Policy Framework:	This report is in accordance with the recommendations of the WAO Democratic Renewal report and acknowledges the recommendations of the review of the Council's scrutiny function
<p>Executive Summary:</p> <ul style="list-style-type: none"> • The report advises Members of progress in relation to the Scrutiny Committee's recommendations and confirms the updated Work Programme Schedule for 2020/21: <ul style="list-style-type: none"> - 4th Quarter January to March 2020 (Appendix A); - 3rd Quarter October to December 2019 (Appendix B); - 2nd Quarter July to September 2019 (Appendix C); - April 2018 - March 2019 (Appendix D) - Suggested Work Programme Schedule for 2020/21 (Appendix E); and - Emergency Power Decisions relating to the remit of the Committee (Appendix F). 	

Recommendations

1. That the views of the Committee on the status of the actions listed in Appendices A, B, C and D to the report be sought.
2. That the updated Work Programme Schedule attached at Appendix E be approved and uploaded to the Council's website.
3. That the Emergency Power Decisions taken during the national lockdown at Appendix F be noted in context to the Committee's Forward Work Programme planning.

Reasons for Recommendations

1. To maintain effective tracking of the Committee's recommendations.
2. For information.
3. For information.

1. Background

1.1 An integral part of effective scrutiny is a mechanism for Scrutiny Committees to monitor their recommendations to ensure that desired actions are carried out and where necessary progress is reported back.

1.2 The Work Programme Schedule provides a breakdown of reports anticipated to be considered by the Scrutiny Committee over the forthcoming months.

As a result of the implications of COVID-19, the Leader and Chairmen of Council Committees on 16th March, 2020 agreed that all meetings of the Council except for Cabinet on 23rd March, 2020 be cancelled for the foreseeable future. As such, the Scrutiny Work Programme Schedules were suspended.

1.3 Items that could not wait for the timetable of meetings to reconvene and were considered urgent as a result of the COVID-19 pandemic were dealt with using the Managing Director's Emergency Powers and decisions taken under Emergency Powers had been in line with the Cabinet report of the 23rd March, 2020 and regularly published on the Vale of Glamorgan Council website.

1.4 At its meeting of the 27th July, 2020 Cabinet considered a 'Reinstatement of Timetable of Meetings: September 2020 to May 2021' report (Minute No. 311) and agreed that the Timetable of Meetings that had been suspended as a result of the COVID-19 pandemic be re-instated from September 2020 (including Scrutiny), subject to any future changes in arrangements for meetings deemed appropriate by the Mayor of the Council or the relevant Committee Chairman. This included the reinstatement of the Scrutiny Committees' Work Programme Schedules.

2. Key Issues for Consideration

- 2.1** Appendices A, B, C and D attached to this report set out the recommendations of the Scrutiny Committee and Members are requested to review progress against each recommendation, to assess whether further action may be required, ensure the required action is undertaken and to confirm which recommendations are to be agreed as completed.
- 2.2** It is important that decisions of Scrutiny Committees are tracked and monitored as failure to do so could result in a risk that recommended courses of action will not be followed and consequently lost. This would undermine the credibility of the scrutiny process.
- 2.3** Members are also requested to confirm approval of the updated Scrutiny Committee Work Programme Schedule attached at Appendix E, it being noted that the schedule is a proposed list of items for consideration and may be subject to change depending on prevailing circumstances.
- 2.4** Appendix F sets out decisions made by the Managing Director of the Council under Emergency Powers during the national lockdown, relating to matters within the Committee's remit, and therefore provides members with an overview of decisions made that may affect the Committee's Forward Work Programme planning for 2020/21.
- 2.5** Due to meetings being suspended as a result of the national pandemic, there are only eight ordinary meetings of the Committee remaining for the current municipal year (May 2020 - April 2021).
- 2.6** The Work Programme has been aligned to the Cabinet Forward Work Programme. The Scrutiny and Cabinet Roles and Responsibilities Protocol Point 7.6 states it is essential that the Cabinet Work Programme is taken into account when Scrutiny Committees are drawing up their own Work Programmes and also details reports that have been requested by the Scrutiny Committee together with items that require regular monitoring and scrutiny. Other reports will be added to the schedule as and when necessity arises. The schedule will also detail Requests for Consideration that have been received and the consideration given by officers of the likely date they can be reported to the relevant Committee. With regard to Call-in Requests that are made following decisions of Cabinet, as these are required to be dealt with within 20 working days of a Cabinet decision (as per the Council's Constitution), they will be included within the Programme as and when received.
- 2.7** Members are asked to consider the priorities for 2020/21 for their committee - including those suggested in the Coronavirus Update Presentation by Director/Heads of Service.
- 2.8** Discussions in relation to broadening the Work Programmes of all Scrutiny Committees will be subject to further consideration by the Scrutiny Committee Chairmen and Vice-Chairmen Group having regard to resource implications and corporate priorities.

2.9 The Work Programme can also be found on the Council's website at the following link: https://www.valeofglamorgan.gov.uk/en/our_council/Council-Structure/scrutiny/scrutiny_committees.aspx

2.10 Please note that the Work Programme was unable to be agreed and published in May due to the suspension of the meeting timetable due to COVID-19.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

3.1 The Scrutiny Committees have a responsibility to report annually to the Council their future work programmes.

3.2 Scrutiny Committee forward work programmes are published by the Council which encourages engagement / involvement by the public in the decision-making process.

3.3 The Scrutiny Public Participation Guide can be found at <https://www.valeofglamorgan.gov.uk/Documents/Our%20Council/Scrutiny/Guidance/Public-Scrutiny-Booklet.pdf>
