Dear Sir/Madam

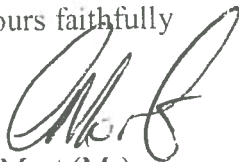

REGISTRATION : LJ56 ABK
VOLKSWAGEN CRAFTER MINI BUS
COLOUR : WHITE

The above vehicle is out of your age guide lines policy but we would like you to consider to put it forward to be plated.

We purchased 4 buses in the summer holidays ready for September to accommodate our contracts with the Vale of Glamorgan Council.

All our ambulance buses are full, but the school transport have now added 2 extra wheelchairs to our contracts. As a short term solution we would need to plate this vehicle which will take the capacity from 2 wheelchairs to 4.

Yours faithfully
