#### Gwybodaeth amdanom ni...

Mae Panel Adolygu Annibynnol wedi'i sefydlu i ystyried rôl  
Cyngorau Cymuned a Thref yn y dyfodol.

Bydd yr adolygiad:

- yn ymchwilio i rôl bosib llywodraeth leol ar lefel islaw  
cyngorau Awdurdod Lleol, gan edrych ar arferion da
- yn diffinio'r model(au)/strwythur(au) mwyaf priodol ar  
gyfer cyflawni'r rôl hon
- yn ystyried sut y dylid rhoi'r modelau a'r strwythurau  
hyn ar waith ledled Cymru. Bydd hyn yn cynnwys  
ystyried unrhyw sefyllfaoedd lle na fyddent yn  
angenrheidiol nac yn briodol.

# Adolygiad o'r Sector Cyngorau Cymuned a Thref yng Nghymru

## Ydyn ni bron â bod yna...?

Erbyn hyn, rydym wedi cwblhau ein hadolygiad o ddyfodol y sector Cyngorau Cymuned a Thref yng Nghymru a hoffem rannu'r canfyddiadau ac egluro ein hargymhellion cychwynnol i chi. Dyma flas o'r hyn a ganfuwyd.

Nid yw hyn yn golygu y dylai cyngorau cymuned barhau fel y meant.

Prif nodweddion Cyngorau Cymuned a Thref yw eu bod yn lleol iawn ac yn atebol yn ddemocrataidd.

Nid yw hyn yn golygu y dylai cyngorau barhau fel y maent ...

Mae angen mwy o eglurder ynghylch pwrpas a rôl Cyngorau Cymuned a Thref.

Disgwyliwn i wasanaethau seiliedig ar le fod yn gyfrifoldeb Cyngorau Cymuned a Thref.

Rhaid cael cyngorau lleol â'r gallu a'r medrusrwydd priodol er mwyn sicrhau hyn.

Rhaid i Gyngorau Cymuned a Thref gael y gallu a'r medrusrwydd i chwarae'r rhan sydd wedi'i fwriadu ar eu cyfer.

Dylai'r Cyngorau gael eu cefnogi a'u hannog i gydweithio.

Rhaid i bob clerc feddu ar gymhwyster proffesiynol a dylai CILCA fod â'r cymhwyster isafswm disgwyliedig

Nid yw gwaith Cyngorau Cymuned a Thref i'w weld yn amlwg o gwbl.

Dylai Cyngorau Cymuned a Thref adrodd yn flynyddol ar yr hyn a gyflawnwyd dros y flwyddyn ddiwethaf, a'r hyn y bwriedir gwario praesept y flwyddyn ganlynol arno.

Dylai Cyngorau Cymuned a Thref fod â llais cryfach wrth helpu i lunio eu hardaloedd.

Mae rôl cyngorydd Cyngor Cymuned a Thref yn newid.

Credwn y dylid cael disgrifiad cliriach o'r gofynion ar gyngorwyr.

Dylai pecyn o hyfforddiant craidd fod yn orfodol i bob cyngorydd, fel un o ofynion derbyn swydd, ac fe ddylid ailadrodd hynny yn rheolaidd.

Mae'n bwysig i Gyngorau Tref a Chymuned fod yn atebol yn ddemocrataidd am eu gweithredoedd.

Credwn y dylai etholiadau gael eu galw boed cystadleuaeth am seddi neu beidio.

Rydym yn argymhell na ellir cyfethol Cyngorwyr am fwy nag un tymor yn olynol.

### About us...

An Independent Review Panel has been set up to consider the future role of Community and Town Councils.  
The review will:

- explore the potential role of local government below Local Authority councils, drawing on best practice
- define the most appropriate model(s)/structure(s) to deliver this role
- consider how these models and structures should be applied across Wales. This will include consideration of any situations in which they would not be necessary or appropriate.

# Review of Community and Town Council Sector in Wales

## Are We Nearly There Yet...?

We have now completed our review of the future of the Community and Town Council sector in Wales and would like to share our findings with you and take you through our emerging recommendations. Here is a taster of what we've found.

The case has been made to retain Community and Town Councils.

Key features of a CTC are that they are very local and democratically accountable.

This does not mean that councils should continue as they are...

There is need for greater clarity on the purpose and role of Community and Town Councils.

We expect place based services to become the responsibility of Community and Town Councils.

Universal coverage of local councils with suitable capacity and capability is an implicit requirement of this.

Community and Town Councils need the capacity and capability to play the role envisaged for them.

CTCs should be supported and encouraged to work together.

We recommend all clerks must hold a professional qualification and CILCA should be the expected minimum qualification.

There is a lack of visibility of the work of Community and Town Councils.

Community and Town Councils should report annually on what they've achieved over the last year and what they are planning on spending the future year's precept on.

Community and Town Councils should have a stronger voice in helping to shape their areas.

The role of a Community and Town Council councillor is changing.

We believe there should be a clearer description of what the 'ask' of a councillor is.

A core package of training should be mandatory for all councillors as a requirement for acceptance of office and repeated regularly.

It is important that Community and Town Councils are democratically accountable for their actions.

We believe that elections should be called regardless of whether seats are contested.

We recommend that Councillors cannot be co-opted for more than a one consecutive term.
