

## Monthly Register of Chief Executive's Emergency Powers Approved During November, 2024

EP No	Title	Summary of Reason for Request	Cabinet / Council Function	Date Approved by Chief Executive
15.	Cowbridge Leisure Centre Flooring	To request the inclusion of a new scheme for flooring in the main hall at Cowbridge Leisure Centre. The total scheme costs £70k and will be funded by £50k grant from Sports Wales and £20k match funding from Section 106 money.	Cabinet	12.11.2024
16.	Winter Service – Proposed Change to Strategic Salting Route No.3 & Towable Bunce Route	<p>The Winter Service is a statutory function provided by the Council, the scheduled salting routes of the highway network ensures the safe movement of traffic on pre-defined routes and keep delays and accidents caused by adverse weather conditions to a minimum.</p> <p>Strategic Route No.3 currently includes the concrete viaduct and bridge over the River Ely at Leckwith, however, there is a reduced weight limit on the bridge of 7.5 ton, with special dispensation for public &amp; emergency vehicles up to 11 ton. The council's salting vehicle has a gross weight of 26 ton and therefore ineligible to travel over this section of the route. It is therefore proposed to undertake the salting treatment of the bridge with the towable bunce as this combined with the 4x4 towing vehicle is within the permitted weight for the viaduct and bridge.</p>	Cabinet	19.11.2024
17.	Transforming Town Grant & Additional Barry Wayfinding Funding	To add the Welsh Government Transforming Towns grant scheme budgets for Holton Road and Barry Wayfinding schemes totalling £309k and to also	Cabinet	27.11.2024

		include further funding for the Barry Wayfinding Scheme in the 2024/25 Capital Programme.
