

**THE VALE OF GLAMORGAN COUNCIL**

**COMMUNITY LIAISON COMMITTEE**

**REQUEST FOR CONSIDERATION OF A MATTER BY THE COMMITTEE**

**Date:** 16<sup>th</sup> June 2021.

**Name of Town/Community Council:** Llandow Community Council.

**It is requested that the Community Liaison Committee consider the following matter. (N.B. Items that are site specific should be referred to the appropriate Council department):**

The current location of the Civic Amenity Site at Llandow, the timescale for its relocation to a more suitable location in the Western Vale and modernisation to make it accessible for the whole community.
--

**Reason(s) for request:**

The current Civic Amenity site is accessed via a private road which is in disrepair. We know of several residents who will not use the Civic Amenity Site as they do not wish to risk potentially damaging their vehicles.
--

We understand the Vale Council wishes to relocate the Civic Amenity Site and have been in protracted negotiations with the landowner. To date a successful outcome has not been achieved.
---

We understand this matter has been ongoing for at least 10 years.
---

We believe the current Civic Amenity Site is no longer fit for purpose due to its size and the lack of accessibility caused by users having to climb steps.
---

We share the concerns of the Vale Council and residents and would like a new, fit for purpose, Civic Amenity Site to be developed in the Western Vale as soon as possible.
