<p>Executive Summary:</p> <ul style="list-style-type: none"> • In order to assist the Governance and Audit Committee in ensuring that due consideration has been given by the Committee to all aspects of their core functions, the Forward Work Programme appended to this report at Appendix A, has been produced and is aligned to the Committee's Terms of Reference. • The forward work programme will be updated to reflect changes required to the Committee's Terms of Reference under the new Local Government & Elections Act. • The Committee is asked to note the Forward Work Programme and indicate whether any additional information is required. 	

Recommendations

2. That the Committee is asked to endorse the schedule of items for the next meeting, which is on the amended date of 1st March 2022, and confirm the list of people it would like to invite for each item (if appropriate) and indicate whether any additional information is required.

Reason for Recommendations

- 1&2 To ensure the Governance and Audit Committee is aware and informed of progress on the proposed work programme.

1. Background

- 1.1 The Governance and Audit Committee's Forward Work Programme assists the Committee in ensuring that due consideration is given to all aspects of their core functions as set out in their Terms of Reference within the Council's Constitution.
- 1.2 Items feed into the Committee's Forward Work Programme from a number of sources. Many items are standard every quarter, six monthly or annually, and Members can also suggest topics for review by the Committee. Items can also be referred by the Cabinet, Scrutiny Committees or Chief Officers.

2. Key Issues for Consideration

- 2.1 Attached at Appendix A is the updated Forward Work Programme for this Committee.
- 2.2 Shown below are the items scheduled to be presented at the Committee's next meeting, which has been rearranged and will be held on 1st March 2022. Please note that the loan pool arrangements will be covered within the Treasury Management Strategy and not be presented as a standalone report.
- 2.3 Committee Members are asked to endorse the schedule, confirm the list of people they would like to invite for each item (if appropriate), and indicate whether any additional information or research is required.
- 2.4 There will be additional agenda items presented to the Committee as the Local Government and Elections (Wales) Act 2021 comes into effect, particularly in respect of the Committee's new responsibilities in respect of performance and complaints, and these will be added to the Forward Work Programme as necessary.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1** If proper work programming procedures are not put in place, the organisation and prioritisation of the work programme is put at risk. The work of the Governance and Audit Committee could become disjointed which could undermine the positive contribution that the Committee makes to both short and long term service improvement and the Council's Well-Being Objectives.
- 3.2** The Committee's Forward Work Programme contains audit reviews that will be service specific and that will assist in understanding how those services undertake the five ways of working and deliver the well-being objectives.

4. Resources and Legal Considerations

Financial

- 4.1** There are no resource implications as a direct consequence of this report.

Employment

- 4.2** None as a direct consequence of this report.

Legal (Including Equalities)

- 4.3** The provision of an adequate and effective Internal Audit function is a legal requirement under the Accounts and Audit (Wales) Regulations 2014 as amended from time to time. There are no equalities implications as a direct consequence of this report.

5. Background Papers
