Subject: Labour Club Penarth - Application for extended hours

Good Morning,

I would like to oppose the application for the extended licensing hours for the Labour Club in Penarth.

Live Music to 1.00 am
Serving of Alcohol to 2.00 am

My Partner and myself along with our 9 month old baby own a property on Plassey street only a couple of doors away from the club (West Cottage, Plassey street). Currently I am able to hear much of the noise from the premises inside my house on an evening, but I accept this based on the current club hours.

My baby sleeps at the back of the house and when the club has entertainment I generally have to ensure that all windows are closed in my house to reduce the noise pollution, with extended licensing and live entertainment hours I feel this would be a major disruption to our lives and request that you consider this during you decision making.

I thank you for your consideration.

Thank you
Caron Morgan
