

**COMMUNITY LIAISON COMMITTEE**

**REQUEST FOR CONSIDERATION OF A MATTER BY THE COMMITTEE  
(\*TO BE MADE BY THE TOWN / COMMUNITY COUNCIL VIA THEIR CLERK\*)**

Date 17.12.18

Name of Town/Community Council Welsh St Donats

It is requested that the Community Liaison Committee consider the following matter. (N.B. Items that are site specific should be referred to the appropriate Council department):

<b>Recycling in the Vale of Glamorgan – request for information</b>

**Reason(s) for request:**

All members of Welsh St Donats Community Council make full use of the kerbside collections for blue bag recycling and black bag, as do a majority of residents. There is a very detailed and helpful list of recyclable materials on the Vale Website.

At our last meeting our Vale councillor was unable to shed any light on the eventual disposal of the collected waste. One member had been told at a recycling open day that it is sent to a processing plant in the Midlands. Rumours abound that much recycled waste could be dumped in landfill.

Assuming the blue bag waste must be sorted, how is it done and where do the different types of sorted waste end up, and how is it re-cycled?

Welsh St Donats C C would like to see Waste and Recycling Services as an item for discussion in a Future Community Liaison Committee meeting. An explanation of recycling policy, such as only two black bags, and more information of the recycling procedures can only assist the Vale in meeting the

higher levels of recycling set out in the Towards Zero Waste consultation paper from Welsh Assembly Government.

On another item relating to recycling, the surroundings of the Recycling Center at Llandow are a dreadful reflection of the organisation of refuse collection in the Vale of Glamorgan.
