Report Owner:	Rob Thomas, Managing Director
Responsible Officer:	Gareth Davies, Democratic and Scrutiny Services Officer, 01446 709 249.
Elected Member and Officer Consultation:	None
Policy Framework:	This report is in accordance with the recommendations of the Audit Wales (formerly Wales Audit Office) Democratic Renewal report and acknowledges the recommendations of the review of the Council's scrutiny function.
<p>Executive Summary:</p> <ul style="list-style-type: none"> • The report advises Members of progress in relation to the Scrutiny Committee's historical recommendations and the updated Forward Work Programme Schedule for 2021/22: <ul style="list-style-type: none"> - 1st Quarter Recommendation Tracking April to May 2021 (Appendix A); - 2020-21 Uncompleted Recommendations (Appendix B); - 2019-20 Uncompleted Recommendations (Appendix C); - 2018-19 Uncompleted Recommendations (Appendix D); and - Updated Forward Work Programme Schedule for 2021/22 (Appendix E). 	

Recommendations

1. That the status of the actions listed in Appendices A, B, C and D to the report be agreed.
2. That the updated Committee Forward Work Programme Schedule attached at Appendix E be considered for approval and uploaded to the Council's website.

Reasons for Recommendations

1. To maintain effective tracking of the Committee's recommendations.
2. For consideration and information.

1. Background

- 1.1 An integral part of effective scrutiny is a mechanism for Scrutiny Committees to monitor their recommendations to ensure that desired actions are carried out and where necessary progress is reported back.
- 1.2 The Work Programme Schedule provides a breakdown of reports anticipated to be considered by the Scrutiny Committee over the forthcoming months.

2. Key Issues for Consideration

- 2.1 Appendices A, B, C and D attached to this report sets out the recommendations of the Scrutiny Committee and Members are requested to review progress against each recommendation, to assess whether further action may be required, ensure the required action is undertaken and to confirm which recommendations are to be agreed as completed.
- 2.2 It is important that Scrutiny Committee recommendations are tracked and monitored as failure to do so could result in a risk that recommended courses of action will not be followed and consequently lost. This would undermine the credibility of the scrutiny process.
- 2.3 Members are also requested to confirm approval of the updated 2021/22 Work Programme Schedule attached at Appendix E, it being noted that the Committee received all expected apart from a report relating to the flooding event which occurred back in December 2020. This has slipped to September.
- 2.4 The Committee's Work Programme has been aligned to the Draft Quarterly Cabinet Forward Work Programme, scheduled for approval by Cabinet at its 5th July 2021 meeting which can be found [here](#). A verbal update on the resolutions made by Cabinet in relation to its Quarterly Forward Work Programme will be provided at the meeting.
- 2.5 The Scrutiny and Cabinet Roles and Responsibilities Protocol Point 7.6 states it is essential that the Cabinet Work Programme is taken into account when Scrutiny

Committees are drawing up their own Work Programmes and also details reports that have been requested by the Scrutiny Committee, which will be included as and when available/ required, together with items that require regular monitoring and scrutiny. Other reports will be added to the schedule as and when necessity arises. The schedule will also detail Requests for Consideration that have been received and the consideration given by officers of the likely date they can be reported to the relevant Committee.

- 2.6** With regard to Call-in Requests that are made following decisions of Cabinet, as these are required to be dealt with within 20 working days of a Cabinet decision (as per the Council's Constitution), they will be included within the Programme as and when received.
- 2.7** In response to an Audit Wales (formerly Wales Audit Office) review into Scrutiny, the Council has aimed to deliver an annual scrutiny-driven issues planning process for each Scrutiny Committee. The Committee is therefore asked to closely consider its forward work programme (attached at Appendix B) by identifying:
- The specific areas of interest for the Committee;
 - How to engage stakeholders (including Ward Members and the public);
 - The most appropriate forms of scrutiny for each (e.g. 'task and finish', expert witnesses, site visits, joint approaches to scrutiny etc.);
 - The issues where scrutiny can have the most impact and value to be gained from consideration.
- 2.8** Discussions in relation to broadening the Work Programmes of all Scrutiny Committees will be subject to further consideration by the Scrutiny Committee Chairman and Vice-Chairman Group having regard to resource implications and corporate priorities.
- 2.9** In response to the 2019/20 Scrutiny Impact Member Survey, published in February 2020, the Scrutiny Committee Chairman and Vice-Chairman Group on 3rd March, 2021 agreed that Scrutiny Committee Chairmen and Cabinet Members were best placed to present the Recommendation Tracking and Forward Work Programme Update Reports at Committee meetings to highlight the fact that both documents were under the Committee's ownership and management.
- 2.10** Published versions of the Forward Work Programme can also be found on the Council's website via the following link:
https://www.valeofglamorgan.gov.uk/en/our_council/Council-Structure/scrutiny/scrutiny_committees.aspx

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1 The Scrutiny Committees have a responsibility to report annually to the Council their future work programmes in the form of a 'Scrutiny Annual Report.' The 2019 – 21 (Covid-19 Extended) Annual Report is scheduled for presentation at the September 2021 Full Council Meeting.
- 3.2 Scrutiny Committee Forward Work Programmes are updated and published by the Council on a quarterly basis which encourages engagement / involvement by the public in the decision-making process.
- 3.3 The Scrutiny Public Participation Guide can be found at <https://www.valeofglamorgan.gov.uk/Documents/Our%20Council/Scrutiny/Guidance/Public-Scrutiny-Booklet.pdf>
- 3.4 The Scrutiny Forward Work Programme provides details of reports and items proposed to be considered by the Committee over the coming Municipal year (May 2021 – April 2022).

<p>That the views of the Environment and Scrutiny Committee be referred to Cabinet, as outlined below:</p> <ul style="list-style-type: none"> • Consultation should be as far as reaching as possible with emphasis given to engagement activities with rural communities and those people hard to reach. • Consideration be given to extending the consultation deadline past the 11th May 2021. • To highlight the importance of transport links and how rural parts of the Vale and towns could be better connected, with a suggestion for more regular bus/public transport services to be introduced, which should be cheaper and offer a real alternative to travelling by car. • To highlight that there would be an impact on the Planning process, particularly around the development of new carbon neutral homes. • To highlight the need for more electric vehicle charging points, but also welcoming the ongoing work with Western Power. • To consider ways of offsetting the carbon footprint for all new types of developments, not just housing projects. • The highlight concern around future flooding and coastal erosion events. 			<p>Cabinet, on 12th May, resolved that the comments from the Homes and Safe Communities Scrutiny Committee be noted and would feed into the consultation.2021.
