Executive Summary:

- In order to assist the Audit Committee in ensuring that due consideration has been given by the Committee to all aspects of their core functions, the Forward Work Programme for 2019/20 has been updated following the last meeting and is aligned to the Committee's Terms of Reference. This is appended to this report at Appendix A.
- The Committee is asked to note the updated Forward Work Programme for 2019/20 and indicate whether any additional information or research is required.

## Recommendations

- 1. That the Committee consider and note the updated Forward Work Programme for 2019/20.
- That the Committee is asked to endorse the schedule of items for the next meeting, 30th March 2020 and confirm the list of people it would like to invite for each item (if appropriate) and indicate whether any additional information or research is required.

## **Reasons for Recommendations**

**1.** To ensure the Audit Committee is aware and informed of progress on both the current and proposed work programme.

# 1. Background

- **1.1** The Audit Committee's Forward Work Programme assists the Committee in ensuring that due consideration is given to all aspects of their core functions as set out in their Terms of Reference within the Council's Constitution.
- 1.2 Items feed into the Committee's Forward Work Programme from a number of sources. Many items are standard every quarter, six monthly or annually, and Members can also suggest topics for review by the Committee. Items can also be referred by the Cabinet, Scrutiny Committees or Chief Officers.

## 2. Key Issues for Consideration

- **2.1** Attached at Appendix A is the updated Forward Work Programme 2019/20 for this Committee. This has been updated following the Committee's last meeting on 16th December 2019.
- **2.2** Shown below are the items scheduled to be presented at the Committee's next meeting on the 30th March 2020. Three reports, detailed in Appendix A, have been deferred to allow time for the necessary information to be available.
- **2.3** Committee Members are asked to endorse this schedule, confirm the list of people they would like to invite for each item (if appropriate), and indicate whether any additional information or research is required.

| 30th March 2020 | Updated Forward Work Programme 2019-20 and Proposed Programme for 2020-21 |
|-----------------|---|
|                 | Internal Audit Charter 2020-21  |
|                 | Corporate Risk Register – Qtr 3   |
|                 | External Auditors / Inspection Reports (where applicable)                 |

# 3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- **3.1** If proper work programming procedures are not put in place, the organisation and prioritisation of the work programme is put at risk. The work of the Audit Committee could become disjointed which could undermine the positive contribution that the Committee makes to both short and long term service improvement and the Council's Well-Being Objectives.
- **3.2** The Committee's Forward Work Programme contains audit reviews that will be service specific and that will assist in understanding how those services undertake the five ways of working and deliver the well-being objectives.

## 4. Resources and Legal Considerations

#### **Financial**

**4.1** There are no resource implications as a direct consequence of this report.

#### **Employment**

**4.2** None as a direct consequence of this report.

#### Legal (Including Equalities)

The provision of an adequate and effective Internal Audit function is a legal requirement under the Accounts and Audit (Wales) Regulations 2014 as amended from time to time. There are no equalities implications as a direct consequence of this report.

#### 5. Background Papers
