA manager is now in post so consideration to this action will be prioritised to see if any progress can be made at this time in conjunction with 15 plus team   | Covid Related       |
| RMS/A003: Review our 'letters of understanding' in line with the corporate approach to volunteering.  | 50%        | ↔                   | All letters of understanding are currently being reviewed to contribute to the corporate volunteering.  | Non-Covid Related   |
| PB/A018: Work with GVS and other partners to build a legacy for Vale Heroes.  | 60%        | ↔                   | Discussions have take place with officers across the Council and with GVS to identify the best approach to establishing sustainable partnership working with the third sector. It is proposed that extensive and internal engagement is undertaken to shape this work identifying strengths and areas for further development. Its recognised that the relationship is complex and diverse but that it is important that strong and consistent arrangements are in place providing a framework for grants, commissioning, engagement and partnership working. A report will be presented the Scrutiny and VSJLC in response top the Audit Wales report. | Non-Covid Related   |
| SRS/A003: Continue to develop a recruitment strategy together with retention initiatives to address skill gaps within the Shared Regulatory Service.                          | 50%        | ↔                   | This piece of work has not progressed in the manner envisaged. SRS has a series of initiatives in place such as match funded training, professional subscriptions, The additional work generated by the Coronavirus regulations has drawn students into the SRS, but few are entering the Food and TS disciplines where shortages are most acute. Consequently, consideration may need to be given to other financial measures, market supplements if the current skills shortage persists.   | Covid Related       |

| ALN/A005: Develop and implement a regional approach to increase ALN provision available to Welsh medium schools to ensure sufficiency of provision. | 50%        | ↔                   | The review has been delayed due to the officer needing to prioritise work relating to wellbeing. The review will now begin in January 2022. | Covid Related       |

| Performance Indicator  | Q3 2020/21 | Q3 2021/22 | Q3 Target 2021/22 | Direction of Travel | Commentary   | Reason for Slippage |
|--|------------|------------|-------------------|---------------------|--|---------------------|
| CPM/023 (CPM/167c)<br>Percentage of Young people leaving year 13 who are not in education, employment or training. | 3.78%      | 2.3%       | 1.50%             | ↓                   | Although the figure is above our target, the % of Year 13 leavers who were NEET is lower than previous year 3.11%. Seven young people were classed as not ready to enter EET beyond their control, due to illness, or custodial sentence etc.  | Non-Covid Related   |
| CPM/028 (CPM/181)<br>Number of adult Welsh learners.   | N/A        | 387        | 437               | N/A                 | Engagement of learners is low right across Wales and the driver for reduction in numbers is due to the impact of COVID on face-to-face learning. A series of taster events and engagement activities are planned for this quarter to further encourage learner engagement.   | COVID Related       |
| CPM/128:<br>Percentage of I2A young people engaged against target.   | 27         | 16.6       | 28                | ↓                   | This quarter we have done lots of work with schools on new EIT and identifying those most at risk and those needing the support, alongside this we have also continued working with many young people who we haven't seen over past year due to COVID so its been about reintroducing and reforming those positive working relationships. Alongside this we have also supported the destination data and door knocking so this has had knock on effect, although we have only hit a small percentage the current overall figure is at 97% on overall targeted so doing well. | COVID Related       |

|  |    |       |      |   |  |               |
|--|----|-------|------|---|--|---------------|
| CPM/102:<br>Number of visits to public libraries during the year per 1,000 population. | 58 | 666.8 | 1560 | ↑ | <p>There has been a further rise in library visitors over previous months, the last quarter totalling 44,440 visitors which almost equals the total number of visitors in the previous 2 quarters. The figures were helped by a growth in the number of activities libraries could continue with after the summer months, and by a small return in groups meeting at the library. Confidence also continued to grow by individual library users and by PC users. There was a lull in use in the lead up to Christmas 2021 however due to fears about the Omicron variant. December is usually a quieter time in libraries but Penarth managed to buck the trend by having far more visitors in December than in October and November. This may be partly a statistical correction since they've had a new people counter installed but it is also a factor of the newly refurbished library continuing to attract old and new visitors with their newly refurbished ground floor, range of activities. and very good social media presence on Facebook, Twitter and Instagram.</p> | COVID Related |

|---|-------------------------------|------------|--|--------------------------------------|-----------------------------|-----------------------------------|
| learning and that the specific needs of vulnerable learners are addressed, using the WG's Accelerated Learning Programme grant to target those cohorts of pupils identified as most at risk.  |                               |            | <p>supporting pupils' skills, particularly literacy skills. Improvement Partners continue to work alongside school leaders to monitor the progress and impact of priorities; however, a few planned monitoring activities did not happen in the autumn term due to Covid. Progress of priorities will be reported as planned at the end of January, April and July.</p> <ul style="list-style-type: none"> <li>• PDG spending plans for nearly all schools approved; work continuing in relation to monitoring the impact grant (to be undertaken by end of March 2021).</li> <li>• Appropriate use by schools of the Accelerated Learning Programme grant; strong focus on developing pupils' literacy skills and wellbeing. All Welsh medium schools using grant to support pupils' development in Welsh, particularly those from English speaking homes.</li> <li>• Careful identification of schools to be involved in specific PDG literacy professional learning programmes. Work to support writing is underway, with the programme on reading starting early January.</li> </ul> <p>Engagement of Pencoedtre and Whitmore with the RADY programme is ongoing; too early to monitor impact.</p> |                                      |                             |                                   |
| SP/A006: Develop a coherent strategy for the support, monitoring and delivery of EOTAS provision which ensures our most vulnerable learners and EOTAS learners not in education settings are able to access a curriculum that meets their needs and | 31/03/2022                    | 75%        | Pupil Engagement Team now fully implemented to ensure pupils on EOTAS pathways have effective family engagement and guidance on pastoral support plans in all EOTAS settings is monitored effectively with meaningful engagement with parents. Pupil Engagement (EOTAS) strategy was discussed with DMT and  | Green                                |                             | Learning and Culture              |

| Service Plan Actions<br>(will include service plan ref no)  | In Year<br>Completion<br>Date | % Complete | Progress & Outcomes Description  | Service Plan<br>Action RAG<br>status | ADP Action<br>RAG<br>Status | Relevant<br>Scrutiny<br>Committee |
|---|-------------------------------|------------|--|--------------------------------------|-----------------------------|-----------------------------------|
| allows them to progress at a rate appropriate with their age and ability.   |                               |            | agreed. EOTAS quality assurance to recommence in Spring 2022 to ensure pupils are accessing high quality and appropriate EOTAS provision. All PSPs and IDPs for EOTAs learners have been monitored and evaluated for progress.   |                                      |                             |                                   |
| SP/A007: Work with schools to improve attendance rates and reduce persistent absence.   | 31/03/2022                    | 75%        | The AWE team (Attainment, Wellbeing and Engagement team) continues to provide additional support to learners at both Primary and Secondary level. Where nonattendance is related to covid or to physical or mental health issues the AWE team are utilised as a first point of support to seek to improve attendance, re engage learners or make short term provision whilst Covid based restrictions on use of penal measures is the stance maintained by WG. Learners open to AWE have their absences monitored by PSPs which maintain the focus on whether the absences can be considered to be in the ongoing interests of the child or not. Improvements made in ONE reporting and roll out of termly liaison meetings with schools where attendance is a concern. Focused carousel groups (wellbeing and reengagement one day a week) set up to support Yr4-6 and Yr7-8 learners most impacted by Covid. Monthly reporting to DMT on attendance and exclusion and cascade to WIM CSC partners. Inclusion surgeries to ALNCO / HOYs and attendance leads in secondaries where this need is indicated. | Green                                |                             | Learning and Culture              |
| SL/A011: Work in partnership to address issues arising from the impact of COVID-19 measures on schools, ensuring continuity of learning and | 31/03/2022                    | 65%        | Still awaiting delivery of Hwb's 2021/22 funded devices.   | Amber                                |                             | Learning and Culture              |

| Service Plan Actions<br>(will include service plan ref no)  | In Year<br>Completion<br>Date | % Complete | Progress & Outcomes Description  | Service Plan<br>Action RAG<br>status | ADP Action<br>RAG<br>Status | Relevant<br>Scrutiny<br>Committee |

| LD/A015: Implement the Corporate Safeguarding Work Plan and ensure all staff are up to date with relevant safeguarding training.   | 31/03/2022              | 75%        | This work is on-going throughout 2021/2022. The OM LS attends the Corporate Safeguarding Board meetings and ensures compliance with mandatory safeguarding training via iDev.   | Green                          |                       | Healthy Living and Social Care                               |
| RP/A029: Implement the Corporate Safeguarding Work Plan and ensure all staff complete relevant safeguarding training.  | 31/03/2022              | 75%        | All staff reminded of the need to undertake mandatory Safeguarding training on iDev   | Green                          |                       | Healthy Living and Social Care                               |
| HR/A009: Support the Corporate Safeguarding Group to monitor and challenge compliance with the Council's Safeguarding Policy in line with our responsibilities and contribute to implementation of the Corporate Safeguarding Work Plan.                                 | 31/03/2022              | 75%        | Information on safer recruitment is provided on a weekly basis to ensure that actives are monitored and any non-compliance is addressed immediately. Information is also provided to cabinet and scrutiny which is currently being prepared for Q4.   | Green                          |                       | Healthy Living and Social Care                               |
| <b>ADP74- Work with partners and the community to address issues of social cohesion and to implement the Vale of Glamorgan Community Safety Strategy and the Regional Violence against Women, Domestic Abuse and Sexual Violence Strategy (VAWDASV)</b>                  |                         |            |   |                                |                       |  |
| HS/A015: Work with partners to deliver pathways and provide advice and support to people who experience abuse, harassment and stalking, hate crime, including women from ethnic minorities, disabled women, women with complex needs, children and young people and men. | 31/03/2022              | 75%        | During the Qtr, 65 cases were discussed at MARAC which is a reduction for 96 in the same Qtr of the previous year. The number of repeat cases this Qtr was 37% which is a reduction from 50+% in the previous two Qtrs. The MARAC steering group met where the Cardiff MARAC ISP is being picked up in order to advance the refresh of the Vale MARAC ISP with SWP colleagues. 95 cases were discussed during the twice weekly meetings of which 37 cases were referred to full MARAC. This indicates that 61% of cases were sufficiently addressed without placing additional pressure on the MARAC process. The benefit of these rapid meetings has been echoed by all partners. The DRIVE project in the Vale has continued to work successfully to full capacity. | Green                          | Green                 | Homes & Safe Communities<br><br>Healthy Living & Social Care |

|   |                         |            | the Qtr ready for the roll out of promotional material to support the delivery of advice and information to those who disclose domestic abuse within this profession.   |                                |                       |   |
| HS/A017: Improve community safety and well-being for those that live, work and visit the Vale of Glamorgan by working with our partners to reduce crime and disorder. | 31/03/2022              | 75%        | <p>The Community Safety Team worked through 416 incidents of ASB across Cardiff and the Vale. This is a reduction from 1063 from the same Qtr in the previous financial year demonstrating the significant reduction from the breaches of COVID that were taking place in the previous year. 64 cases during the Qtr of this financial year were classed as environmental ASB, 264 were classed as nuisance ASB and 88 were classed as personal ASB.</p> <p>Work with partner agencies was carried out to look at option to reduce hotspot ASB on Kings Square following vandalism perpetrated by youths in the area. These meetings followed the implementation of actions and the ASB has significantly reduced in the area. Bonfire night and Halloween both received a significant amount of community engagement and communication work, including a press release and letters sent to schools to remind children of the dangers of fireworks. A partnership approach was taken to ensure that a consistent message was delivered across the Vale especially given the challenges created by COVID, where previously large firework displays were recommended from a fire safety perspective but this no longer being an appropriate recommendation with needs to minimise the spread of the virus. Partners also worked together to ensure that all relevant partners were aware of</p> | Green                          |                       | <p>Homes &amp; Safe Communities</p> <p>Healthy Living &amp; Social Care</p> |

| SRS/A014: Deliver the actions identified in the Shared Regulatory Service Business Plan 2021/22. | 31/03/2022              | 75%        | Work continues to deliver the actions set out in the SRS Business Plan with several actions completed and many in progress. SRS's work in investigating and disrupting the selling of illicit and counterfeit tobacco saw officers involved in a 3 day operation at multiple premises in the Cardiff and Vale of Glamorgan as part of an ongoing investigation into the sale of illegal tobacco and laundering of money resulting from its sale. Over 55kg of hand rolling tobacco and 24,000 packets of cigarettes were seized from 7 premises with a street value of £90,000 (retail value of genuine product being over £300,000). Investigations are ongoing. Our safeguarding work saw 2 intelligence led underage sales exercises being conducted at 13 retail premises in Cardiff and Vale when an underage volunteer attempted to buy age restricted products including alcohol, tobacco and e-cigarettes. 2 premises sold alcohol to underage volunteer and investigations into these offences are ongoing. | Green                          |                       | Homes and Safe Communities  |

|   |                         |            | the Council's own Development team to bring forward newbuild schemes   |                                |                       |  |
| RP/A030: Increase the supply of good quality, accessible and affordable housing by maximising opportunities through the planning system and by working in partnership with housing colleagues.                        | 31/03/2022              | 75%        | The Council has secured off-site S106 affordable housing contributions equalling £55,540.80. Continue to meet with Strategic Housing Forum and Overarching Housing Forum.  | Green                          |                       | Homes and Safe Communities<br><br>Environment and Regeneration |
| RP/A031: Work with colleagues across the Council to deliver the Empty Homes Strategy and ensure the Vale of Glamorgan Council continues to be pro-active in its approach to returning empty properties back into use. | 31/03/2022              | 75%        | After the Empty Homes Survey (2021) in Q.2, follow-up advice, assistance and financial support is being provided as necessary. The Housing Loans workstream continues to progress as planned during Q.3 and a range of loan assisted projects are being successfully implemented across the county.  | Green                          |                       | Homes and Safe Communities<br><br>Environment and Regeneration |
| RP/A032: Review the Empty Homes Strategy function and actions in light of upcoming guidance and support from Welsh Government.  | 31/03/2022              | 75%        | Welsh Government confirmed approval of the Empty Property Enforcement Action Plan on 16th December 2021. Furthermore, Homes and Safe Communities (15th September 2021) and Corporate Performance and Resources (22nd September 2021) Scrutiny Committees both resolved to accept the Enforced Sale Policy, and the Policy reported to Cabinet (19th July 2021 - minute C638 refers) is therefore agreed. | Green                          |                       | Homes and Safe Communities<br><br>Environment and Regeneration |
| <b>ADP81- Work with partners to sustain the reduction in homelessness achieved during the crisis and implement a Housing Support Programme Strategy</b>   |                         |            |  |                                |                       |  |
| HS/A023: Continue to work to the Welsh Government COVID-19 Homelessness Plan, phase 1, providing bed and breakfast accommodation for homeless persons as defined by the new Welsh                                     | 31/03/2022              | 75%        | WG have committed to support the booking of B&B rooms to the end of March 2023. Officers are currently reviewing data available in respect of new build completions and forecasted new homeless presentations to quantify ongoing needs. This will be completed prior to March 2022 so that funding can be agreed.   | Green                          | Green                 | Homes and Safe Communities                                     |

| Service Plan Actions  | In Year Completion Date | % Complete | Progress & Outcomes Description  | Service Plan Action RAG status | ADP Action RAG Status | Relevant Scrutiny Committee |
|---|-------------------------|------------|--|--------------------------------|-----------------------|-----------------------------|
| Government Duty placed on Local Authorities.  |                         |            |  |                                |                       |                             |
| HS/A024: Work with partners to sustain the reduction in homelessness achieved during the crisis and implement a Housing Support Programme Strategy. | 31/03/2022              | 75%        | Cell meetings continue to ensure key services are delivered to homeless households. The Task and Finish Group are developing options for increasing 'move on' of homeless households into more permanent accommodation.  | Green                          |                       | Homes and Safe Communities  |
| HS/A025 Deliver and promote equality of access to housing and housing services.   | 31/03/2022              | 75%        | Equality of access continues to play a key part of all strategies and policies. The new Tenant and Leaseholder Engagement Strategy specifically promotes engagement and the need for active tenants to be representative of the broader tenant population. The Local Housing Strategy also has a key aim dedicated to equality of access, to ensure people with protected characteristics do not face barriers to housing or housing services. | Green                          |                       | Homes and Safe Communities  |
| HS/A026 Maximise any grant funding opportunities for longer term accommodation to address the increased homelessness demand.                        | 31/03/2022              | 75%        | All funding opportunities are being considered including the extended funding for block booking of rooms in B&Bs but also funding for the provision of new temporary and permanent housing. The Council is also using its own reserves to fund accommodation.  | Green                          |                       | Homes and Safe Communities  |
| HS/A027 Contribute to the work of the Scrutiny Committee Task and Finish Group to review Homelessness Services.                                     | 31/03/2022              | 75%        | The Task and Finish Group have concluded their meetings and a final report is being drafted for consideration by H&SC Scrutiny and Cabinet prior to the end of the municipal year  | Green                          |                       | Homes and Safe Communities  |

## APPENDIX 1: Service Plan Actions contributing to this Well-being Objective

### Well-being Objective 4: To respect, enhance and enjoy our environment

|                   |   |
|-------------------|---|
| CP Commitment 4.1 | Work to reduce the organisation's carbon emissions to net zero before 2030 and encourage others to follow our lead as part of minimising the negative impact of our activities on the environment |
|-------------------|---|

| Service Plan Actions<br>(will include service plan ref no)  | In Year<br>Completion<br>Date | % Complete | Progress & Outcomes Description  | Service Plan<br>Action RAG<br>status | ADP Action<br>RAG<br>Status | Relevant Scrutiny<br>Committee  |
|---|-------------------------------|------------|--|--------------------------------------|-----------------------------|---|
| <b>ADP82- Work with our partners to take collective action to tackle the climate emergency and implement our Climate Emergency Action Plan.</b>   |                               |            |  |                                      |                             |   |
| CS/A020: Review our working practice to operate more sustainably.   | 31/03/2022                    | 75%        | Work is continuing to inform the Council's future operating model / use of space and sustainability is central to these discussions  | Green                                | Green                       | Corporate Performance and Resources<br><br>Environment and Regeneration |
| RMS/A021: Optimise agile working practices to enable us to define a more sustainable operating model.   | 31/03/2022                    | 75%        | All services continue to be provided from home, with the exception of weekly payments and some administrative tasks that are required to be completed in the office. FABA continue to offer virtual meetings where appropriate and only visiting in person if no other option is available.  | Green                                |                             | Corporate Performance and Resources<br><br>Environment and Regeneration |
| SL/A022: Work via the SIOB Decarbonisation Sub-Group to consider the behaviour change, asset renewal strategy and infrastructure required to respond effectively to the Council's climate emergency and advise SLT and schools. | 31/03/2022                    | 75%        | The Council has also launched energy dashboards to all schools in order to change how are buildings are used. This provides each school with data on how much energy they consume throughout the year. The dashboards allow schools to see how their consumption compares against other similar sized schools. The dashboards also include a simple guide to reducing energy consumption. The Council has agreed a simplified approach to developing | Green                                |                             | Corporate Performance and Resources<br><br>Environment and Regeneration |

|--|-------------------------------|------------|--|--------------------------------------|-----------------------------|---|
|  |                               |            | Salix schemes in order to ensure quick wins are identified and implemented. In total, the Council has identified 10 Salix projects which have been approved and due to be implemented over the next 18 months. These projects will save 63.5 tonnes CO2e/pa. The Council is also trialling Fuel Stretcher in 2 primary schools and a secondary school. This system integrates into the building management system to improve optimisation of heating to reduce energy consumption. The Council is also working with the Carbon trust to develop plans to retrofit 3 existing primary schools to achieve net-zero (operational) carbon. |                                      |                             |   |
| SRS/A015: Engage and respond to the Welsh Government White Paper on Clean Air (Wales) Bill and the consultation on Reducing Emissions from Domestic Burning of Solid Fuels.  | 31/03/2022                    | 100%       | Completed in Q1- SRs contributed to the Public Protection Wales response which has been sent to Welsh Government.  | Green                                |                             | Corporate Performance and Resources<br><br>Environment and Regeneration |
| PB/A032: Work with our partners to take collective action to tackle the climate change emergency and engage with the local community about priorities for the Vale as part of developing our response to the climate change emergency declaration. | 31/03/2022                    | 75%        | The Project Zero Board has met twice and discussed in detail the implementation of the Challenge Plan. A communications plan has been developed and issues around resources and training explored as key areas that will underpin the work of the Board. Engagement with the local community and key messaging to staff and the public continues. A report on progress will be presented to Cabinet in February and this will cover issues around resources, reporting and also details of the   | Green                                |                             | Corporate Performance and Resources<br><br>Environment and Regeneration |

|--|-------------------------------|------------|--|--------------------------------------|-----------------------------|---|
|  |                               |            | Council's carbon data emissions. Funding has also been granted through the Community Resilience Fund to undertake an exercise regarding emissions in the wider community.  |                                      |                             |   |
| FS/A015: Contribute to the Council's work with partners to take collective action to tackle the climate emergency and implement our Climate Emergency Action Plan. | 31/03/2022                    | 75%        | Officers attend corporate working groups on this matter. The Carbon Management Plan is to be updated to reflect the requirements of the Council  | Green                                |                             | Corporate Performance and Resources<br>Environment and Regeneration |
| FS/A016: Progress and meet our commitments under the CRC Energy Efficiency scheme and achieve annual certification.  | 31/03/2022                    | 75%        | The Carbon footprint of the Council in line with the Welsh Government Net Zero Reporting duty has been finalised and has been submitted to WG.   | Green                                |                             | Corporate Performance and Resources<br>Environment and Regeneration |
| FS/A017: Work towards achieving our targets in the Vale of Glamorgan Council Carbon Management Plan 2018-22.   | 31/03/2022                    | 75%        | The development of energy improvement works are in the process of being finalised. Emphasis this quarter has been on Net Zero Reporting. The programme of installation of electric charging for fleet vehicles has been developed and will be implemented in the coming months. Work on public charging infrastructure has also commenced. Work to completely refresh the Councils Carbon Management Plan will commence in the coming months also. | Green                                |                             | Corporate Performance and Resources<br>Environment and Regeneration |
| RP/A033: Contribute to the Council's response to the declared climate change emergency and develop specific plans and strategies to support this work.             | 31/03/2022                    | 75%        | Work on the draft Green Infrastructure strategy is ongoing. We plan on reporting the draft strategy to Cabinet in the Spring and seek approval for a 6 week public consultation. Adoption of the Green Infrastructure Strategy   | Green                                |                             | Corporate Performance and Resources<br>Environment and Regeneration |

| Service Plan Actions<br>(will include service plan ref no)  | In Year<br>Completion<br>Date | % Complete | Progress & Outcomes Description   | Service Plan<br>Action RAG<br>status | ADP Action<br>RAG<br>Status | Relevant Scrutiny<br>Committee      |
|---|-------------------------------|------------|---|--------------------------------------|-----------------------------|-------------------------------------|
|   |                               |            | is anticipated in June 2022. Work has also commenced following declaration of a Nature Emergency on an action plan for Nature recovery. A draft Tree Strategy for the Council has been prepared and is due to be consulted within the Council in Q4. Countryside are due to plant over 2500 saplings in Q4.   |                                      |                             |                                     |
| HR/A010: Review and rationalise our corporate policies to invest in supporting infrastructure to encourage more freedom, trust and empowerment.                                       | 31/03/2022                    | 75%        | As stated above a review of other staff initiatives that support Project Zero, will be undertaken over the next few months.   | Green                                |                             | Corporate Performance and Resources |
| HR/A011: Develop a H&S and Fire Strategy which focuses on the development of a workforce safety and well-being culture and ensuring the establishment of a robust H&S review process. | 31/03/2022                    | 75%        | The H&S team continues to be strengthened, with further appointments to made in Q3 and Q4. This will enable both Corporate departments and Schools, to be provided with H&S and Fire advice as required, with planned work to be scheduled over the coming year, which includes reviewing risks assessments to ensure compliance.   | Green                                |                             | Corporate Performance and Resources |
| <b>ADP83- Develop a more environmentally sustainable fleet including the use of electric and hybrid vehicles</b>  |                               |            |   |                                      |                             |                                     |
| NS/A032: Continue to develop a more environmentally sustainable fleet including the use of hybrid, alternatively fuelled and electric vehicles.                                       | 31/03/2022                    | 50%        | Energy Service Wales report on fleet options and zero emission infrastructure received and currently being reviewed. Two demo electric refuse vehicles (one converted and one new) trialled with waste management staff. Investigating the costs of electric pool cars together with the implementation of charging points. Procurement due of EV pool cars in Q4 with WG being applied for to make up the difference between cost diesel and EV. | Red                                  | Red                         | Environment and Regeneration        |

| Service Plan Actions<br>(will include service plan ref no)   | In Year<br>Completion<br>Date | % Complete | Progress & Outcomes Description  | Service Plan<br>Action RAG<br>status | ADP Action<br>RAG<br>Status | Relevant Scrutiny<br>Committee                           |
|--|-------------------------------|------------|--|--------------------------------------|-----------------------------|--|
| <b>ADP84- Improve existing school buildings and deliver new buildings for St David's and Llancarfan Primary Schools, making them low carbon and where possible zero carbon buildings to operate and create an adaptable and scalable school design in partnership with the construction industry</b> |                               |            |  |                                      |                             |  |
| SL/A021: Improve existing school buildings and deliver new buildings for St David's and Llancarfan Primary Schools, making them low carbon and where possible zero carbon buildings to operate and create an adaptable and scalable school design in partnership with the construction industry.     | 31/03/2022                    | 75%        | K2N date continues to be returned for operational school buildings. Whitmore High School data demonstrates that the building is meeting its hot water usage target but is slightly over heating target by 0.14 kWh. All electricity targets have been met.   | Green                                | Green                       | Environment and Regeneration<br><br>Learning and Culture |
| <b>ADP85- Deliver near zero carbon, or at a minimum A rated new Council homes and utilise Optimised Retrofit Programmes that include Modern Methods of Construction and off-site manufacturing to meet carbon reduction targets for the existing Council housing stock.</b>                          |                               |            |  |                                      |                             |  |
| HS/A029: Deliver near zero carbon, or at a minimum A rated new Council homes and utilise Optimised Retrofit Programmes that include Modern Methods of Construction and off-site manufacturing to meet carbon reduction targets.  | 31/03/2022                    | 50%        | In contract but start on site delayed until March 2022 due to uncharted below ground BT Fibre cables detected.   | Red                                  | Green                       | Environment and Regeneration                             |
| HS/A030: Continue to improve thermal efficiency in our existing housing stock by maximising the performance of the existing components and materials of our homes and looking at alternative fuel supplies to support carbon reduction and reduce fuel poverty.                                      | 31/03/2022                    | 75%        | External wall insulation and other fabric first measures continue to take priority whilst other technologies such as air source heat pumps and solar panels are being trialled before commitment. Welsh Government are working on WHQS2 which is expected to set standards and targets of performance and this is expected to drive key technologies. Delivery of the Optimised Retrofit Project is enabling properties with the worst performing heating system to be upgraded and improved for energy performance. | Green                                | Green                       | Environment and Regeneration                             |

|---|------------|------------|-------------------|------------|---------------------|--|--|
| PAM/023: Percentage of food establishments which are 'broadly compliant' with food hygiene standard.  | 92%        | 96.8%      | 94%               | Green      | ↑                   | Target exceeded.   | Homes & Safe Communities                                 |
| <b>WO3.11: Increase the supply of good quality, accessible and affordable housing by working in partnership to address housing need</b>                                   |            |            |                   |            |                     |  |  |
| CPM/091 (CPM/260): The percentage of tenants satisfied with the programmed works.   | N/A        | N/A        | N/A               | N/A        | N/A                 | This Performance Indicator is monitored annually.  | Homes & Safe Communities                                 |
| CPM/092 (CPM/010): Average number of working days to let an empty property (standard condition). (Housemark)  | 19 days    | 20 days    | 19.57 days        | Amber      | ↓                   | Performance has improved in Q3 and the target remains achievable for the year. The weekly adverts continued throughout the Christmas period to ensure homes are advertised and allocated as soon as possible. Regular checks of voids are being undertaken to ensure that all actions are up to date. Materials and the capacity of sub contractors continue to be a challenge but the average time taken to complete void repairs remains around 13 days. | Homes & Safe Communities                                 |
| CPM/093 (CPM/026): Percentage of people who have received a Disabled Facilities Grant who feel the assistance has made them safer and more independent in their own home. |            |            |                   |            |                     | This Performance Indicator is monitored annually.  | Healthy Living & Social Care<br>Homes & Safe Communities |
| CPM/094 (CPM/027) (PAM015): Average number of calendar days taken to deliver a Disabled Facilities Grant.   | 334 days   | 331.6 days | 350 days          | Green      | ↑                   | The third quarter has once again seen a reduction of the average days taken to complete a Disabled Adaptation below the target figure. However, the effects of the Pandemic are still causing delays with one job taking over 800 days to complete. Discussions with the framework contractors are being currently held after a 15% increase   | Healthy Living & Social Care<br>Homes & Safe Communities |

| Performance Indicator  | Q3 2020/21 | Q3 2021/22 | Q3 Target 2021/22 | RAG Status | Direction of Travel | Commentary  | Relevant Scrutiny Committee                                  |
|--|------------|------------|-------------------|------------|---------------------|---|--|
|  |            |            |                   |            |                     | across the schedule of rates has been agreed.   |  |
| CPM/095 (CPM/064) (PAM/013): The percentage of private sector dwellings that have been vacant for more than six months at 1 April that were returned to occupation during the year through direct action from the local authority. |            |            |                   |            |                     | This Performance Indicator is monitored annually.   | Homes & Safe Communities                                     |
| PAM/045: Number of new homes created as result of bring empty properties back into use.  |            |            |                   |            |                     | This Performance Indicator is monitored annually.   | Homes & Safe Communities                                     |
| PAM/037: Average number of days to complete all repairs.   | 1.86 days  | 6.56 days  | 7.5 days          | Green      | ↓                   | There is currently high demand on the repairs service as tenants report outstanding issues which have been silent during the pandemic.  | Homes & Safe Communities                                     |
| PAM/036: Number of additional affordable housing units delivered during the year per 10,000 households.  |            |            |                   |            |                     | Annual national performance indicator. To be reported at quarter 4.   | Homes & Safe Communities                                     |
| CPM/137: Number of new accessible/adapted homes delivered  | N/A        | 0          | 10                | Red        | N/A                 | there were 0 adapted houses delivered during Q3. This is in part due to delays with sites coming forward.   | Homes & Safe Communities<br><br>Healthy Living & Social Care |
| <b>WO3.12: Provide housing advice and support to prevent homelessness.</b>   |            |            |                   |            |                     |   |  |
| PAM/012: Percentage of households successfully prevented from becoming homeless.   | 71%        | 42.59%     | 70%               | Red        | ↓                   | Similar to the previous quarters prevention remains a priority however as previous highlighted the main client group are single households who present without accommodation that can be saved. All of who if considered roofless must now be temporarily accommodated due to the removal of the priority assessment test within the Housing(Wales) Act 2014. | CPM/096 (CPM/012): Percentage of all households where a positive prevention action succeeded in preventing/relieving homelessness. | N/A        | N/A        | N/A               | N/A        | N/A                 | This Performance Indicator is monitored annually.  | Homes & Safe Communities    |

### Additional National Performance Indicator Measures

| Performance Indicator   | Q3 2020/21 | Q3 2021/22 | Q3 Target 2021/22 | RAG Status | Direction of Travel | Commentary  | Relevant Scrutiny Committee  |
|---|------------|------------|-------------------|------------|---------------------|---|------------------------------|
| <b>WO3.1: Encourage people of all ages to have active and healthy lifestyles to promote better physical and mental well-being.</b>  |            |            |                   |            |                     |   |                              |
| PAM/041: Percentage of NERS clients who completed the exercise programme.   | N/A-COVID. | 49.09      | 40                | Green      | N/A                 | As can be seen from the data we have restarted the scheme this year and due to the current conditions, our clientele (who all have medical conditions), the changing alert levels, health and safety guidance, and changes in our capacity have all caused issues with our scheme. Due to the length of the scheme figures have been low up until this quarter but now it can be seen that the scheme is offering people the opportunity to become healthier, even if the numbers are reduced. We are continuing to develop the scheme internally and we are reviewing processing to ensure that we develop as the current situation changes. | Healthy Living & Social Care |
| <b>WO3.3: Promote leisure, art and cultural activities which meet a diverse range of needs</b>                                      |            |            |                   |            |                     |   |                              |
| PAM/040 Percentage of Welsh Public Library Standards Quality Indicators (with targets) achieved by the library service.             |            |            |                   |            |                     | This Performance Indicator is monitored annually.   | Learning & Culture           |
| <b>WO3.4: Work in partnership to provide more seamless health and social care services.</b>   |            |            |                   |            |                     |   |                              |
| PAM/025: Rate of people kept in hospital while waiting for social care per 1,000 population aged 75+                                | N/A        | N/A        | N/A               | N/A        | N/A                 | Data not available/published by WG  | Healthy Living & Social Care |
| <b>WO3.5: Provide care and support to children and families in need which reflects their individual strengths and circumstances</b> |            |            |                   |            |                     |   |                              |
| PAM/028: Percentage of child assessments completed in time.   | 70%        | 47.1%      | 85%               | Red        | ↓                   | The pandemic has continued to have a knock-on effect with the social workers ability conclude assessments during the quarter but is not a reflection of the   | Healthy Living & Social Care |

|  |            |            |                   |            |                     | <p>packaged, procured and completed, or a property becomes void or a tenant changes their mind and requests for the WHQS works to be completed.</p> <p>The Development &amp; Investment Team were working to start the internal kitchen and bathroom replacements from September 2021. But due to further delays in procurement are now working towards March 2022.</p>   |                             |
| PAM/039: Landlord Services: Percentage of rent lost due to properties being empty. | 0.68%      | 0.0068%    | 1.5%              | Green      | ↑                   | <p>Rent loss due to voids remains consistent in Q3 and ahead of target. This is mainly made up of long-term voids on hold for major works e.g. Castle Green. A small number of properties have been completed and returned; however different properties have been identified where tenants need to be decanted out to allow extensive works to be completed. The rent loss for standard voids remains low.</p> | Homes & Safe Communities    |

**Note:** In addition to the above listed Public Accountability Measures, the Welsh Government also require that Social Services reports metrics annually as part of its Performance and Improvement Framework for Social Services aligned to the *Social Services and Well-being (Wales) Act 2014* and the associated Code of Practice. This [Framework](#) contains metrics categorised by Adults, Children and Carers that have been split across the 9 thematic of the *Social Services and Well-being (Wales) Act 2014*.

## APPENDIX 2: Performance Indicators

### Well-being Objective 4: To respect, enhance and enjoy our environment

| Performance Indicator  | Q3<br>2020/21 | Q3<br>2021/22 | Q3 Target<br>2021/22 | RAG<br>Status | Direction<br>of Travel | Commentary  | Relevant<br>Scrutiny<br>Committee                                     |
|--|---------------|---------------|----------------------|---------------|------------------------|---|---|
| <b>WO4.1: Work to reduce the organisation's carbon emissions to net zero before 2030 and encourage others to follow our lead as part of minimising the negative impact of our activities on the environment.</b> |               |               |                      |               |                        |   |   |
| CPM/097: Percentage of change in the average Display Energy Certificate (DEC) score within local authority public buildings over 1000 square metres.   |               |               |                      |               |                        | This performance indicator is monitored annually. | Corporate Performance and Resources<br><br>Environment & Regeneration |
| CPM/098: Percentage change (reduction) in carbon dioxide emissions in the non-domestic public building stock.  |               |               |                      |               |                        | This performance indicator is monitored annually. | Corporate Performance and Resources<br><br>Environment & Regeneration |
| CPM/100: Percentage of Council streetlights that are LED.  | 68%           | N/A           | 90%                  | N/A           | N/A                    | No update provided                                | Corporate Performance and Resources<br><br>Environment & Regeneration |
| <b>WO4.2: Work with and empower community groups and other partners to sustain local facilities including public toilets, libraries, parks, play areas and community centres.</b>                                |               |               |                      |               |                        |   |   |
| CPM/101: Number of assets transferred to the community.  |               |               |                      |               |                        | This performance indicator is monitored annually. | Corporate Performance and Resources                                   |

| Performance Indicator   | Q3 2020/21 | Q3 2021/22 | Q3 Target 2021/22 | RAG Status | Direction of Travel | Commentary  | Relevant Scrutiny Committee |
|---|------------|------------|-------------------|------------|---------------------|---|-----------------------------|
|   |            |            |                   |            |                     |   | Environment & Regeneration  |
| CPM/102: Number of visits to public libraries during the year per 1,000 population. | 58         | 666.8      | 1560              | Red        | ↑                   | There has been a further rise in library visitors over previous months, the last quarter totalling 44,440 visitors which almost equals the total number of visitors in the previous 2 quarters. The figures were helped by a growth in the number of activities libraries could continue with after the summer months, and by a small return in groups meeting at the library. Confidence also continued to grow by individual library users and by PC users. There was a lull in use in the lead up to Christmas 2021 however due to fears about the Omicron variant. December is usually a quieter time in libraries but Penarth managed to buck the trend by having far more visitors in December than in October and November. This may be partly a statistical correction since they've had a new people counter installed but it is also a factor of the newly refurbished library continuing to attract old and new visitors with their newly refurbished ground floor, range of activities. and very good social media presence on Facebook, Twitter and Instagram. | Learning & Culture          |

| Performance Indicator   | Q3 2020/21 | Q3 2021/22 | Q3 Target 2021/22 | RAG Status | Direction of Travel | Commentary  | Relevant Scrutiny Committee |
|---|------------|------------|-------------------|------------|---------------------|---|-----------------------------|
| <b>WO4.3: Protect, preserve and where possible enhance our natural and built environment and cultural heritage.</b>                       |            |            |                   |            |                     |   |                             |
| CPM/103: Number of facilitated visits to country parks and heritage coast.  |            |            |                   |            |                     | This performance indicator is monitored annually.   | Environment & Regeneration  |
| CPM/104: Percentage of customers satisfied with Country Parks   |            |            |                   |            |                     | This performance indicator is monitored annually.   | Environment & Regeneration  |
| CPM/105: Percentage of Dangerous Structures inspected within 1 working day of receipt.  | 100%       | 100%       | 100%              | Green      | ↔                   | No commentary provided  | Environment & Regeneration  |
| CPM/107: Number of Green Flag Parks.  | 10         | 10         | 10                | Green      | ↔                   | All Green Flag parks reattained their flag / award  | Environment & Regeneration  |
| CPM/108: Number of m2 of Parks, Open Spaces & Highways land that has been sown with wildflowers or being maintained as a naturalised area |            |            |                   |            |                     | This performance indicator is monitored annually.   | Environment & Regeneration  |
| <b>WO4.4: Work with the community and partners to ensure the local environment is clean, attractive and well managed.</b>                 |            |            |                   |            |                     |   |                             |
| CPM/109: The Cleanliness Index  |            |            |                   |            |                     | This performance indicator is monitored annually.   | Environment & Regeneration  |
| CPM/010: The percentage of highways and relevant land inspected of a high or acceptable standard of cleanliness                           |            |            |                   |            |                     | This performance indicator is monitored annually.   | Environment & Regeneration  |
| CPM/111: The percentage of reported fly tipping incidents which lead to enforcement activity.   | 0%         | 0%         | 10%               | Red        | ↔                   | due to the type of materials fly-tipped it is difficult to investigate as the majority would not produce any evidence | Environment & Regeneration  |
| CPM/112: Percentage of people satisfied with cleanliness standards.   |            |            |                   |            |                     | This performance indicator is monitored annually.   | Environment & Regeneration  |

| Performance Indicator   | Q3<br>2020/21 | Q3<br>2021/22 | Q3 Target<br>2021/22 | RAG<br>Status | Direction<br>of Travel | Commentary  | Relevant<br>Scrutiny<br>Committee |
|---|---------------|---------------|----------------------|---------------|------------------------|---|-----------------------------------|
| <b>WO4.5: Work with the community, developers and others to ensure that new developments are sustainable and that developers mitigate their impacts, integrate with local communities and provide necessary infrastructure.</b> |               |               |                      |               |                        |   |                                   |
| CPM/113: Value of investment levered into the Council that is dedicated to transport improvement schemes.   |               |               |                      |               |                        | This performance indicator is monitored annually.   | Environment & Regeneration        |
| CPM/114: Amount of s106 money secured in the financial year.  |               |               |                      |               |                        | This performance indicator is monitored annually.   | Environment & Regeneration        |
| CPM/115: Amount of s106 money spent in the financial year.  |               |               |                      |               |                        | This performance indicator is monitored annually.   | Environment & Regeneration        |
| <b>WO4.6: Provide effective waste management services and work with our residents, partners and businesses to minimise waste and its impact on the environment.</b>   |               |               |                      |               |                        |   |                                   |
| CPM/116: Kilograms of local authority municipal waste that is not reused, recycled or composted during the year per person.   |               |               |                      |               |                        | This performance indicator is monitored annually.   | Environment & Regeneration        |
| <b>WO4.7: Minimise pollution recognising the detrimental impact it may have on the environment and people's wellbeing.</b>  |               |               |                      |               |                        |   |                                   |
| <i>No Performance Indicators identified</i>   |               |               |                      |               |                        |   |                                   |
| <b>WO4.8: Work to reduce the impact of erosion, flooding and pollution on our coastal areas and watercourses.</b>   |               |               |                      |               |                        |   |                                   |
| CPM/117: Number of beach awards achieved.   | 7             | 5             | 6                    | Red           | ↓                      | All awards have been retained with the exception of the blue flag at Whitmore bay which we could not apply for, as it did not meet the required level of water quality from 2020 testing. Blue flags awarded for Penarth Marina and Southern down and seaside awards for Barry Island, Jacksons Bay and Cold Knap | Environment & Regeneration        |

### Additional National Performance Indicator Measures

| Performance Indicator  | Q3 2020/21 | Q3 2021/22 | Q3 Target 2021/22 | RAG Status | Direction of Travel | Commentary  | Relevant Scrutiny Committee |
|--|------------|------------|-------------------|------------|---------------------|---|-----------------------------|
| <b>WO4.4: Work with the community and partners to ensure the local environment is clean, attractive and well managed.</b>  |            |            |                   |            |                     |   |                             |
| PAM/035: Average number of working days taken to clear fly-tipping incidents.  | 0.9 days   | 1.09 days  | 2 days            | Green      | ↓                   | Average number of days of days to collect is below target of 2 days, 74 incidents cleared in 81 days. | Environment & Regeneration  |
| <b>WO4.6: Provide effective waste management services and work with our residents, partners and businesses to minimise waste and its impact on the environment.</b>  |            |            |                   |            |                     |   |                             |
| PAM/030: The percentage of municipal waste collected by local authorities and prepared for reuse and/or recycled, including source segregated bio- wastes that are composted or treated biologically in another way. | 71%        |            | 70%               |            |                     | No update provided  | Environment & Regeneration  |
