Vale Catering Update

Business as usual, however well managed, will not be enough. The **challenge** is to consider alternative delivery models for services across the council.

*– Reshaping Services: A New Change Programme for the Council*

*Our* approach is not to be afraid to change.  
We may lose something good, but will gain  
**something better.**

## Old model

Change thinking  
to change behavior

## New model

Change behavior  
to change thinking

Our **behaviour** will be our driver for change

working together  
for a **fresh** start  
a vision for the future
