### Gwybodaeth amdanom ni...

Mae Panel Adolygu Annibynnol wedi'i sefydlu i ystyried rôl Cyngorau Cymuned a Thref yn y dyfodol.

Bydd yr adolygiad:

- yn ymchwilio i rôl bosib llywodraeth leol ar lefel islaw cyngorau Awdurdod Lleol, gan edrych ar arferion da
- yn diffinio'r model(au)/strwythur(au) mwyaf priodol ar gyfer cyflawni'r rôl hon
- yn ystyried sut y dylid rhoi'r modelau a'r strwythurau hyn ar waith ledled Cymru. Bydd hyn yn cynnwys ystyried unrhyw sefyllfaoedd lle na fyddent yn angenrheidiol nac yn briodol.

## A BIG THANK YOU!

We cannot say thank you enough to everyone who has shared your views and supported us since October last year. With your help, we have:

Over **1,000** points of contact with stakeholders

Received **22** items of written evidence

Had over **700** responses to our survey questions

### Next Steps...

April – July: Research / develop outline findings and recommendations.

July: Outline findings and recommendations to Cabinet Secretary for Local Government and Public Services.

Summer 18: Further engagement (timings allowing).

October 18: Final report to Cabinet Secretary for Local Government and Public Services.

During May, you also supported us by hosting over 80 'pop-in' sessions across Wales. You opened your doors to community members young and old to gather their views. The feedback generated has been overwhelming. Thank you to all who took part.

We have now come to the end of our formal engagement and evidence gathering. Over the next few weeks we will absorb and analyse all evidence received to develop our findings.

### About us...

An Independent Review Panel has been set up to consider the future role of Community and Town Councils.

The review will:

- explore the potential role of local government below Local Authority councils, drawing on best practice
- define the most appropriate model(s)/structure(s) to deliver this role
- consider how these models and structures should be applied across Wales. This will include consideration of any situations in which they would not be necessary or appropriate.
