QUESTION PURSUANT TO COUNCIL PROCEDURE RULE 8:2

FROM: COUNCILLOR M.J.G. MORGAN

TO: THE CABINET MEMBER FOR SUSTAINABLE PLACES

**FFLECSI BUS SERVICE**

**Background:**

On 16<sup>th</sup> June, 2020 the Managing Director, using emergency powers, gave authority for the Vale Council to enter into a Service Level Agreement in respect of Transport for Wales' Fflecsi Service.

Transport for Wales' new Fflecsi service provides demand responsive bus services to key workers who use public transport to get to and from work and ensure vulnerable citizens can access shopping and medication.

Fflecsi allows citizens to order a bus pick up in real time at a place of their choosing and set the destination. Bus routes are tailored in real time, based on demand from citizens. This ensures that key workers will be able to travel to work at a time that matches their shift patterns and maximises efficient use of bus resources. The service will fill the gap left by commercial bus operations which have reduced in scale and capacity. Citizens can book their bus pick up via a mobile app and it is anticipated that up to 70% of citizens will use this method.

**Question:**

Could you please provide and update on when the Fflecsi service is likely to be introduced in the Vale of Glamorgan?
