1. Background

- 1.1 There are a number of roles and functions of the Standards Committee, one of which is:
 - (a) To promote and maintain high standards of conduct by Councillors, Co-opted Members and Church and Parent Governor Representatives of the Council.
- 1.2 As part of the Committee's work programme, it had been agreed that Independent Members of the Standards Committee would attend Vale of Glamorgan Council and Town and Community Council (TCC) meetings to observe meetings with a view to promoting and maintaining high standards of conduct in line with the Members' Code of Conduct.
- 1.3 Feedback reports would also be presented to the Monitoring Officer with verbal generic updates of the reports presented to the Standards Committee by the Independent Members following the observations. Any observations that require specific discussion with the Chief Executive of the Vale of Glamorgan Council or the Clerk / Chair of a TCC are undertaken by the Monitoring Officer and / or Principal Democratic and Scrutiny Services Officer.
- 1.4 The Monitoring Officer also provides TCC Clerks with an overview of observations undertaken at the Monitoring Officer and Clerks meetings which are held on a six monthly basis.
- 1.5 Having regard to resourcing implications and following the Monitoring Officer's recommendation at the meeting of the Committee on 23rd June, 2022 it was accepted that as a number of Senior Officers and Democratic Services Officers

are present at Vale of Glamorgan Council meetings, that such officers be requested to report to the Monitoring Officer any matters that may require attention and / or suggestions for improvement and that such matters subsequently be reported to the Standards Committee as appropriate.

- 1.6 It was however, agreed, that Independent Members would continue to undertake observation visits of TCC meetings on an annual basis and report to the Standards Committee as appropriate.

2. Key Issues for Consideration

This practice will continue if meetings are undertaken on a virtual basis however where meetings are in person only, the Independent Members will attend accordingly.
- 2.2 Following the visits the comments and /or any concerns of the Independent Members are fed back to the Clerks and / or Chair of the TCCs by the Monitoring Officer and / or Principal Democratic and Scrutiny Services Officer. - 2.5 Furthermore, at the meeting of the Standards Committee on 8th June, 2023 it was agreed that where observations of TCC meetings are advised by Independent Members to have been managed effectively with no material issues identified, observations of such meetings be undertaken on a biennial basis as opposed to on an annual basis.
- 2.6 Outcome reports of visits that have taken place and any scheduled to take place over the next few months will continue to be presented to meetings of the Committee verbally by the Independent Members.

- 2.7 Where matters following observation visits of TCC meetings are highlighted by Independent Members as issues requiring further attention or further visits and / or requests are made by the Monitoring Officer / Head of Legal and Democratic Services for visits to be undertaken following concerns and / or complaints received it is recommended that such TCCs be observed as and when required. A verbal update will be provided at the meeting of discussions held with various Chairs / Clerks of TCCs since the last meeting of this Committee by the Monitoring Officer and Principal Democratic and Scrutiny Services Officer.
- 2.8 Independent Members will present their findings verbally to Committee at this meeting in respect of any observation visits undertaken since the last meeting of the Committee held on 28th September, 2023.
